## History of the Schools Memphis, Tennessee

The school was established in 1979 as Control Data Institute. In 1985, Hi-Tech Corp. acquired the school, and it became the Memphis Institute of Technology. Concorde Career Colleges, Inc., purchased the school in November 1988. In 1989, the name changed to Concorde Career Institute.

Concorde began focusing on allied healthcare occupations. The Medical Assistant program was first offered in 1990, and the Medical Office Professional program was added in 1991. In 1995, the Dental Assisting program was added to the curriculum, followed by the Pharmacy Technician program in April 1997. A Nurse Aide Training program was added in October 1998 and a Respiratory Therapy program in March 2000, making Concorde Career Institute a total allied healthcare instructional facility.

Approval to grant an Associate of Applied Science in Respiratory Therapy, Medical Assisting, Dental Assisting, Medical Office Professional, and Pharmacy Technician was received in 1999. As a result, the name changed to Concorde Career College. In 2002, Concorde received approval to offer Massage Therapy. In 2003, Surgical Technology was approved. A Dental Hygiene program was approved in 2008, and a Physical Therapist Assistant program was approved in 2009. In 2010, Concorde received approval to offer Radiologic Technology. In 2011, Concorde received approval to offer Occupational Therapy Assistant, Nursing, Health Information Management (formerly known as Health Information Technology), and Polysomnographic Technology were introduced in 2012. In 2014, approval for the Medical Laboratory Technician program was received.

In 2013, a branch campus opened in Southaven, Miss.

In 2020, approval for the Neurodiagnostic Technology and Surgical Technology Associate of Applied Science degrees were received.

## Southaven, Mississippi

The school was founded in 2013 as a branch of Concorde Career College, Memphis, Tenn.

## Locations & Contact Information

### Memphis, Tennessee

Concorde is located at 5100 Poplar Avenue, Suite 132, Memphis, TN 38137-0132; Phone: 901-761-9494; Fax:

## Southaven, Mississippi

The campus is located at 7900 Airways Boulevard, Suite 103, Southaven, MS 38671; Phone: 662-429-9909; Fax: 662-253-0344; [www.concorde.edu](http://www.concorde.edu). Class sessions are held at this location, with the exception of clinical/externship activities.

## Our Mission Statement

Concorde prepares committed students for successful employment in a rewarding healthcare profession through high-caliber training, real-world experience, and student-centered support.

## Our Vision Statement

Concorde prepares committed students for successful employment in a rewarding healthcare profession through high-caliber training, real-world experience, and student-centered support.

This is Our Mission, our North Star, a guiding light that defines and illuminates the course to our future and for potential students, the path to a successful healthcare career. It defines our handshake with students and establishes the primacy of that covenant. We acknowledge their commitment, the financial and personal sacrifices they make to attend Concorde. We dedicate ourselves to making their sacrifices manageable, and we commit to truly preparing them for success in a gainful healthcare profession.

Our students have set very immediate goals for starting careers. The practical hands-on learning needed to attain their goals is foremost in their minds. We satisfy their expectations by modeling our faculty, facilities, equipment, and curriculum after the healthcare field they will enter.

We know that the ultimate judge of their preparation will be their future employers. Employers expect our students to have more than just knowledge and technical skills. They are looking for integrity, discipline, team play, and the drive that defines professionals, and we accept responsibility for modeling and instilling those values. We partner with employers to ensure our programs reflect real work expectations and settings through program advisory boards, externships, and clinical rotations. Once

students have completed their training, we again call on our network of employer relationships to support students in securing a job in their chosen profession.

Throughout our students' preparation, we endeavor to meet the highest practicable standards, and our faculty, equipment, and facilities reflect that commitment. We strive for superior outcomes in student satisfaction, program completion and, most importantly, career placement.

Concorde prepares committed students for successful employment in a rewarding healthcare profession through high-caliber training, real-world experience, and student-centered support.

We are Concorde Career College and this is our Mission and Vision.

## Values

The five core values at Concorde are:

- Integrity
- Respect for the Individual
- Customer Service
- Teamwork
- Achievement

National Accrediting Agency for Clinical Laboratory Sciences (NAACLS): 5600 N. River Rd., Suite 720, Rosemont, IL 60018; 773-714-8880; [www.naacls.org](http://www.naacls.org).

### Nursing Practice (Associate of Applied Science) Program

The Nursing Practice Program has been granted Initial Approval by the Tennessee Board of Nursing, Tennessee Board of Nursing, Tennessee Department of Health, Bureau of Health Licensure and Regulation, Division of Health Related Boards; 665 Mainstream Drive, Nashville, TN 37243. [www.tennessee.gov/health](http://www.tennessee.gov/health).

### Occupational Therapy Assistant (Associate of Applied Science) Program

The Occupational Therapy Assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA). The Accreditation Council for Occupational Therapy Education (ACOTE): 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929; ACOTE c/o AOTA: 301-652-AOTA; [www.acoteonline.org](http://www.acoteonline.org); email: [accred@aota.org](mailto:accred@aota.org).

### Pharmacy Technician (Diploma) Program

The Pharmacy Technician program is accredited by the American Society of Health-System Pharmacists (ASHP). American Society of Health-System Pharmacists (ASHP): 4500 East-West Highway, Suite 900, Bethesda, MD 20814; 866-279-0681.

### Physical Therapist Assistant (Associate of Applied Science) Program

The Physical Therapy Assistant program at Concorde Career College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave., Ste 100, Alexandria, VA 22305; telephone: 703-706-3245; email: [accreditation@apta.org](mailto:accreditation@apta.org); website:

<http://www.capteonline.org>. If needing to contact the program/institution directly, please call Dr. Kimberly Novak at 901-761-3293 or email [KNovak@Concorde.edu](mailto:KNovak@Concorde.edu).

#### Polysomnographic Technology (Diploma) Program

The Polysomnographic Technology program has been awarded initial accreditation by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 9355 113<sup>th</sup> Street N., #7709, Seminole, FL 33775-7709; 727-210-2350; [www.caahep.org](http://www.caahep.org), as recommended by the Committee on Accreditation for Polysomnographic Technologist Education (CoA PSG), 1711 Frank Avenue, New Bern, NC 28560; 252-626-3238; [www.coapsg.org](http://www.coapsg.org).

#### Radiologic Technology (Associate of Applied Science) Program

The Radiologic Technology (Associate of Applied Science) program is accredited for 8 years by the Joint Review Committee on Education in Radiologic Technology (JRCERT), 20 North Wacker Drive, Suite 2850, Chicago, IL 60606-3182; 312-704-5300 or [mail@jrcert.org](mailto:mail@jrcert.org); <http://www.jrcert.org>.

#### Respiratory Therapy (Associate of Applied Science) Program

The Respiratory Therapy program (#200469) is accredited by the Commission on Accreditation for Respiratory Care; [www.coarc.com](http://www.coarc.com).

### Southaven, Mississippi

#### Massage Therapy (Diploma) Program

The Massage Therapy (Diploma) program (1311) has conditional approval by the Mississippi State Board of Massage Therapy: P.O. Box 20, Morton, MS 39117; 601-732-6038; <https://www.msmbmt.state.ms.us/msbmt/web.nsf> The Massage Therapy program is also approved by the Massage Therapy Board, State of Tennessee Health Related Boards: 665 Mainstream Drive, 2nd Floor, Nashville, TN 37243; 615-253-2111; 1-800-778-4123; <https://www.tn.gov/health/health-program-areas/health-professional-boards/ml-board/ml-board/educational-programs.html>

## Campus Facilities

### Memphis, Tennessee

The campus occupies approximately 68,322 square feet of space on the first floor of Clark Tower. The campus contains classrooms, laboratories,

administrative offices, a staff and faculty lounge, a resource center for students, reception area, restroom facilities, and a student lounge.

### Southaven, Mississippi

The campus occupies approximately 10,000 square feet of space. The campus contains classrooms, laboratories, administrative offices, a staff and faculty lounge, a resource center for students, reception area, restroom facilities, and a student lounge.

## General Facilities

Among the various classrooms, laboratories, and other facilities provided for students are (varies by campus/program):

- A dental laboratory equipped with dental operatories, dental x-ray units, amalgamator, light curing unit, and teaching and x-ray mannequins;
- Medical laboratories equipped with examining tables, privacy screens, and microscope benches;
- A nursing skills laboratory, including hospital beds, bed trays, and IV stands;
- A medical laboratory technician lab is fully equipped with analyzers, including: chemistry, hematology, coagulation, urinalysis/body fluids, immunohematology (blood banking), microbiology, and immunology/serology analyzers. Also, the program will utilize autoclaves, centrifuge, and other various, necessary laboratory equipment;
- An occupational therapy laboratory space that replicates an apartment setting in order to have students practice various life skill functions;
- A physical therapist assistant laboratory equipped with the tools necessary for students to learn proper treatment techniques for patients with a variety of diagnoses;
- A radiography lab equipped with a diagnostic radiography unit and table;
- A respiratory laboratory equipped with therapeutic equipment;
- Surgical technology labs with a simulated operating room and scrub area;
- A Learning Resource Center (LRC) that is open to all students from 8:00 a.m. to 9:30 p.m. Audiovisual equipment, Internet-accessible computers, and a collection of resource materials are available. The center is designed to accommodate 16 users and is furnished with tables and chairs for maximum comfort. Students and staff members may obtain membership applications for other Memphis-area libraries in the resource center.

Students will be held responsible and accountable for books and other items belonging to Concorde Career Colleges, Inc., and the LRC. Once a book, or other item, is borrowed from the LRC by a student, it becomes the responsibility of the receiver (student) to maintain the integrity/condition of the book and return the item within three business days (excluding Saturdays, Sundays, and holidays). Students who have checked out a book from the LRC will have three business days to use the item in its educational capacity. If the book is needed for longer than the three-day checkout, it may be rechecked at the discretion of the LRC Coordinator. If the book is then not returned within the three-day period, a charge of \$.50 per day will be assessed. If the student loses the book, the student will be responsible for paying the original list price for the lost book. If the student damages the book, the student can be charged a minimum of \$10, up to full, original list price, depending on the damage and ability to reuse the book. Students are placed on Records Hold until all LRC materials are either returned or the replacement cost of any damaged or lost materials is paid.

- A nonsmoking student lounge, which includes vending machines and microwaves, is available for student use.

## Equipment (Varies by Campus)

Equipment and instruments are available to instruct students in the skills they will need in their chosen careers. Concorde students acquire knowledge and technical skills through demonstrations, actual operation of equipment, and the practice of techniques. Among the major items of equipment available to Concorde students are the following (by program):

### Cardiovascular Sonography (Associate of Applied Science) Program

Equipment includes hospital beds, various ultrasound scanning systems, ultrasound transducers (abdominal, vascular, cardiac), ABI scanning equipment, simulation training computers, medical record software, medical ultrasound printer and scanning simulation mannequins.

### Dental Assisting (Diploma and Associate of Applied Science) Programs

Students have access to a completely equipped, fully functional dental operator with digital and

dental x-ray units, complete darkroom facilities, amalgamators, and teaching and x-ray mannequins. Labs are equipped with lathes, model trimmers, bench grinders, vibrators, and miscellaneous teaching aids.

### Dental Hygiene (Associate of Applied Science) Program

Students enrolled in the Dental Hygiene program have access to a completely equipped and functioning dental clinic. Included in the clinical facility are four radiography units, a panoramic x-ray unit, and 12 fully equipped operatories. Students learn various technical skills in the lab before treating a patient. Some special equipment included are lathes, model trimmers, intraoral cameras, both digital and traditional x-rays, autoclaves, and automatic processors. Mannequins are used for instrument skill and instruction. Personal computers with appropriate software are also used for the benefit of the student.

### Diagnostic Medical Sonography (Associate of Applied Science) Program

Equipment includes hospital beds, various ultrasound scanning systems, various transducers (abdominal, vascular, endovaginal), simulation training computers, coding and medical record software, medical ultrasound printer and picture archiving and communication system, and scanning simulation mannequins.

### EKG Technician (Diploma) Program

Equipment includes electrocardiograph machines, exam tables, electrocardiograph electrodes and other EKG related supplies.

### Health Information Management (Associate of Applied Science) Program

Students have access to computer labs with Microsoft Office and VLAB Software installed and other miscellaneous teaching aids.

### Massage Therapy (Diploma) Program

Students have access to massage tables, portable massage tables, massage chairs, drapings composed of fitted and flat sheets, various foam pads, massage lotions and creams, various videos, and other teaching materials.

## Medical Assistant (Diploma) and Medical Assisting (Associate of Applied Science) Programs

These programs provides stethoscopes, sphygmomanometers, examination and treatment tables, autoclaves, otoscopes, ophthalmoscopes, electrocardiograph machines, microscopes, centrifuges, phlebotomy chairs, teaching mannequins, and miscellaneous teaching aids.

## Medical Laboratory Technician (Associate of Applied Science) Program

The Medical Laboratory Technician program lab is fully equipped with analyzers, including: chemistry, hematology, coagulation, urinalysis/ body fluids, immunohematology (blood banking), microbiology, and immunology/serology analyzers. Also, the program will utilize autoclaves, centrifuge, and other various, necessary laboratory equipment.

## Medical Office Professional (Diploma and Associate of Applied Science) Programs

This program utilizes personal computers, printers, electronic calculators, miscellaneous software, headphones, and miscellaneous teaching aids.

## Neurodiagnostic Technology Program (Associate of Applied Science)

This laboratory is equipped with digital electroencephalographic machines, nerve conduction and electromyography machines, evoked potential machines, continuous positive airway pressure machines with humidifiers and masks, pulse oximetry, oxygen devices (cannulas and masks), various types of recording electrodes and application tools, air pump, video and auditory monitoring equipment, plus a library complete with neurodiagnostic- and polysomnographic-related medical journals, texts, and audiovisual equipment.

## Nursing Practice (Associate of Applied Science) Programs

Catheters, nasogastric tubes, needles, syringes, suction machine, wheelchairs, stethoscopes, sphygmomanometers, electronic thermometers, ophthalmoscope, otoscope, simulated patient units, hospital beds, teaching mannequins and models, drug cart, hoier lift, gurney, EKG machine, walkers,

canes, glucometers, feeding pump, bedside commode, Noelle Maternal Birthing simulated mannequin, and other miscellaneous equipment.

## Occupational Therapy Assistant (Associate of Applied Science) Program

Assessment and treatment devices covering the lifespan of a Certified Occupational Therapy Assistant's (COTA's) clientele are found in the Occupational Therapy Assistant lab, featuring a furnished apartment for training activities of daily living (ADL). The equipment used involves fine motor, gross motor, and perceptual motor activities for assessment and training purposes. Additional equipment includes mobility, adaptive/assistive devices, splinting materials, and positioning tools. An industrial work station, as well as therapeutic strengthening and exercise equipment, are available in the lab for additional training.

## Pharmacy Technician (Diploma and Associate of Applied Science) Programs

Students have access to completely equipped, functional laboratories that include three flow hoods and two chemo-hoods. There is a gowning area where students may scrub and dress in appropriate attire. The retail laboratory is stocked with a supply of over-the-counter medications. Computer software for dispensing medications is available, and there is a separate computer laboratory in which students learn pharmacy-specific computer skills.

## Phlebotomy Technician (Diploma) Program

Equipment includes blood drawing chairs, microhematacrit machines, Centrifuge, Vacutainer Tubes, Needles and Holders, capillary tubes and other blood drawing supplies.

## Physical Therapist Assistant (Associate of Applied Science) Program

Equipment includes treatment tables, electromagnetic and electrical stimulation devices, biofeedback units, ultrasound, traction, thermal modalities and adaptive equipment. Therapeutic exercise equipment includes a treadmill, parallel bars, exercise balls, free weights, balance boards, and other devices that promote fine and gross motor skills. Assistive devices include wheelchairs, walkers, crutches, canes, and orthotics/braces. Assessment

equipment includes stethoscopes, goniometers, postural screening boards, pulse oximeters, spirometers, and other teaching aids.

### Polysomnographic Technology (Diploma) Program

A comprehensive laboratory equipped with digital electroencephalographic machines, continuous positive airway pressure machines with humidifiers and masks, pulse oximetry, oxygen devices (cannulas and masks), various types of recording electrodes and application tools, air pump, video and auditory monitoring equipment, plus a library complete with neurodiagnostic and polysomnographic-related medical journals, texts, and audiovisual equipment.

### Radiologic Technology (Associate of Applied Science) Program

The Radiologic Technology program equipment includes a Digital (DR) diagnostic x-ray unit, image receptors, image plate holders, full body phantom, quality control test equipment, and non-energized C-arm and mobile x-ray units, positioning sponges, wall-mounted chest board with grid, and protective lead aprons.

### Respiratory Therapy (Associate of Applied Science) Program

This program has a comprehensive laboratory equipped with oxygen devices, aerosol/humidity

devices, lung expansion devices (intermittent positive pressure breathing machines, incentive spirometers, continuous positive airway pressure machines), mechanical ventilators (respirators), airway maintenance devices (suction machines, intubation tools, artificial airways), and ancillary equipment (arterial blood gas equipment, oximetry, capnography, pulmonary function equipment, mannequins), plus a library complete with respiratory and respiratory-related medical journals, texts, and audiovisual equipment.

### Surgical Technology (Associate of Applied Science)

This program has a lab equipped with an operating room bed, back tables, mayo stands, prep table, steam autoclave, overhead operating surgery light, anesthesia machine, disposable medical, and surgical supplies, kick buckets, scrub sinks, supply storage cabinets, and other miscellaneous teaching aids.

### Audiovisual Aids

Concorde's programs are supported with reference books, charts, field trips, demonstrations, and other teaching aids. Speakers from business and industry are used when possible to supplement classroom instruction.

# Admissions

---

## Entrance Requirements

Prospective students are encouraged to review this catalog prior to signing an Enrollment Agreement.

The school reserves the right to reject applicants and/or rescind eligibility for an applicant to begin classes if all general and selective admissions requirements are not successfully completed within the required timeframe.

Admission to any one program does not automatically qualify a student for admission into any other program. If a student wishes to apply to another program in the future, the individual must independently meet all the admissions requirements in place for that program at the time of the future enrollment. The student will also be subject to all selection procedures in place for admittance into the other program. Admittance into the other program is not guaranteed.

## General Admissions Requirements

Effective: 07/09/2021

The following items must be successfully completed prior to enrollment and prior to being eligible to sit in class:

- Personal interview and campus tour
- Completion of all admissions documentation, including but not limited to the Enrollment Agreement and disclosures
- Completion and passage of applicable entrance assessments
- Completion of Online Readiness Assessment (A passing score on the Wonderlic does not preclude the requirement for the applicant to complete the ORA. The ORA is used for assessing the applicant's readiness for online coursework and to identify any obstacles where he or she may need extra support or guidance).
- Acceptable proof of graduation from an institution providing secondary education or the equivalent of such graduation. A valid institution is one that is recognized as a provider of education by the U.S. Department of Education.<sup>(1)</sup>

<sup>(1)</sup> Acceptable documentation of high school graduation must be received by the Institution no later than 7 calendar days after the scheduled start date. It is the student's responsibility to provide acceptable documentation of high school graduation

or its equivalency, as well as any additional documentation that may be needed to support the validity of the documentation. Any student who does not provide valid documentation of high school graduation or its equivalent within this timeframe will be unregistered from all classes and his or her program of study.

Prospective students may be conditionally accepted contingent upon satisfaction of all admissions requirements and receipt of supporting documentation no later than the first scheduled day of class.

Admission to Concorde is open to all applicants who will be 18 years of age at the time the clinical/externship portion of their program begins (as applicable). A parent, legal guardian, or spouse of legal age must co-sign the Enrollment Agreement for applicants under 18.

A health certificate, immunization records, and the results of certain tests may be required for some programs.

Applicants must be able to read, speak, and write in English.

All applicants must be citizens, permanent residents, or eligible noncitizens of the United States. Documentation of eligibility status may be required.

Please refer to the "Financial Information" section of this catalog for information on additional requirements applicable to tuition financing.

## Social Security Number

Applicants for admission must possess a valid social security number. Documentation must be provided upon request. A valid social security number is required to be registered and/or certified by appropriate boards. Other documents may be required by some licensing agencies.

## Foreign Students

Applicants indicating that they graduated from a foreign high school and have the equivalent of a U.S. secondary education must present original credentials (diploma, transcript, etc.). In addition, documentation from foreign countries must be translated and certified to be at least the equivalent of a U.S. high school diploma.

## Foreign Transcripts

Coursework taken at a foreign institution (excluding secondary school documents that are in English and are recognized by the U.S. Department of Education)

must be evaluated for equivalence to coursework taken at a United States institution. Concorde only accepts for consideration the evaluations of foreign coursework conducted by agencies approved by the National Association of Credential Evaluation Services (NACES) or Association of International Credential Evaluators, Inc. (AICE), which charge applicants directly for these services. Listings of approved agencies can be found at:

- [www.naces.org](http://www.naces.org)
- [www.aice-eval.org](http://www.aice-eval.org)

## Document Integrity

Any forged/altered academic document, foreign or domestic, submitted by a prospective student will be retained as property of the Institution and will not be returned to the prospective student. The student will not be considered for admission.

If a student is currently attending, and the Institution becomes aware of a forged credential, the following applies:

- If the forged document was used to admit the student, and the absence of that credential would make the student inadmissible, the student will be dismissed from the Institution with no earned credits awarded; or
- If the forged document was used to gain transfer credit, the student will be dismissed from the Institution and any transfer credit already awarded from the forged credential will be removed.

## Personal Interview

The school requires a personal, on-campus interview with each applicant prior to acceptance into any program. The school encourages parents or spouses to attend the interview. This gives applicants and their families the opportunity to see the campus's equipment and facilities and to ask specific questions relating to the school, the curriculum, and the career training being considered. The personal interview also gives the school the opportunity to meet prospective students and evaluate their qualifications and aptitude. Certain programs may also require an interview with the program director prior to enrollment.

## Acceptance by the School

For Dental Assisting, Massage Therapy, Medical Assistant, Medical Office Professional and Pharmacy Technician programs, available seats are filled on a first-come-first-served basis once all entrance requirements have been fulfilled.

For all other programs, once all entrance requirements have been completed, the applicant will be placed on a waitlist.

## Student Orientation

Prior to beginning classes, all new students attend an orientation program. Orientation facilitates a successful transition into Concorde; therefore, attendance for new students is imperative regardless of prior college experience. At orientation, students are acquainted with the campus, administrative staff, faculty and their peers. Administrative departments explain ways in which they assist students and clarify students' rights and responsibilities. In the event a student is unable to attend orientation, Student Affairs will meet with the student during the first week of class to ensure all relevant information is reviewed with him/her.

## Waitlists

Concorde limits the number of students who are accepted for admission to its programs to maintain optimum faculty to student ratios and ensure appropriate clinical opportunity for all students. Once all applicants are processed, those placed on the waitlist will be ranked using a rubric. The rubric is a points-based assessment, with points awarded based on applicant success in the following components: Online Readiness Assessment, Clinical entrance assessment, interview with department personnel, and financial readiness.

## Alternates

Depending on circumstances, students may be conditionally accepted into certain programs as an Alternate Student. Alternates are chosen based on the rank order of the waitlist. Waitlist applicants selected as an alternate must attend orientation and all classes scheduled in the first seven calendar days. Alternates are subject to the requirements of the school catalog, including attendance, behavior, dress code, and classroom assignments.

Should space become available within the seven days, alternates have the opportunity to be accepted as regular students. If not formally accepted as regular students during the seven days, alternates will not be able to attend further classes. If not accepted as regular students, alternates will not incur any tuition charges. Alternates may be charged for books and equipment not returned in accordance with the requirements of the school catalog and the Enrollment Agreement. Alternates not accepted as regular students have the option of transferring their enrollment to a future start date or canceling it.

## Retesting for Waitlist Students

Prospective students who are placed on a waitlist for any program may retest for a higher score at their own expense. Contact the Director of Admissions for further information.

## Entrance Assessment Requirements

Effective: 02/23/2021

Prospective students applying for admission who are high school graduates or hold a GED must meet the minimum assessment scores as follows:

	Wonderlic SLE	HESI A <sup>2</sup>
Cardiovascular Sonography (Associate of Applied Science)	21	75
Dental Assisting (Diploma)	10	N/A
Dental Assisting (Associate of Applied Science)	17	65
Dental Hygiene (Associate of Applied Science)	20	70
Diagnostic Medical Sonography (Associate of Applied Science)	21	75
EKG Technician (Diploma)	10	N/A
Health Information Management (Associate of Applied Science)	15	60
Massage Therapy (Diploma)	12	N/A

Medical Assistant (Diploma)	10	N/A
Medical Assisting (Associate of Applied Science)	17	65
Medical Laboratory Technician (Associate of Applied Science)	15	65
Medical Office Professional (Diploma)	8	N/A
Medical Office Professional (Associate of Applied Science)	17	65
Neurodiagnostic Technology* (Associate of Applied Science)	16	65
Nursing Practice (Associate of Applied Science)	22	80
Occupational Therapy Assistant (Associate of Applied Science)	18	70
Pharmacy Technician (Diploma)	14	N/A
Pharmacy Technician (Associate of Applied Science)	17	65
Phlebotomy Technician (Diploma)	10	N/A
Physical Therapist	18	70

Assistant (Associate of Applied Science)		
Polysomnographic Technology (Diploma)	16	N/A
Radiologic Technology (Associate of Applied Science)	19	70
Respiratory Therapy (Associate of Applied Science)	17	70
Sterile Processing Technician (Diploma)	10	N/A
Surgical Technology (Associate of Applied Science)	17	65

*\*Graduates of the Polysomnographic Technology program are exempt from the HESI assessment when enrolling in the Neurodiagnostic Technology program.*

Applicants for all programs may attempt the Wonderlic a total of three times and, when required, the Health Education Systems, Inc. (HESI) A<sup>2</sup> entrance assessment a total of two times. If the minimum score is not met, the applicant must wait six (6) months before retesting.

All previously completed HESI assessments from Concorde or another institution will be accepted at Concorde's approved acceptable minimum scores if completed within two years of enrollment. In addition, assessments from other institutions must not have been taken within 30 days of enrollment.

The Wonderlic SLE requirement may be waived upon receipt of documentation of any of the following:

- SAT score of 1000 or above achieved within five years of the date of application to Concorde.
- ACT score of 19 or above achieved within five years of the date of application to Concorde.

- All applicants, including reentry students and former graduates, are exempt from Wonderlic SLE testing if they can provide official proof of earning an Associate's or higher degree that was taught in the English language. Applicants will still be required to take the HESI if applicable.
- Official proof of successfully passing the Wonderlic SLE within the last two years at the current required score.

## Clinical Programs

Prospective clinical students will sit for the Wonderlic SLE. Prospective students applying for clinical programs that lead to board exams and/or licensure who meet the initial Wonderlic SLE acceptable minimum score will be required to take the HESI. Candidates for these programs must achieve the minimum composite score to move forward in the admissions process.

Those meeting the Wonderlic SLE minimum score requirement and HESI minimum score requirement will be placed on a waitlist, if applicable. The list will be sorted high to low based on the current waitlist criteria. Students will be selected from the waitlist and notified at least two weeks prior to the start of the program.

## Core Programs

Prospective students will be allowed to attempt the Wonderlic SLE three times in a six-month period for a total of three attempts. All students who meet the initial Wonderlic SLE acceptable minimum score will be eligible for enrollment. After two unsuccessful attempts on the Wonderlic SLE, the student may attempt a third time, but this may not be on the same day, in a six-month period. All students who subsequently meet the acceptable minimum score will be eligible for enrollment.

## Cardiovascular Sonography Program

Candidates must meet the minimum overall HESI A2 assessment score listed above. In addition, candidates must meet the minimum assessment score on each of the three individual sections of the assessment. The minimum assessment score for each section is 10 points lower than the required HESI A2 overall score listed above.

## Diagnostic Medical Sonography Program

Candidates must meet the minimum overall HESI A2 assessment score listed above. In addition, candidates must meet the minimum assessment score on each of the three individual sections of the

assessment. The minimum assessment score for each section is 10 points lower than the required HESI A2 overall score listed above.

## Nursing Practice Program

Candidates must meet the minimum overall HESI A<sup>2</sup> assessment score listed above. In addition, candidates must meet the minimum assessment score on each of the three individual sections of the assessment. The minimum assessment score for each section is 10 points lower than the required HESI A<sup>2</sup> overall score listed above.

## Program-Specific Selective Admissions Criteria

In addition to meeting the General Admissions Requirements, applicants to the following programs must also meet the following selective criteria.

### Cardiovascular Sonography (Associate of Applied Science)

The Cardiovascular Sonography program requires a program director interview and a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### Dental Assisting (Associate of Applied Science)

Students who have successfully completed the Dental Assisting diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Dental Assisting diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 35 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1114, CPSO1115, CPSO1116, DNTA1431, DNTA1433, DNTA1435, DNTA1437, DNTA1439, DNTA1441, DNTA1201 and DNTA1202 as outlined in the chart above. The remaining number of credits required to complete the program is 27. No student may enroll into the Dental Assisting Associate of Applied Science degree program without first completing a Dental Assisting diploma program or equivalent.

A graduate of a Concorde Dental Assisting diploma program is exempt from entrance requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

### Dental Hygiene (Associate of Applied Science)

The Dental Hygiene program requires a criminal background check and an interview with the Program Director for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

Seat selection for the Dental Hygiene program is typically determined 30 days prior to the program start date. A deposit of \$400 is due within seven (7) days of being offered a seat in the program. This deposit is required in order to hold your place in the program and is refundable if you should decide not to continue with your enrollment prior to your start date. The time period for seat selection varies by campus based on the number of applicants.

### Diagnostic Medical Sonography (Associate of Applied Science)

The Diagnostic Medical Sonography program requires a program director interview and a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### EKG Technician (Diploma)

To be admitted into this course, prospective students must certify that they understand the exam eligibility requirements of the national certification agencies they wish for which they may wish to test. No other entrance requirements or examinations are required.

### Health Information Management (Associate of Applied Science)

The Health Information Management program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### Massage Therapy (Diploma)

Massage Therapy applicants under the age of 18 may be admitted provided that they will be 18 years old by the scheduled start date. A parent, legal guardian, or spouse of legal age must co-sign the Enrollment Agreement.

The Massage Therapy program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

## Medical Assisting (Associate of Applied Science)

Students who have successfully completed the Medical Assistant diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Medical Assistant diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 35 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1114, CPSO1115, CPSO1116, MDCA1414, MDCA1424, MDCA1434, MDCA1444, MDCA1454, MDCA1464, MDCA1201 and MDCA1202 as outlined in the chart above. The remaining number of credits required to complete the program is 27. No student may enroll into the Medical Assistant Associate of Applied Science degree program without first completing a Medical Assistant diploma program or equivalent.

A graduate of a Concorde Medical Assistant diploma program is exempt from additional entrance requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

## Medical Laboratory Technician (Associate of Applied Science)

The Medical Laboratory Technician program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

## Medical Office Professional (Associate of Applied Science)

Students who have successfully completed the Medical Office Professional diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Medical Office Professional diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 35 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1114, CPSO1115, CPSO1116, POFM1413, POFM1423, POFM1433, POFM1443, POFM1453, POFM1463, POFM1201 and POFM1202 as outlined in the chart above. The remaining number of credits required to complete the program is 27. No student may enroll into the Medical Office Professional Associate of Applied Science degree program without first completing a Dental Assisting diploma program or equivalent.

A graduate of a Concorde Medical Office Professional diploma program is exempt from entrance

requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

## Neurodiagnostic Technology (Associate of Applied Science)

The Neurodiagnostic Technology program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

Students who have successfully completed the Polysomnographic Technology diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited Polysomnographic Technology diploma program will receive block transfer credit totaling 37.5 semester credits for BIOL1131, BIOL1301, ELEC1910, PSOM1217, PSOM1230, PSOM1311, PSOM1910, PSOM2316 and PSOM2317. The remaining number of credits required to complete the program is 46.5.

A graduate of a Concorde Polysomnographic Technology diploma program is exempt from additional entrance testing requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

## Nursing Practice (Associate of Applied Science)

The Nursing program requires a criminal background check and an interview with the Program Director for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

## Occupational Therapy Assistant (Associate of Applied Science)

The Occupational Therapy Assistant program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

## Pharmacy Technician (Diploma)

The Pharmacy Technician program requires a criminal background check and an interview with the Program Director for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into

consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

### **Pharmacy Technician (Associate of Applied Science)**

Students who have successfully completed the Pharmacy Technician diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Pharmacy Technician diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 27 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1115, PHAR1110, PHAR1120, PHAR1130, PHAR1140, PHAR1250, PHAR1260, PHAR1310, PHAR1320, PHAR130, and PHAR1340. The remaining number of credits required to complete the program is 33. No student may enroll into the Pharmacy Technician Associate of Applied Science degree program without first completing a Pharmacy Technician diploma program or equivalent.

A graduate of a Concorde Pharmacy Technician diploma program is exempt from entrance requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

### **Phlebotomy Technician (Diploma)**

To be admitted into this course, prospective students must certify that they understand the exam eligibility requirements of the national certification agencies they wish for which they may wish to test. No other entrance requirements or examinations are required.

### **Physical Therapist Assistant (Associate of Applied Science)**

The Physical Therapist Assistant program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### **Polysomnographic Technology (Diploma)**

The Polysomnographic Technology program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### **Radiologic Technology (Associate of Applied Science)**

The Radiologic Technology program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### **Respiratory Therapy (Associate of Applied Science)**

The Respiratory Therapy program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

### **Sterile Processing Technician (Diploma)**

To be admitted into this course, prospective students must certify that they understand the IAHCSSM exam eligibility requirements. No other entrance requirements or examinations are required.

### **Surgical Technology (Associate of Applied Science)**

The Surgical Technology program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

## **Readmission**

Effective: 06/19/2020

It is Concorde's policy to encourage previously withdrawn students to return to school to complete their education.

Students must meet all entrance requirements in place at the time of readmission. The reentry process requires review and approval of the student's financial status, financial aid eligibility (when applicable), completion of enrollment agreement, collection and review of official transcripts, as well as prior academic performance and any other documentation required by the program the student is reentering. Students may be required to demonstrate skill competency prior to readmission. Readmission is contingent upon space availability and requires final approval of the Campus President/Director. Returning students will be enrolled into the program curriculum in place at time of reentry; exceptions may apply for

students who are withdrawn in good standing. Students who are dismissed from the program are not eligible for readmission. Under certain conditions, students may be required to complete and pass a drug screening, at their own expense, prior to readmission as outlined in the Drug Screening section of this catalog.

## Criminal Background Check

It is Concorde's policy to ensure that enrolling students are aware of the potential effect and consequences of past criminal behaviors.

Externship/clinical sites, employers or state/national licensing agencies have requirements that could prevent a student from completing the program or finding employment in his/her chosen field. Consent to perform a criminal background check must be completed and received as part of the admissions process. Results will be evaluated immediately upon receipt, but no later than the add/drop period. Convictions, guilty pleas or nolo contendere pleas for certain drug-related, fraud-based, or other serious crimes will disqualify a prospective student from remaining actively enrolled: s/he will be unregistered from all courses and the Institution without incurring academic or financial penalty. A listing of the specific offenses that are considered can be obtained from the Institution.

If a potential applicant believes that the results of the background check are incorrect, the Institution will provide the student with the contact information to appeal the Institution's decision. However, the application process will not move forward until the appeal is complete, and the student may need to reapply for a future class if the appeal is accepted.

Many states, employers, and agencies impose restrictions on the employment, registration, licensure, or certification of workers with certain criminal convictions. Facilities and institutions that accept Concorde students for clinical rotation and/or externships, as well as potential employers, may require an additional criminal and/or personal background check and may reject a student based on criteria different from those applied to the student during the enrollment process.

Additionally, some agencies and employers may require candidates to submit to a drug screening test. Students with criminal records that include felonies or misdemeanors (including those that are drug-related) or personal background issues such as bankruptcy might not be accepted by these agencies for clinical assignments, externship or employment following completion of the program. Employment and externship decisions are outside the control of the Institution.

Concorde cannot guarantee clinical rotation and/or externship placements for individuals with criminal, drug-related, or personal background histories that preclude them from working in a professional setting.

Applicants who have questions regarding how these issues may affect their clinical/externship placement

or potential future employment should discuss this matter with a school official prior to beginning their program.

## Drug Screening

Effective: 06/19/2020

Externship and clinical facilities may require the school to follow drug-screening requirements including unannounced screening prior to working with patients. Concorde reserves the right to conduct random drug screening at any time throughout the program. Drug Screening results are confidential, and are evaluated on a pass/fail basis. Students failing the screening will immediately be withdrawn from the school. A student may request a retest at his or her own expense if s/he believes the screening resulted in a false positive. The rescreening must consist of an observed urine test within 24 hours at a facility directed by Concorde. If the retest is negative the student may remain in school. If the results of the retest are diluted, adulterated, and/or a substituted reading, it will be considered "flagged" and will be considered a failed test.

A student withdrawn for a failed drug screening has one opportunity to be eligible to apply for readmission into the school and program of study under the following conditions: Prior to readmission, a drug screening must be taken at the direction of the school and paid for by the student. If the drug screening is negative and the student meets all conditions of the Readmission section of this catalog then the student will be approved to re-enter into the school and program. If the drug screening is positive, the student will be prohibited from reentering the school and program at any time in the future. Any subsequent violation of the drug policy after readmission will result in immediate dismissal.

Students should be advised that Concorde is governed by federal law in matters regarding the possession and use of controlled or illegal substances. As referenced in the Drug & Alcohol Abuse Policy outlined in this catalog, the possession or use of amphetamines, cocaine, marijuana, opiates, and phencyclidine are illegal under federal law.

Additionally, clinical sites may require drug testing as a condition of participation. Concorde does not accommodate student requests to be exempt from placement at clinical/extern sites that require drug testing.

Pharmacy Technician students will be drug-screened during the admissions process. This information will be used to make appropriate decisions regarding acceptance to the program. Acceptable drug-screen

results must be received within the first five class days. A prospective student may have his or her enrollment cancelled based upon the results of the drug screen. Students who have their enrollments cancelled will not incur any tuition charges.

## Disclosure Concerning Arbitration and Class Action Waiver

Effective: 07/06/2020

As part of your enrollment at the school, you are being required to sign an arbitration agreement and class action waiver, which are defined as follows:

Arbitration, a form of alternative dispute resolution, is a way to resolve disputes outside the courts. The dispute will be decided by one or more persons (the 'arbitrators', 'arbiters' or 'arbitral tribunal'), which renders the 'arbitration award'. An arbitration award is legally binding on both sides and enforceable in the courts. A pre-dispute arbitration agreement requires a person to obtain relief through arbitration instead of seeking relief through litigation in the courts.

A class action waiver prevents an individual from bringing or participating in a class action. A class action, also known as a class action lawsuit, class suit, or representative action, is a type of lawsuit where one of the parties is a group of people who are represented collectively by a member of that group.

In addition, the school cannot require that the borrower participate in arbitration, nor in any internal dispute resolution process, prior to the borrower's filing of a defense to repayment claim with the U.S. Department of Education under 34 C.F.R. § 685.206(e); the school cannot in any way require that a student limit, waive, or relinquish their ability to pursue filing a borrower defense claim with the U.S. Department of Education under 34 C.F.R. § 685.206(e); and, if any arbitration is ultimately undertaken pursuant to a pre-dispute arbitration agreement, the period of that arbitration tolls the limitations period for filing a borrower defense to repayment application or claim with the U.S. Department of Education under 34 C.F.R. § 685.206(e)(6)(ii).

## Articulation Partnerships for Concorde – Tennessee and Mississippi

Concorde is proud to partner with a growing list of other institutions of higher education. Articulation partners allow students to continue pursuing their education by transferring credits earned at Concorde. Transfer of credit and program availability varies by each articulation partner.

Credits that transfer to an institution are done so on an individual course basis. Please contact the Academics or Student Affairs team for details.

### Articulation (Partnership) Agreements

- Chamberlain College of Nursing
- Colorado Technical University
- Denver School of Nursing
- Grand Canyon University
- Grantham University
- Independence University
- Minnesota State University-Mankato
- National American University
- Park University
- United States University
- University of Phoenix
- University of Memphis

## Veterans Administration Students

Students applying for veteran's benefits must report all previous education and training. The school will evaluate any previous postsecondary transcripts to determine appropriate credit. The veteran and Veterans Administration will be notified of any reduction in training time or tuition.

## Statement of Nondiscrimination

No person shall be excluded from participation, denied any benefits, or subjected to any form of discrimination based on race, sex, religion, color, national origin, age, disability, or any other factor protected by law.

# Programs of Study (Varies by Campus)

## Cardiovascular Sonography (Associate of Applied Science)

Associate of Applied Science

2,175 Contact Hours

89.0 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

### Program Overview

Cardiovascular sonographers use special imaging equipment that directs sound waves into a patient's body (in a procedure commonly known as an ultrasound, sonogram, or echocardiogram) to assess and diagnose various medical conditions.

The Cardiovascular Sonography curriculum integrates didactic and clinical instruction with increasing expectations at each level. Clinical sites utilized by the program are geographically dispersed. Students may have to travel outside of the local area for clinical placements.

### Program Objectives

To prepare competent entry-level cardiac sonographers in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains. Graduates of this program will develop skills to:

- Be clinically competent to perform appropriate procedures and record anatomic, pathologic, and/or physiologic data;
- Apply critical thinking and problem-solving skills to exercise discretion and judgment in performance of diagnostic sonography;
- Demonstrate appropriate communication skills; and
- Demonstrate professionalism and growth in the profession.

### Program Delivery

The Cardiovascular Sonography program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 2,175 program hours, a maximum of 785 course hours (36.1%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability specific time, regardless of their eligibility status upon enrollment.

# Dental Assisting (Diploma)

Diploma Program

800 Contact Hours

35.0 Semester Credits

32 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

Program offered at: Memphis, Tennessee

## Dental Assisting (Diploma) Mission Statement

The program prepares students with the theoretical knowledge and practical skills needed for success in an entry-level position. The program aims to guide students in developing proficiency, professionalism, empathy, and accurate technique while learning to interact professionally with dentists, coworkers, and patients.

## Learning Objectives / Instructional Outcomes

The Dental Assisting program learning objectives include achievement of theoretical knowledge and practical skills in management skills, appointment scheduling, laboratory procedures, maintenance of patient records, chairside assistance, instructing patients in proper oral hygiene, and assisting in the selection, placement and removal of rubber dam, sutures, and periodontal packs.

## Career Overview

The Dental Assistant makes an important contribution to the success of a dental practice as a valuable member of the dental healthcare team. The Dental Assistant's responsibilities may include preparing patients for procedures, assisting the dentist with instrument transfer during procedures, maintaining treatment planning records, exposing and processing dental x-rays, reviewing oral hygiene and postoperative care instructions with patients, performing laboratory work, and managing such essential functions as inventory control, infection control and OSHA compliance. The Dental Assistant may also be called on to assist in the business office with filing records, preparing insurance reports, maintaining records on the computer, and scheduling appointments.

**In order to graduate from the Dental Assisting (Diploma) program, students must successfully complete the following curriculum:**

## Dental Hygiene (Associate of Applied Science) Mission Statement

The program provides students with theoretical knowledge, technical skills, and professional attributes necessary to qualify for licensure as a Registered Dental Hygienist and entry-level employment as a Dental Hygienist. The program aims to guide students in developing professional commitment, community involvement, and continued research. Graduates will be eligible to sit for the National Board Dental Hygiene Examination.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives prepare students through an array of skill sets with learning objectives that include extra-oral and intraoral exams, periodontal and dental exams, patient history reviews, vital sign checks, and risk assessments. Program graduates will recognize, respect, and act with consideration for individual differences, values, preferences, and expressed needs.

## Career Overview

Dental Hygienists are licensed, professional oral clinicians and dental health educators who prevent and treat oral disease, promote and encourage preventive aspects of dental care, and assume responsibility for patient care in the dental office. They provide a variety of services to patients, including comprehensive examination of the oral cavity, radiographs, prophylaxis, fluoride treatments, patient education, and preventive services. They are required to pass written and clinical examinations before they apply for licensure to practice. Dental Hygienists are integral members of the dental team who use their dental, clinical, and social sciences to aid individuals in achieving optimum oral health. Besides working in a private dental practice, Dental Hygienists also work as educators, administrators, and researchers.

## Program Delivery

The Dental Hygiene program is delivered in a blended format. Some courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1810 program hours, a maximum of 779 course hours (43.0%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability.

**In order to graduate from the Dental Hygiene (Associate of Applied Science) program, students must successfully complete the following curriculum:**

Course #	Course Title	Theory Hours (Ground/Online)	Lab Hours (Ground/Online)	Clinical Hours (Ground/Online)	Semester Credit Hours

# Diagnostic Medical Sonography (Associate of Applied Science)

Associate of Applied Science

2,055 Contact Hours

84.0 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

## Program Overview

Diagnostic medical sonographers use special imaging equipment that directs sound waves into a patient's body (in a procedure commonly known as an ultrasound, sonogram, or echocardiogram) to assess and diagnose various medical conditions.

The Diagnostic Medical Sonography curriculum integrates didactic and clinical instruction with increasing expectations at each level. Clinical sites utilized by the program are geographically dispersed. Students may have to travel outside of the local area for clinical placements.

## Program Objectives

To prepare competent entry-level general sonographers in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.

Graduates of this program will develop skills to:

1. Be clinically competent to perform appropriate procedures and record anatomic, pathologic, and/or physiologic data;
2. Apply critical thinking and problem-solving skills to exercise discretion and judgment in performance of diagnostic sonography;
3. Demonstrate appropriate communication skills; and
4. Demonstrate professionalism and growth in the profession.

The program will continually monitor program effectiveness through assessment and evaluation to ensure that the needs of the community are met.

## Program Delivery

The Diagnostic Medical Sonography program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 2,055 program hours, a maximum of 740 course hours (36.0%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability specific time, regardless of their eligibility status upon enrollment.

# EKG Technician (Diploma)

Diploma Program

128 Contact Hours

7.0 Semester Credits

8 Instructional Weeks – Full Time

Average Time to Complete – 2 Months

Program offered at: Memphis, Tennessee

## Program Overview

EKG technicians use electrodes and other specialized electronic equipment to obtain heart readings known as electrocardiographs (EKGs). They are able to trace and record electrical impulses transmitted by the patient's heart. The recorded data is then reviewed by a physician to evaluate the condition of the patient's heart. The doctor's diagnosis of heart disease is based upon the interpretation of EKG tracings. EKG's are also performed before and after operations, during physicals, for patients with a history of heart disease, when patients are experiencing chest pains and other instances when a physician deems it necessary.

An EKG Technician adheres electrodes to the patient's chest, arms and legs. An EKG machine is used to trace and record electrical impulses transmitted by the patient's heart. After data is collected, the EKG Technician prints an EKG for evaluation by the physician. An EKG Technician with advanced training may also perform Holter monitoring or stress testing.

Graduates of this program may sit for the EKG Technician Certification (ETC) exam given through the American Medical Certification Association (AMCA) at no cost.

This program is not eligible for any Federal Financial Aid or VA programs.

# Health Information Management (Associate of Applied Science)

Associate of Applied Science

1,247 Contact Hours

71.0 Semester Credits

60 Instructional Weeks – Full Time

Average Time to Complete – 15 Months

Program offered at: Memphis, Tennessee

## Health Information Management (Associate of Applied Science) Mission Statement

The program provides students with theoretical knowledge, technical skills, and professional attributes necessary to obtain entry-level positions in Health Information Management. The program provides graduates knowledge and skills to be self-directed learners with critical thinking and problem-solving abilities, as well as proficiency in communication and interpersonal working relationships. The program prepares students to successfully complete the Registered Health Information Technical credentialing exam.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include achievement of theoretical knowledge and practical skills in Electronic Health Record concepts, privacy and security of health information, anatomy and physiology for ICD-10 coding, management coding practice, effective communication and leadership skills. Students will obtain the skills to prepare, analyze, manage, and preserve medical records needed by the patients, hospitals, and insurance companies.

## Career Overview

Health Information Technicians organize and manage health information data. Students with a degree in health information management may find entry-level employment as Health Data Analyst, Insurance Claims Analyst, Records Technician, Clinical Coding Specialist, and Patient Information Coordinator in hospitals, doctor offices, insurance companies, clinics, and other medical facilities.

**In order to graduate from the Health Information Management (Associate of Applied Science) program, students must successfully complete the following curriculum:**

# Massage Therapy (Diploma)

Diploma Program

862 Clock Hours

44 Instructional Weeks – Full Time

Average Time to Complete – 11 Months

Program offered at: Memphis, Tennessee and Southaven, Mississippi

## Massage Therapy (Diploma) Mission Statement:

The mission is to provide a supportive learning environment in which the student acquires theoretical knowledge, technical skills, and professional attributes necessary to obtain entry-level positions in the field of Massage Therapy.

## Learning Objectives / Instructional Outcomes

The Massage Therapy program prepares students through an array of courses in basic science and the anatomy and physiology of the human body, massage techniques and manipulations designed to enhance the physical health of patients. Learning outcomes include theoretical knowledge and practical skills in Swedish massage, acupressure, event-sports massage, reflexology, deep-tissue massage, and professional and business ethics and legal issues related to the practice of Massage Therapy.

Additionally, the program prepares graduates to sit for the Massage & Bodywork Licensing Examination (MBLEx). Registration and certification requirements for taking and passing these examinations are not controlled by Concorde, but by outside agencies, and are subject to change by the agency without notice. Therefore, Concorde cannot guarantee that graduates will be eligible to take these exams, at all or at any specific time, regardless of their eligibility status upon enrollment.

## Career Overview

Massage Therapists assess the needs of patients, develop individualized care plans, and conduct therapeutic massage to treat a patient's illness. Employment opportunities exist in a variety of settings including massage clinics, hospital rehabilitation departments, public practice, wellness centers, and chiropractic offices.

## Program Delivery

The Massage Therapy program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 750 program hours, a maximum of 250 course hours (33.3%) may be offered online.

**In order to graduate from the Massage Therapy (Diploma) program, students must successfully complete the following curriculum:**

# Medical Assistant (Diploma)

Diploma Program

720 Contact Hours

29.33 Semester Credits

30 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

Program offered at: Memphis, Tennessee and Southaven, Mississippi

## Medical Assistant (Diploma) Mission Statement

The mission is to provide a supportive learning environment in which the student acquires theoretical knowledge, technical skills, and professional attributes necessary to obtain entry-level positions in the field of Medical Assisting.

## Learning Objectives / Instructional Outcomes

At the conclusion of the program, students will be prepared with the knowledge and skills required in the areas of anatomy, physiology, pathology, the body systems, medical terminology, medical front office procedures, venipuncture, laboratory diagnostic procedures, EKG, and administration of parenteral medications to function successfully in an entry-level position as a Medical Assistant in a clinic or physician's office.

## Career Overview

Whether in a physician's office, a clinic, or hospital-owned physician network, the Medical Assistant performs many services on the physician's behalf. These may include admissions work, preparing the patient for examination or treatment, operating diagnostic equipment, and performing diagnostic procedures. The Medical Assistant is also responsible for the patient's medical records and insurance forms as well as for scheduling appointments and maintaining medical records for the physician.

# Medical Assisting (Associate of Applied Science)

Associate of Applied Science

1,205 Contact Hours

62.00 Semester Credits

30 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

Program offered at: Memphis, Tennessee and Southaven, Mississippi

## Medical Assisting (Associate of Applied Science) Mission Statement:

The purpose of the Medical Assisting degree program is to provide students the opportunity, along with their occupational skills, to develop essential basic skills for continued learning and career development through general education courses that include: mathematics; written, verbal and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal, and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in the areas of anatomy, physiology, pathology, the body systems, medical terminology, medical front office procedures, venipuncture, laboratory diagnostic procedures, EKG, and administration of parenteral medications to function successfully in an entry-level position as a Medical Assistant in a clinic or physician's office.

## Career Overview

Whether in a physician's office, a clinic, or hospital-owned physician network, the Medical Assistant performs many services on the physician's behalf. These may include admissions work, preparing the patient for examination or treatment, operating diagnostic equipment, and performing diagnostic procedures. The Medical Assistant is also responsible for the patient's medical records and insurance forms as well as for scheduling appointments and maintaining medical records for the physician.

**In order to graduate from the Medical Assisting (Associate of Applied Science) program, students must successfully complete the following curriculum:**

## Admission to the Program

Students who have successfully completed the Medical Assistant diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Medical Assistant diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 35 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1114, CPSO1115, CPSO1116, MDCA1414, MDCA1424, MDCA1434, MDCA1444, MDCA1454, MDCA1464, MDCA1201 and MDCA1202 as outlined in the chart above. The remaining number of credits required to complete the program is 27. No student may enroll into the Medical Assistant Associate of Applied Science degree program without first completing a Medical Assistant diploma program or equivalent.

A graduate of a Concorde Medical Assistant diploma program is exempt from additional entrance requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

# Medical Laboratory Technician (Associate of Applied Science)

Associate of Applied Science

1,975 Contact Hours

84.50 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

## Medical Laboratory Technician (Associate of Applied Science) Mission Statement

The program provides students with training in the classroom and laboratory, as well as real-world experiences that allows them to utilize fully-equipped, professional-grade laboratories. The MLT student will gain the knowledge and skills needed to accurately perform diagnostic testing in all major areas of the laboratory. The program prepares students to successfully complete national certification examinations offered by the American Society for Clinical Pathology (ASCP), American Medical Technologists (AMT), American Association of Bioanalysts (AAB) and state certification examinations (if applicable).

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal, and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in preparing blood, urine and biological samples for analysis; use of laboratory equipment to detect microorganisms; monitor tests and procedures; analyze chemical content of fluids; and have a working comprehension of the technical aspects of blood banking.

## Career Overview

Medical Laboratory Technicians (MLTs) are an important part of the healthcare team, performing routine clinical laboratory testing procedures to provide scientific information aiding in diagnosis, prognosis and therapeutic treatment of disease. Graduates will find employment in hospital, referral or public health laboratories. This field of study also prepares graduates for employment in research, government and municipal laboratories.

**In order to graduate from the Medical Laboratory Technician (Associate of Applied Science) program, students must successfully complete the following curriculum:**

# Medical Office Professional (Diploma)

Diploma Program

720 Contact Hours

29.33 Semester Credits

30 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

Program offered at: Memphis, Tennessee and Southaven, Mississippi

## Medical Office Professional (Diploma) Mission Statement

The program provides students the with sufficient theoretical knowledge and specialized skills for an entry-level administrative position in allied health. The program prepares students to take the American Academy of Professional Coders (AAPC) certification test.

## Learning Objectives / Instructional Outcomes

The program includes courses covering computer applications, medical terminology, and medical insurance basics. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in computer skills, medical terminology, medical office procedures, communication, psychosocial skills, office procedures, insurance, and ancillary coding procedures with continuous practice in the school labs.

## Career Overview

The Medical Office Professional has the skills necessary to handle most medical office business and financial operations, including accounts receivable and payable, billing and fee collection, payroll and taxes, records management, insurance claims processing, typing, and word processing. The Medical Office Professional brings a thorough understanding of medical and insurance terminology along with skills in interpersonal communications and public relations. Employment opportunities in this field are to be found in a broad range of settings, from physicians' and dentists' offices, to long-term-care facilities and hospitals, to medical insurance companies.

**In order to graduate from the Medical Office Professional (Diploma) program, students must successfully complete the following curriculum:**

## Program Delivery

Effective for all students starting on or after January 24, 2022, the Medical Office Professional program is delivered in a blended format with two options for enrollment.

Option 1: Lecture/lab and externship courses will be delivered with an appropriate blend of both online and on-ground hours in the same course. Of the 800 program hours, a maximum of 400 course hours (50.0%) may be offered online.

Option 2: Lecture/lab courses will be delivered entirely online; externship course will be delivered either entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 800 program hours, a maximum of 640 course hours (80.0%) may be offered online.

### Option 1

Course #	Course Title	Theory Hours (Ground/Online)	Lab Hours (Ground/Online)	Clinical Hours (Ground/Online)	Semester Credit Hours

# Medical Office Professional (Associate of Applied Science)

Assocaite of Applied Science

1205 Contact Hours

62.0 Semester Credits

30 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

Program offered at: Memphis, Tennessee

## Medical Office Professional (Associate of Applied Science) Mission Statement

The purpose of the Medical Office Professional degree program is to provide students the opportunity, along with their occupational skills, to develop essential basic skills for continued learning and career development through general education courses that include: mathematics; written, verbal, and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. The program prepares students to successfully complete the American Academy of Professional Coders (AAPC) certification test.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal, and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in computer skills, medical terminology, anatomy and physiology, medical office procedures, communication, psychosocial skills, office procedures, insurance, and ancillary coding procedures with continuous practice in the school labs.

## Career Overview

The Medical Office Professional has the skills necessary to handle most medical office business and financial operations, including accounts receivable and payable, billing and fee collection, payroll and taxes, records management, insurance claims processing, typing, and word processing. The Medical Office Professional brings a thorough understanding of medical and insurance terminology along with skills in interpersonal communications and public relations. Employment opportunities in this field are to be found in a broad range of settings, from physicians' and dentists' offices, to long-term-care facilities and hospitals, to medical insurance companies.

**In order to graduate from the Medical Office Professional (Associate of Applied Science) program, students must successfully complete the following curriculum:**

## Admission to the Program

Students who have successfully completed the Medical Office Professional diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Medical Office Professional diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 35 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1114, CPSO1115, CPSO1116, POFM1413, POFM1423, POFM1433, POFM1443, POFM1453, POFM1463, POFM1201 and POFM1202 as outlined in the chart above. The remaining

number of credits required to complete the program is 27. No student may enroll into the Medical Office Professional Associate of Applied Science degree program without first completing a Medical Office Professional diploma program or equivalent.

A graduate of a Concorde Medical Office Professional diploma program is exempt from additional entrance requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

# Neurodiagnostic Technology (Associate of Applied Science)

Associate of Applied Science

1,855 Contact Hours

84.0 Semester Credits

70 Instructional Weeks – Full Time

Average Time to Complete – 17 Months

Program offered at: Memphis, Tennessee

## Program Summary

This program is designed to provide graduates with the knowledge and practical skills needed for entry-level employment as a Neurodiagnostic or Polysomnography Technologist. The program combines classroom and laboratory studies with clinical training in healthcare facilities. Through a series of General Education courses, the student will also develop skills in communication, interpersonal relations, and critical thinking.

## Program Overview

Neurodiagnostic Technology (NDT) is the medical diagnostic field devoted to the recording and study of electrical activity in the brain and nervous system. Neurodiagnostic Technologists possess the knowledge, skills, and attributes to obtain interpretable recordings of patients' nervous system function. They work in collaboration with medical researchers, clinicians, physicians, and other health professionals.

The Neurodiagnostic Technologist may be involved in one or more of the following diagnostic procedures: electroencephalography (EEG), evoked potential (EP), long term monitoring (LTM), polysomnography (PSG), nerve conduction studies (NCS), and intraoperative neuromonitoring (IONM).

The Technologist takes the medical history; documents the clinical condition of patients; understands and employs the optimal use of EEG, EP, PSG, and NCS equipment; and applies adequate recording electrodes. Among other duties, the Neurodiagnostic Technologist also understands the interface between EEG, EP, PSG, and NCS equipment and other electrophysiological devices and procedures; recognizes and understands EEG/EP/NCS/sleep activity displayed; manages medical emergencies in the laboratory; and prepares a descriptive report of recorded activity for the interpreting physician. The responsibilities of the Technologist may also include laboratory management and the supervision of Neurodiagnostic Technologists. Considerable individual initiative, reasoning skill, and sound judgment are all expected of the Neurodiagnostic professional. Neurodiagnostic Technology personnel work primarily in neurology-related departments of hospitals, but many also work in clinics and the private offices of neurologists and neurosurgeons.

## Program Objectives

Upon successful completion of the Neurodiagnostic Technology program, graduates will work with patients from neonate to geriatric and will be able to perform:

Electroencephalograms (EEGs), which record the electrical activity of the brain.

Polysomnograms (PSGs), which monitor and evaluate brain, respiratory, and heart activity during sleep to help diagnose sleep disorders.

During clinical rotations, students in the Neurodiagnostic Technology program may also be exposed to advanced diagnostic procedures, such as:

- Evoked potentials (EPs), such as Brainstem Auditory Evoked Potentials (BAEP), Visual Evoked Potentials (VEP), and Somatosensory Evoked Potentials (SSEP), which record electrical activity from the brain, brainstem, and spinal cord to evaluate various nerve tracks.
- Nerve Conduction Velocities (NCV), which evaluate electrical activity from peripheral nerves.
- Long-Term Epilepsy Monitoring (LTEM, LTM, or EMU), which records electrical activity and monitors patients to help diagnose significant seizure disorders.
- Intraoperative Neurological Monitoring (IONM), which monitors electrical activity from the brain, spinal column nerves, and muscles during various surgical procedures.

Upon completion of the program, graduates will be eligible to take professional certification examinations offered by:

- American Board of Registered Electroneurodiagnostic Technologists, Inc. (ABRET)
- American Association of Electrodiagnostic Technologists (AAET)
- Board of Registered Polysomnography Technologists (BRPT)

Credentialing in these specialties may require additional individualized training after graduation.

Registration and certification requirements for taking and passing these examinations are not controlled by Concorde, but by outside agencies, and are subject to change by the agency without notice. Therefore, Concorde cannot guarantee that graduates will be eligible to take these exams, at all or at any specific time, regardless of their eligibility status upon enrollment.

## Program Delivery

The Neurodiagnostic Technology program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1,855 program hours, a maximum of 980 course hours (52.8%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability specific time, regardless of their eligibility status upon enrollment.

In order to graduate from the Neurodiagnostic Technology (Associate of Applied Science) program, students must successfully complete the following curriculum:

# Nursing Practice (Associate of Applied Science)

Associate of Applied Science

1,690 Contact Hours

77.00 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

## Program Overview

The Concorde Memphis Associate of Applied Science in Nursing Practice program prepares students for entry-level, Registered Nurse positions. Successful completion of the Nursing program leads to the award of an Associate of Applied Science in Nursing Practice degree and permits the graduate to apply to take the National Council Licensure Examination for Registered Nurses® (NCLEX-RN) and to the Tennessee State Board of Nursing for licensure.

## Program Mission

The mission of the Concorde Career College Associate of Applied Science in Nursing Practice program is to prepare compassionate nurses who demonstrate cultural competence, professionalism, integrity, and the provision of quality service to all humankind.

## Program Philosophy

The philosophy of Concorde Career College's nursing program is to prepare nurses to function safely and effectively in the generalist role. We strive to prepare culturally competent nurses while demonstrating professionalism, unwavering service, disseminating evidence-based nursing knowledge, and a rigorous curriculum with high regard to the quality and safety standards of nursing education. In congruence with Concorde Career College's general mission statement, the goal of the nursing program is to equip students for successful employment in the field of nursing through high caliber training with practical, real world experiences along with student centered support.

## Program Purpose

The purpose of the Concorde Memphis Associate of Applied Science in Nursing Practice program is to:

- Provide a learning environment that will lead to successful completion of program objectives
- Prepare a responsible and accountable professional nurse who uses critical thinking while providing competent, safe, client/patient care.
- Prepare the graduate to provide nursing care in a variety of settings.
- Prepare the graduate to value personal and professional growth as lifelong learners.
- Prepare the graduate to successfully pass the NCLEX-RN® examination on first attempt and become gainfully employed.

## Graduate Student Learning Outcomes

Upon completion of the program, it is intended that the students will:

- Provide safe, compassionate, culturally competent, patient-centered, quality care in a variety of settings for patients across the lifespan in response to their changing health needs.
- Examine the evidence that underlies clinical nursing practice to challenge the status quo, question underlying assumptions, and offer new insights to improve the quality of care for patients, families, and communities.

- Use the nursing process to make judgments in practice, substantiated with evidence, that integrate nursing science in the provision of safe, quality care and promote the health of patients within a family and community context.
- Demonstrate excellence using evidence-based practice in integrity, responsibility, professional identity, and ethical decision making in the role of the nurse while advocating for patients, families, colleagues, community, and self.
- Utilize information technology, professional standards, and professional communication to emerge as leaders in interprofessional collaboration in the provision of safe, quality, care for patients and families.

## Career Overview

As a vital member of the healthcare team, the Nurse combines nursing skills with human understanding to care for both chronically and acutely ill patients in a variety of settings. Nurses collaborate with members of the interprofessional healthcare team to provide safe, caring and compassionate nursing care to diverse patients across the lifespan. Nurses educate patients and the public about various health conditions and provide advice and emotional support to patients and their family members.

## Program Delivery

The Nursing Practice program is delivered in a blended format. Some courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1690 program hours, a maximum of 585.75 course hours (34.7%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability.

In order to graduate from the Nursing Practice (Associate of Applied Science) program, students must successfully complete the following curriculum:

# Occupational Therapy Assistant (Associate of Applied Science)

Associate of Applied Science

1,915 Contact Hours

81.50 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

## Occupational Therapy Assistant (Associate of Applied Science) Mission Statement

The program provides students theoretical knowledge, technical skills, and professional attributes that provide graduates with the expertise needed to practice as entry-level occupational therapy assistants in settings where occupational therapy is currently established and where it is emerging as a service. Occupational Therapy Assistant graduates from an educational program accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA) are eligible to sit for the National Board for Certification in Occupational Therapy (NBCOT) OTA Certification Examination.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal, and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include performing holistic therapeutic interventions to address the physical and mental rehabilitation of the whole person; completing selected components of data collection and assessment of the patients'/clients' daily occupations as well as their safety and response to the intervention; participating with the Occupational Therapist in providing physical and psychosocial support for patients'/clients and their families and caregivers with recognition of individual, cultural, and economic differences; and communicating, educating and interacting cooperatively with other healthcare providers.

## Career Overview

Occupational Therapy Assistants work with clients of all ages and diagnoses. They provide quality occupational therapy services to assigned individuals under the supervision of a registered Occupational Therapist and work in hospitals, clinics, schools, client homes, community settings, even prisons. Licensure is required within the state where the COTA will practice. In addition, most states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT (OTA) Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT (OTA) Certification Examination or to attain state licensure.

Accreditation Council for Occupational Therapy Education (ACOTE): 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929; ACOTE c/o AOTA: 301-652-AOTA; [www.acoteonline.org](http://www.acoteonline.org); email:[accred@aota.org](mailto:accred@aota.org)

## Program Delivery

The Occupational Therapy Assistant program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1,915 program hours, a maximum of 672.5 course hours (35.1%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability.

In order to graduate from the Occupational Therapy Assistant (Associate of Applied Science) program, students must successfully complete the following curriculum:

# Pharmacy Technician (Diploma)

Diploma Program

662 Contact Hours

27.0 Semester Credits

24 Instructional Weeks – Full Time

Average Time to Complete – 6 Months

Program offered at: Memphis, Tennessee

## Pharmacy Technician (Diploma) Mission Statement

The program provides students with the theoretical knowledge, hands-on practical skills, and professional attributes required to obtain entry-level positions as Pharmacy Technicians. The program prepares students to successfully complete the exam(s) necessary for certification as a pharmacy technician.

## Learning Objectives / Instructional Outcomes

The program includes courses covering mathematics and pharmacology. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in compounding and delivery of drug products and maintaining records.

## Career Overview

A properly trained Pharmacy Technician is a valuable asset in hospital, home health care, and retail environments. The Pharmacy Technician quite often assumes a central role in the compounding and delivery of drug products and in maintaining records. In addition, the Pharmacy Technician acts as an intermediary between the doctor and the pharmacist and between the pharmacist and the patient. Pharmacy Technicians play an important role in an area where accuracy and responsibility combined with compassion and empathy are of paramount importance.

**In order to graduate from the Pharmacy Technician (Diploma) program, students must successfully complete the following curriculum:**

Course #	Course Title	Theory Hours	Lab Hours	Externship Hours	Credit Hours
CPSO1111 *	Career Path Success A	15			1
CPSO1112 *	Career Path Success B	15			1
CPSO1113 *	Career Path Success C	15			1

# Pharmacy Technician (Associate of Applied Science)

Associate of Applied Science Program

1,157 Contact Hours

60 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

Program offered at: Memphis, Tennessee

## Pharmacy Technician (Associate of Applied Science) Mission Statement

The program provides students with the theoretical knowledge, hands-on practical skills, and professional attributes required to obtain entry-level positions as Pharmacy Technicians. The program prepares students to successfully complete the exam(s) necessary for certification as a pharmacy technician.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal, and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in compounding and delivery of drug products and maintaining records.

## Career Overview

A properly trained Pharmacy Technician is a valuable asset in hospital, home health care, and retail environments. The Pharmacy Technician quite often assumes a central role in the compounding and delivery of drug products and in maintaining records. In addition, the Pharmacy Technician acts as an intermediary between the doctor and the pharmacist and between the pharmacist and the patient. ## Admission to the Program

Students who have successfully completed the Pharmacy Technician diploma program from the same campus, or are transferring into the program with the equivalent approved content from another Pharmacy Technician diploma program from a regionally or nationally accredited post-secondary educational institution recognized by the United States Department of Education, will receive block transfer credit totaling 27 semester credits for CPSO1111, CPSO1112, CPSO1113, CPSO1115, PHAR1110, PHAR1120, PHAR1130, PHAR1140, PHAR1250, PHAR1260, PHAR1310, PHAR1320, PHAR1330, and PHAR1340 as outlined in the chart above. The remaining number of credits required to complete the program is 33. No student may enroll into the Pharmacy Technician Associate of Applied Science degree program without first completing a Pharmacy Technician diploma program or equivalent.

A graduate of a Concorde Pharmacy Technician diploma program is exempt from additional entrance requirements. For other applicants, all other entrance requirements as outlined in the Admissions section of this catalog also apply.

# Phlebotomy Technician (Diploma)

Diploma Program

128 Contact Hours

6.0 Semester Credits

8 Instructional Weeks – Full Time

Average Time to Complete – 2 Months

Program offered at: Memphis, Tennessee

## Program Overview

The Phlebotomy Technician program is designed to prepare students for entry level employment in a variety of settings, including hospitals, laboratories, blood centers, or other health care facilities. The primary function of the Phlebotomy Tech is to collect blood samples from patients via venipuncture or capillary puncture. The Phlebotomy Tech facilitates the collection and transportation of laboratory specimens and is often the patient's only contact with the medical lab. A Phlebotomy Technician also draws blood for transfusions, donations and research.

Duties performed by a Phlebotomy Tech differ according to the medical setting, but typical duties may include:

- Draw blood from patients or donors
- Assemble equipment (such as needles, blood collection devices, gauze, tourniquet, cotton, and alcohol)
- Verify or record identity of patient or donor
- Converse with patients to alleviate fear of procedure
- Apply tourniquet to arm, locate vein, swab area with disinfectant, and insert needle into vein to draw blood into collection tube
- Label and store blood container for processing
- Conduct interviews, take vital signs and test blood samples to screen donors at a blood bank
- Analyze information and make appropriate recommendations

Graduates of this program may sit for the Phlebotomy Technician Certification (PTC) exam given through the American Medical Certification Association (AMCA) at no cost.

This program is not eligible for any Federal Financial Aid or VA programs.

# Physical Therapist Assistant (Associate of Applied Science)

Associate of Applied Science Program

1,845 Contact Hours

78.00 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

## Physical Therapist Assistant (Associate of Applied Science) Mission Statement

The program provides students with diverse training in the classroom and laboratory as well as real-world experiences. Students will acquire the theoretical knowledge, technical skills, critical reasoning, and professional behaviors necessary to obtain entry-level positions as physical therapist assistants. The program prepares students to successfully complete the National Physical Therapist Assistant Examination (NPTAE).

### Learning Objectives / Instructional Outcomes

The program includes current practice and include real-world clinical experiences, preparing the graduate to perform selected interventions and data collection, as well as assess the patient's/client's safety and response to interventions. Program graduates will recognize, respect, and act with consideration for individual differences, values, preferences, and expressed needs. Additionally, PTA graduates will effectively communicate with other members of the healthcare delivery team, interact with members of the patient's/client's family and caregivers, and work cooperatively with other healthcare providers. In collaboration with the Physical Therapist, PTA graduates will participate in the education of other healthcare providers, patients/clients and their families or primary caregivers, as well as the community.

## Career Overview

Physical Therapist Assistants (PTA) provide physical therapy services under the direction and supervision of a licensed Physical Therapist. The PTA implements the Physical Therapist's plan of care, assessing patient status and modifying selected interventions to progress and protect the safety and comfort of the patient. The PTA helps people of all ages who have impairments that limit movement, function, work and recreational activities. The PTA works in a variety of settings, including hospitals, inpatient rehabilitation facilities, private practices, outpatient clinics, home health, skilled nursing facilities, schools, sports facilities, and more. The PTA provides a variety of physical therapy techniques as they carry out the Physical Therapist's plan of care for the patient, including therapeutic exercise, functional training, soft tissue mobilization, and physical modalities, such as electrotherapy and ultrasound. The PTA may also assist the Physical Therapist in injury prevention, fitness, and wellness-oriented programs for a healthier and a more active lifestyle. To work as a PTA, an individual must graduate from a PTA program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), must apply and be accepted as a licensed/certified PTA applicant, and must pass the National Physical Therapist Assistant Examination (NPTAE) and, if required by the state, the state jurisprudence examination. Other requirements vary from state to state, according to physical therapy practice acts or state regulations governing physical therapy.

## Program Delivery

The Physical Therapist Assistant program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1,845 program hours, a maximum of 470 course hours (25.5%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability.

In order to graduate from the Physical Therapist Assistant (Associate of Applied Science) program, students must successfully complete the following curriculum:

# Polysomnographic Technology (Diploma)

Diploma Program

855 Contact Hours

37.0 Semester Credits

30 Instructional Weeks – Full Time

Average Time to Complete – 8 Months

## Polysomnographic Technology (Diploma) Mission Statement

The program provides students with the theoretical knowledge, technical skills, and professional attributes required to obtain entry-level positions as Polysomnographic Technologists. The program prepares students to successfully complete the professional certification exam offered by the Board of Registered Polysomnographic Technologists (BRPT).

## Learning Objectives / Instructional Outcomes

The program includes courses covering anatomy and physiology, pharmacology, and theory of polysomnography. Learning objectives include achievement of sufficient theoretical knowledge and practical skills to perform Polysomnograms (PSGs), which monitor and evaluate brain, muscle, respiratory, and heart activity during sleep to help diagnose sleep disorders.

## Career Overview

Polysomnographic (PSG) Technologists perform sleep tests and work with physicians to provide information needed for the diagnosis of sleep disorders. The Technologist monitors brain waves, eye movements, muscle activity, multiple breathing variables, and blood oxygen levels during sleep using specialized recording equipment. The Technologist interprets the recording as it happens and responds appropriately to emergencies. Among other duties, the PSG Technologist also understands the interface between EEG and PSG equipment and other electrophysiological devices and procedures; recognizes and understands EEG sleep activity displayed; manages medical emergencies in the laboratory; and prepares a descriptive report of recorded activity for the interpreting physician. Additionally, the role of the PSG Technologist includes treatment of sleep-disordered breathing to include PAP therapy, oxygen therapy, and patient education. The responsibilities of the Technologist may also include laboratory management and the supervision of other Technologists.

## Program Delivery

The Polysomnographic Technology program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 855 program hours, a maximum of 395 course hours (46.2%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability specific time, regardless of their eligibility status upon enrollment.

**In order to graduate from the Polysomnographic Technology (Diploma) program, students must successfully complete the following curriculum:**

Course #	Course Title	Theory Hours (Ground/Online)	Lab Hours (Ground/Online)	Clinical Hours (Ground/Online)	Semester Credit Hours

*\*These courses may be offered entirely online or entirely on-ground at the campus.*

# Radiologic Technology (Associate of Applied Science)

Associate of Applied Science Program

2,642.5 Contact Hours

98.50 Semester Credits

80 Instructional Weeks – Full Time

Average Time to Complete – 20 Months

Program offered at: Memphis, Tennessee

## Radiologic Technology (Associate of Applied Science) Mission Statement

The program provides and maintains a supportive learning environment and curriculum that prepares students for entry-level, diagnostic radiographer positions. The program prepares students to successfully complete the American Registry of Radiologic Technologists (ARRT) Examination and, upon successful completion of this examination, become Registered Technologists in Radiography, RT(R).

## Learning Objectives / Instructional Outcomes

Goal 1: Students will competently perform entry-level radiologic procedures.

- Students will produce quality diagnostic images.
- Students will exercise proper radiation protection.
- Students will practice proper patient care.

Goal 2: Students will develop problem solving and critical thinking skills.

- Students will be able to modify standard procedures to accommodate patient conditions.
- Students will be able to adjust radiographic factors to produce optimal quality images.

Goal 3: Students will apply effective communication skills.

- Students will communicate effectively with patients.
- Students will exercise effective written communication skills.

Goal 4: Students will exhibit professional values.

- Students will display professionalism.
- Students will demonstrate understanding of ethical behavior.

## Career Overview

Radiologic Technologists perform diagnostic imaging examinations on patients. They prepare patients and provide patient education for procedures. Radiologic Technologists operate the equipment to take the images and work with physicians to evaluation and determine if additional images are needed. Some technicians may prepare and administer nonradioactive materials for diagnostic procedures or assist in other specialized areas of radiology.

## Program Delivery

The Radiologic Technology program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 2,642.5 program hours, a maximum of 608.5 course hours (23.0%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability specific time, regardless of their eligibility status upon enrollment.

In order to graduate from the Radiologic Technology (Associate of Applied Science) program, students must successfully complete the following curriculum:

Program offered at: Memphis, Tennessee

## Respiratory Therapy (Associate of Applied Science) Mission Statement

The program provides students with the demonstrated competencies in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains of respiratory care practice as performed by Registered Respiratory Therapists (RRTs). The program prepares students to sit for the Therapist Multiple-Choice Examination (TMC) of the National Board for Respiratory Care (NBRC). If the candidate meets the RRT score on the TMC, the graduate is eligible to sit for the Clinical Simulation Examination (CSE) of the NBRC.

## Learning Objectives / Instructional Outcomes

The program includes general education courses covering mathematics, written, verbal and nonverbal communications; interpersonal skills; critical thinking; the sciences; and the humanities. Learning objectives include achievement of sufficient theoretical knowledge and practical skills in initiation and conduction of therapeutic procedures, maintenance of patient records, equipment management, patient education, and specializations related to respiratory therapy.

## Career Overview

Respiratory Therapists assess, treat, and care for patients with breathing disorders. They assume primary responsibility for all respiratory care modalities, including the supervision of respiratory therapy technicians. Respiratory Therapists initiate and conduct therapeutic procedures; maintain patient records; and select, assemble, check, and operate equipment. They also may serve as asthma educators, patient educators, case managers, Hyperbaric Oxygen Specialists, Extra Corporeal Membrane Oxygenation Specialists and Sleep Specialists. Respiratory Therapists work in hospitals, clinics, skilled nursing facilities, home care, and diagnostic labs. The Respiratory Care Practitioner (RCP) deals with patients of all ages who may be gravely injured or ill. The RCP is among the first on the medical team called to provide treatment in cardiopulmonary emergencies. The RCP also cares for patients in all aspects of their treatment and recovery.

## Program Delivery

The Respiratory Therapy program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1,865 program hours, a maximum of 520 course hours (27.9%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability.

In order to graduate from the Respiratory Therapy (Associate of Applied Science) program, students must successfully complete the following curriculum:

Course #	Course Title	Theory Hours	Lab Hours	Clinical Hours	Semester Credit Hours
		(Ground/Online)	(Ground/Online)	(Ground/Online)	
MATH1320 *	College Algebra	45 ( 0 / 45 )	0	0	3

# Sterile Processing Technician (Diploma)

Diploma Program

264 Contact Hours

11.0 Semester Credits

12 Instructional Weeks – Full Time

Average Time to Complete – 3 Months

Program offered at: Memphis, Tennessee

Duties performed by a Sterile Processing or Central Services Technician may include: Sterile processing technicians are medical equipment preparers who are responsible for preventing the spread of disease by sterilizing and preparing medical equipment. These technicians may work in a variety of healthcare settings such as hospitals and surgery centers and go by many other job titles, such as central services technician, certified registered central service technician (CRCST), central sterile supply technician (CSST), or sterile preparation technician.

- Cleaning and sterilizing equipment
- Packaging and/or preparing equipment for use
- Operating medical equipment as needed
- Inspecting medical equipment for functionality and sterilization
- Maintaining inventory of medical equipment
- Ensuring medical procedure rooms are sterile
- Organizing medical equipment
- Transporting prepared equipment
- Recording test results for sterilization
- Using and maintaining autoclaves for sterilization

Upon successful completion, graduates will receive a certificate of completion and will have the knowledge to take the International Association of Healthcare Central Service Materiel Management (IAHCSSM) examination to become a Certified Registered Central Service Technician (CRCST).

## Certified Registered Central Service Technician (CRCST) Experiential Requirements

CRCST certification requires that an applicant pass the certification exam and complete 400 hours of hands-on experience in a Central Services (CS) department. These hours can be completed before testing or within 6 months of passing the exam. IAHCSSM recommends completing, or at least beginning, experiential hours before testing. Hands-on experience provides an invaluable resource with which to better understand the standards, knowledge, and practices needed to be successful in a CS department and on the CRCST Exam.

This program provides 128 hours towards the 400-hour requirement. Graduates are required to complete the remaining 272 hours on their own. Upon completion of the program, students will sit for the CRCST examination and, if successfully completed, will become provisionally certified. Once the graduate completes the remainder of the required 400 hours, they may submit verification of hours to IAHCSSM to receive full certification.

This program is not eligible for any Federal Financial Aid or VA programs.

# Surgical Technology (Associate of Applied Science)

Associate of Applied Science

1,655 Contact Hours

74.00 Semester Credits

70 Instructional Weeks – Full Time

Average Time to Complete – 17 Months

Program offered at: Memphis, Tennessee

## Program Mission

The mission of the Surgical Technology program is to prepare graduates with the basic knowledge and fundamental practical and professional skills needed for employment as entry-level generalists in the field. The program combines academic studies in the classroom, hands-on laboratory instruction, and clinical training in various surgical settings to prepare graduates who are eligible for employment in a variety of surgical settings.

## Clinical Case Requirements

Students must complete a total of 120 surgical procedures as delineated below. Students must complete a minimum of 30 cases in General Surgery, 20 of which must be in the first scrub role. The remaining 10 cases may be performed in either the first or second scrub role. Students must complete a minimum of 90 cases in various surgical specialties, excluding General Surgery, 60 which must be performed in the first scrub role. The additional 30 cases may be performed in either the first or second scrub role. A minimum of 60 surgical specialty cases must be performed in the first scrub role and distributed amongst a minimum of four surgical specialties. A minimum of 10 cases in the first scrub role must be completed in each of the required minimum of four surgical specialties (40 cases total required). The additional 20 cases in the first scrub role may be distributed amongst any one surgical specialty or multiple surgical specialties. The remaining 30 cases may be performed in either the first or second scrub role. Observations must be documented but are not counted. Diagnostic endoscopy cases and vaginal delivery cases are not mandatory. However, up to 10 diagnostic endoscopic cases and five vaginal delivery cases can be counted toward the maximum number of second scrub role cases. Vaginal delivery cases must be documented in the category of Labor and Delivery rather than in the OB/GYN specialty. These are requirements of the Revised "Surgical Rotation Case Requirements," Core Curriculum for Surgical Technology, 6th Ed.

All student activities associated with the curriculum, especially while students are completing clinical rotations, will be educational in nature. Students will not be substituted for hired staff personnel within the clinical institution, in the capacity of a surgical technologist.

## Program Outcome

To prepare competent, entry-level Surgical Technologists in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.

## Program Goals

### Cognitive Domain

The student will:

- Grasp concepts of human anatomy and physiology, pathophysiology, microbiology and infectious process and recognize his or her relationship to safe patient care;
- Understand the principles of safe patient care in the preoperative, intraoperative, and postoperative settings; and
- Recognize the interdependent role of the Surgical Technologist with the other team members and ancillary services providers.

## Psychomotor Domain

The student will:

- Develop and apply fundamental surgical assisting skills through practice and evaluation in the clinical setting;
- Accurately apply the principles of asepsis across the spectrum of common surgical experiences; and
- Employ the Standard Precautions and other recognized safe practice guidelines in every surgical setting.

## Affective Domain

The student will:

- Recognize the variety of patients' needs and the impact of his or her personal, physical, emotional and cultural experiences on the rendering of patient care;
- Demonstrate professional responsibility in performance, attitude, and personal conduct; and
- Practice within the confines of the recognized scope of practice within the healthcare community to provide optimal patient care.

## Description of the Profession

The Surgical Technologist is a highly skilled and knowledgeable allied health professional who, as an essential member of the surgical team, works with surgeons, anesthesia providers, operating room nurses, and other professionals in providing safe care to the surgical patient. Surgical Technologists possess expertise in assisting surgeons in the safe and effective conduct of both major and minor surgical procedures in several specialty services and in a variety of surgical settings.

Professional duties include aseptic technique, operating room environmental safety, equipment setup, instrumentation, preparing medications, and directly assisting in the three phases of surgical patient care: preoperative, intraoperative, and postoperative. The entry-level Surgical Technologist works in acute-care hospitals, outpatient surgery centers, surgical clinics, central sterile processing departments, birthing centers, and other healthcare settings throughout the United States.

## Program Objectives

The program is designed to prepare graduates with the basic knowledge and fundamental practical and professional skills needed for employment as entry-level generalists in the field. It combines academic studies, hands-on laboratory instruction and clinical training in various surgical settings to prepare graduates who are eligible to sit for the National Certifying Examination for Surgical Technologists as sponsored by the National Board of Surgical Technology and Surgical Assisting (NBSTSA). The program meets Standards and Guidelines for the Accreditation of Educational Programs in Surgical Technology as established by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) and as required by the Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC/STSA).

Registration and certification requirements for taking and passing this examination are not controlled by Concorde, but by outside agencies, and are subject to change by the agency without notice. Therefore, Concorde cannot guarantee that graduates will be eligible to take this exam, at all or at any specific time, regardless of their eligibility status upon enrollment.

## Classroom Size

Classrooms are limited in size to a ratio of 10 students per instructor in a laboratory session.

## Program Delivery

The Surgical Technology program is delivered in a blended format. Courses will be delivered entirely online, entirely on-ground or with an appropriate blend of both online and on-ground hours in the same course. Of the 1,655 program hours, a maximum of 575 course hours (34.7%) may be offered online (including general education courses). Campuses may have the option to deliver general education courses either online or on-ground depending on local need and availability specific time, regardless of their eligibility status upon enrollment.

In order to graduate from the Surgical Technology (Associate of Applied Science) program, students must successfully complete the following curriculum:

<b>Course #</b>	<b>Course Title</b>	<b>Theory Hours</b> (Ground/Online)	<b>Lab Hours</b> (Ground/Online)	<b>Clinical Hours</b> (Ground/Online)	<b>Semester Credit Hours</b>

\* These courses may be offered entirely online or entirely on-ground at the campus.

# Financial Information

## Financing Requirements

All students must have a financing package on file no later than the seventh calendar day of their first term. This may include but is not limited to application and confirmation of eligibility for Title IV funding, if desired; executed individual payment plan; completion of all documentation needed to secure non-Title IV funding (e.g., WIA, VA, state grant).

Concorde reserves the right to withdraw at any time any student who fails to complete their individual financing requirements or make timely payments.

## Cancellation & Refund Student's Right to Cancel

Applicants or students may cancel or terminate their enrollment at any time, before or during their training. Applicants or students should notify an Academic Dean or Campus President of their intent to cancel or withdraw wither in person, via telephone, email, or in writing.

All monies will be refunded if the school does not accept the applicant or if the Student cancels within three (3) business days (excluding Saturdays, Sundays and holidays) after signing the Enrollment Agreement and making initial payment. Cancellation after the third (3rd) business day, but before the first class, will result in a refund of all monies paid, with the exception of the application fee. If notice of cancellation is received, refunds will be paid by the school within 30 days after receipt of the notice of cancellation. After the expiration of the cancellation period, the school is entitled to retain the application fee.

Students who have not visited the school prior to enrollment will have the opportunity to withdraw without penalty within three (3) days following either attendance at a regularly scheduled orientation or following a tour of the school and inspection of the equipment.

## Student's Right to Withdraw

Effective: 02/24/2021

### Memphis

The school's policy for determining the Student's withdrawal date is the earlier of (A) the date the Student notifies the school of his or her withdrawal or the date specified by the Student or (B) the last

recorded date of class attendance by the Student, as documented by the school, if the Student stops attending classes without notifying the Institution or (C) the date the Student violates published Institution policy that provides for the Student being withdrawn.

The Student's start date through the last date of attendance will determine the percentage of program completion, and the applicable percentage will be applied to the formula used in the refund calculation as stated below.

For students withdrawing from degree-granting programs, the percentage of program completion is calculated by dividing the number of days the Student was scheduled to attend in the period of enrollment or payment period as of the last recorded day of attendance into the number of days comprising the period of enrollment or payment period for which the Student has been charged.

For students withdrawing from diploma programs, the percentage of program completion is calculated by dividing the number of days the Student was scheduled to attend in the period of enrollment or payment period as of the last recorded day of attendance into the number of days comprising the period of enrollment or payment period for which the Student has been charged.

### Southaven

The school's policy for determining the Student's withdrawal date is the earlier of (A) the date the Student notifies the school of his or her withdrawal or the date specified by the Student or (B) the last recorded date of class attendance by the Student, as documented by the school, if the Student stops attending classes without notifying the Institution or (C) the date the Student violates published Institution policy that provides for the Student being withdrawn.

The Student's start date through the last date of attendance will determine the percentage of program completion, and the applicable percentage will be applied to the formula used in the refund calculation as stated below.

For students withdrawing from degree-granting programs, the percentage of program completion is calculated by dividing the number of days the Student was scheduled to attend in the payment period as of the last recorded day of attendance into the number of days comprising the payment period for which the Student has been charged.

For students withdrawing from diploma programs, the percentage of program completion is calculated by dividing the number of days the Student was scheduled to attend in the payment period as of the

last recorded day of attendance into the number of days comprising the payment period for which the Student has been charged.

## Refund Policy

Effective: 02/24/2021

### Memphis

Refunds are made for a student who withdraws or is withdrawn from the Institution prior to the completion of his/her program and are based on the tuition billed for the payment period or period of enrollment in which the Student withdraws, according to the Refund Calculation set forth below. Refunds will be based on the total charge incurred by the Student at the time of withdrawal, not the amount the Student has actually paid. When a Student withdraws from the Institution, s/he must complete a student withdrawal form with the Institution's Registrar/Student Records Manager. The date from which refunds will be determined is the last date of recorded attendance. Refunds will be made within 30 calendar days of the notification of an official withdrawal or date of determination of withdrawal by the Institution. Students who withdraw, or are withdrawn, prior to the end of the payment period or period of enrollment are subject to the Return of Title IV Funds Policy noted below which may increase their balance due to the Institution. If there is a balance due to the Institution after all Title IV funds have been returned, this balance will be due immediately, unless a cash payment agreement for this balance has been approved by the Institution. Concorde does not refund charges for books issued to the Student unless the books are returned in new and unused condition within 14 calendar days following the date of receipt or Student withdrawal. Credit balances due to the Student of less than \$5 (after all Title IV refunds have been made) will not be refunded unless requested by the Student.

### Southaven

Refunds are made for a student who withdraws or is withdrawn from the Institution prior to the completion of his/her program and are based on the tuition billed for the payment period in which the Student withdraws, according to the Refund Calculation set forth below. Refunds will be based on the total charge incurred by the Student at the time of withdrawal, not the amount the Student has actually paid. When a Student withdraws from the Institution, s/he must complete a student withdrawal form with the Institution's Registrar/Student Records Manager. The date from which refunds will be determined is the last date of recorded attendance. Refunds will be made within 30 calendar days of the notification of an official withdrawal or date of determination of

withdrawal by the Institution. Students who withdraw, or are withdrawn, prior to the end of the payment period or period of enrollment are subject to the Return of Title IV Funds Policy noted below which may increase their balance due to the Institution. If there is a balance due to the Institution after all Title IV funds have been returned, this balance will be due immediately, unless a cash payment agreement for this balance has been approved by the Institution. Concorde does not refund charges for books issued to the Student unless the books are returned in new and unused condition within 14 calendar days following the date of receipt or Student withdrawal. Credit balances due to the Student of less than \$5 (after all Title IV refunds have been made) will not be refunded unless requested by the Student.

## Refund Calculation

Effective: 02/23/2021

### Memphis

The schedule of refunds for students who withdraw after starting school, or are dismissed by the Institution, will be computed as follows:

- If a first-time student withdraws within the first twenty-one (21) calendar days of his or her program of study, no tuition charges will be incurred.
- A first-time student is defined as one who has not previously attended the Institution.
- If a student withdraws after the first twenty-one (21) calendar days, but prior to the 60 percent point of the period of enrollment or payment period for which he or she has been charged, the Student shall be entitled to a pro rata refund of the tuition charged for the period of enrollment or payment period.
- If a student withdraws after the 60 percent point of the period of enrollment or payment period for which he or she has been charged, the Student shall be obligated for the tuition charged for the entire period of enrollment or payment period and not entitled to any refund.

### Southaven

The schedule of refunds for students who withdraw after starting school, or are dismissed by the Institution, will be computed as follows:

- If a first-time student withdraws within the first twenty-one (21) calendar days of his or her program of study, no tuition charges will be incurred.
  - A first-time student is defined as one who has not previously attended the Institution.

- If a student withdraws after the first twenty-one (21) calendar days, but prior to the 60 percent point of the payment period for which he or she has been charged, the Student shall be entitled to a pro rata refund of the tuition charged for the or payment period. Pro rata refund means a proportional amount of tuition based on the number of calendar days from the first day of scheduled class to the end of the current payment period.
- If a student withdraws after the 60 percent point of the payment period for which he or she has been charged, the Student shall be obligated for the tuition charged for the entire payment period and not entitled to any refund.

## Student Notifications Regarding Withdrawal and Refunds

Effective: 07/20/2020

A \$100.00 administrative fee will be assessed to any withdrawn student eight days after their last date of attendance.

In case of prolonged illness or accident, death in the family, or other circumstances that make it impractical to complete the program, the school shall make a settlement that is reasonable and fair to both parties.

Students may repeat a class. If the Student should withdraw from the program for any reason, based on the refund policy, the hours or weeks in attendance for repeating a class, depending on the program, will be used in the program completion percentage calculation in determining the Student's financial obligation to the school.

If any portion of your tuition was paid from the proceeds of a loan, the refund will be sent to the lender or to the agency that guaranteed the loan. Any amount in excess of the unpaid balance of the loan will be first used to repay any federal/state/private student financial aid program from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount greater than \$5.00 will be paid to you. If there is a balance due, you will be responsible for paying that amount.

## Financial Aid Office

The Financial Aid Office is open to students during the hours posted on campus. Students are encouraged to call or visit the office if they have any questions or need assistance regarding their financial aid.

The resources of the Financial Aid Office are available to all students. Financial Aid staff members assist students in determining individual eligibility for the various aid programs and in completing the necessary applications and paperwork. To receive federal financial assistance, students must maintain satisfactory academic progress toward completion of their program as outlined in the school catalog. The Financial Aid Office is responsible for monitoring each student's academic progress to ensure continued eligibility.

## Student Responsibilities

- Students must promptly return all required applications and paperwork to the Financial Aid Office.
- If the Financial Aid Office needs to see a student, the office will contact the student personally. It is the student's responsibility to see Financial Aid when notified.
- Each student who receives a student loan is required to complete entrance and exit counseling. The Financial Aid Office will notify each student when these sessions are scheduled. If a student misses a session, it is the student's responsibility to contact the Financial Aid Office to reschedule a date.
- If a student obtains a loan to pay for an educational program, the student will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund.

## Financial Aid

Concorde Career College participates in the United States Department of Education's Federal Student Assistance programs. These programs are available for those who qualify.

## Federal Pell Grant

The Federal Pell Grant is a grant to students who qualify under the federal financial need guidelines. Application is made through the Free Application for Federal Student Aid (FAFSA).

## Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG is a grant that the school awards to students based on financial need and the availability of funds. Application is made through the Free Application for Federal Student Aid (FAFSA).

## Federal Subsidized and Unsubsidized Loans

Subsidized and Unsubsidized Loans are low-interest loans made by the U.S. Department of Education. See Financial Aid for details.

## Federal Parent Loans for Undergraduate Students (PLUS)

The Federal PLUS Loan is a low-interest-rate loan available for parents of dependent, undergraduate students enrolled at least half time. Applications are available online at <https://studentaid.gov/>.

## Default

If you received a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against you, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

## Tennessee Student Assistance Award Program

The purpose of the program is to provide nonrepayable financial assistance to financially needy undergraduate students who are residents of Tennessee and are enrolled, or accepted for enrollment, at a public or an eligible nonpublic postsecondary educational institution in Tennessee.

Maximum award amounts are determined by Tennessee Student Assistance Corporation (TSAC). A student's eligibility is determined in the same manner as is eligibility for a Federal Pell Grant. Students must apply using the Free Application for Federal Student Aid (FAFSA), and it must be processed by the federal processor by May 1.

## Alternative Financing

For those students who qualify, alternative financing is available through several lenders. Cosigners may be necessary, depending on credit history.

## Other Aid

Effective: 10/29/2021

Your education is a major financial investment. Flexible payment options are available to help make your costs more manageable. Concorde Career College offers many different payment plans depending on your financial situation. Retail Installment Contracts are available to be paid in school prior to your graduation date at a 0% interest. If you are unable to pay by your graduation, we offer extended retail installment contracts. See your Campus Financial Representative for more information.

## Veterans Administration Students Prior Credit Evaluation

All official college transcripts need to be submitted for evaluation for prior credit by the 24<sup>th</sup> week of school or by the end of the second term.

## Veterans Benefits and Transition Act of 2018

In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill<sup>®</sup> (Ch. 33) or Veteran Readiness and Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Produce the VA Certificate of Eligibility (COE) by the first day of class;
- Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies

GI Bill<sup>®</sup> is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://benefits.va.gov/gibill/index.asp>.

## Partnership Agreements

Concorde participates in business and agency agreements with outside organizations. Enrollment pursuant to these agreements is contingent on the student meeting and maintaining eligibility as defined in individual agreements.

Any student who originally enrolled with a partnership agreement will need to reverify eligibility to return if he or she is withdrawn from the program.

## Scholarships

### Desoto Family Theater Scholarship

The Desoto Family Theater Scholarship is a \$2,000 scholarship awarded to a new student(s) attending the Southaven campus who has demonstrated a desire to impact his/her local community by pursuing a career in healthcare. The award decisions are made by an independent scholarship committee who will review all applicants and make a recommendation based on the applicant meeting all eligibility requirements and quality of the essay. This also includes: Content addressing the essay questions, organization of ideas and proper formatting, grammar, spelling and other writing mechanics. Concorde makes available a limited amount of money each year for the Desoto Family Theater Scholarship. Once available funding is exhausted, scholarships will not be available to otherwise eligible students. For more information about the scholarship, see the Financial Aid Office.

### Kozet Boyd Memorial Scholarship

The Scholarship Foundation for Concorde Career College established the Kozet Boyd Memorial Scholarship to assist students who display the same values and determination that Kozet epitomized as an educator with Concorde's North Hollywood campus. These scholarships are awarded to students who have demonstrated academic discipline and strong personal values that align with Concorde's Mission Statement and Core Values.

Kozet Boyd Scholarships will be based on personal circumstances and references, and the actual amount will be based on a recommendation from the Campus President/Director.

### Working Student Scholarship

The Working Student Scholarship (WSS) is a scholarship program to assist students, who worked prior to continuing their education, with meeting the financial obligations while career training at a Concorde school. If a student qualifies, the scholarship will be applied to the student's tuition expenses.

## PROCESS:

1. The WSS will be published in the school catalog, and discussed with potential applicants during the Financial Aid process.
2. Any student who meets the Eligibility Considerations may apply by completing the application that is available in the Financial Aid Office, Front Desk, or Online.
3. The WSS Committee (Comprised of the CP and the FAD at each campus) will review the applications and select candidates to move forward in the approval process based on established Eligibility Considerations.
  - a. completed applications will be reviewed by the WSS Committee, no less than one week prior to class start.
4. This scholarship is awarded in the following increments:
  - a. \$500 for diploma programs and
  - b. \$1,000 for degree programs.
  - c. A maximum of 500 students per fiscal year may receive this scholarship.
  - d. The amounts awarded could be less than the above to avoid a credit balance.
5. The WSS Committee will ensure award notifications are communicated to students and the Financial Aid & Admissions departments prior to orientation.

## DISBURSEMENT:

1. Scholarship awards will be incorporated into student aid packages.
  - a. Scholarship funds are only used to cover direct costs and may not create a credit balance on the student's account.
2. For Clinical programs, funding will be awarded in two equal disbursements at the beginning of the first term and fourth term (after verification of other requirements).
3. For all other programs, funding will be awarded in two equal disbursements:
  - a. Beginning of first term
  - b. Midpoint (after verification of other requirements)
4. Prior to second disbursement of scholarship funds, Business Office Managers will confirm the student's continued eligibility.

## ELIGIBILITY CONSIDERATIONS:

The WSS Committee will evaluate applications on the following criteria. Eligible candidates will:

1. Have a minimum of one year of employment (prior to application) with recommendation letter from Employer.
  - a. Exceptions to the one year of employment may be made for single working parents at

the sole discretion of the Campus President. Single parents who do not meet the minimum application requirement for proof of one year of employment may request an interview with the Campus President. If an interview is granted, the Campus President may determine from the interview to allow the single parent with less than one year of employment to apply for this scholarship. The interview is not a guarantee of award but is only to determine if the applicant "may" apply, at which time the WSS Committee will review with other applications.

2. Have a minimum of one letter of recommendation from an employer
3. Express strong motivation, integrity, and desire to pursue their chosen healthcare career through a 80 word minimum "Statement of Commitment".
4. Meet all institutional and program-specific admissions criteria
5. Be enrolled to start at the first available class start date following the scholarship award notification
6. Completed scholarship application form

#### **CONTINUED ELIGIBILITY REQUIREMENTS**

1. This is a first come, first serve scholarship so once the Campus limit is attained for the applicable year, this scholarship is not available.
2. Students must graduate to remain eligible for the final disbursement
  - a. If a scholarship recipient does not graduate, or withdraws from school, s/he loses continued eligibility and any award amounts not yet disbursed will be cancelled.
3. Continued eligibility is based on the school's stated attendance requirements and the student maintains a 3.0 GPA for the duration of the scholarship award. If attendance requirements and GPA requirements are not met, the remaining balance created due to the loss of scholarship.
  - a. Students who do not meet the Continued Eligibility Requirements outlined above may not re-apply for the scholarship.
4. If approved by WSS Committee and all eligibility requirements remain intact, students who have withdrawn in good standing and subsequently re-enter within 180 days, will have their Working Student scholarship funding reinstated, less any prior disbursements.

## Education Costs

Concorde will assist students in developing financial plans to pay for their education through a combination of student or family contributions, financial aid (if eligible), and finance plans. All students must sign a Retail Installment Contract for direct educational costs not covered by Title IV or agency funding. All payments are the full responsibility of the student and are payable as stated in the student's Enrollment Agreement and retail installment contract if applicable.

Students may be required to make monthly payments while attending school. Payment amounts are based upon the program in which the student is enrolled and the amount of financial aid the student may be receiving.

Any change in financial situation that may affect a student's financial aid or ability to make scheduled payments must be discussed with the Financial Aid Office and the Business Office.

Failure to keep all payments current may result in withdrawal from the school.

## Return of Title IV Funds Policy

Effective: 03/29/2021

The Institution follows the federal Return of Title IV Funds Policy to determine the amount of Title IV funds the Student has received and the amount, if any, which needs to be returned at the time of withdrawal. Under current federal regulations, the amount of funds earned is calculated on a pro rata basis through 60% of the payment period or period of enrollment. After the 60% point in the payment period or period of enrollment, a Student has earned 100% of the Title IV funds. The Institution may adjust the Student's account based on any repayments of Title IV funds that the Institution was required to make.

Students who withdraw from school or are withdrawn by the school prior to completing more than 60% of their period of enrollment or payment period for degree programs (a period of time for which students receive Title IV aid) will have their Title IV eligibility recalculated based on the percentage of the period of enrollment or payment period for degree programs attended. For example, a student who withdraws completing only 30% of the period of enrollment or payment period for degree programs will have "earned" only 30% of Title IV aid. The school and/or the student must return the remaining 70%.

This policy applies to any student who withdraws or is withdrawn by Concorde Career College and

receives financial aid from Title IV funds. The term "Title IV funds" refers to Federal Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOG), Subsidized Federal Stafford Loans, Unsubsidized Federal Stafford Loans and Federal Parent Loans for Undergraduate Students (PLUS).

For purposes of the Return of Title IV Funds Policy, a student's withdrawal date is the student's last day of attendance.

Title IV aid is earned in a prorated manner on a per diem basis or a clock-hour basis for clock-hour programs up to and including the 60% point in the period of enrollment or payment period for degree programs. Title IV aid is considered 100% earned after that point in time. The percentage of Title IV aid earned is calculated in the following manner for all programs except Massage Therapy students starting prior to May 17, 2021:

$$\frac{\text{Number of days completed by the student*}}{\text{Number of days in the period of enrollment or payment period for degree programs*}} = \text{Percentage of period of enrollment or payment period for degree programs completed}$$

*\*The total number of calendar days in a period of enrollment or payment period for degree programs and the number of days completed by the student will exclude any scheduled breaks of five days or more.*

## Massage Therapy (Diploma)

Effective: 03/29/2021

The percentage of Title IV aid earned is calculated for the Massage Therapy programs (for students starting prior to May 17, 2021) as:

$$\frac{\text{Clock Hours scheduled through the last day of attendance}}{\text{Clock Hours in period of enrollment}} = \text{Percentage of period of enrollment completed for the Massage Therapy program}$$

The percentage of period of enrollment or payment period for degree programs completed will be the percentage of Title IV aid earned by the student. The percentage of Title IV aid unearned (i.e., amount to be returned to the appropriate Title IV program) will be 100% less the percentage earned. Concorde Career College will return unearned aid from the student's account as follows:

1. Unsubsidized Direct Stafford Loans (other than PLUS loans).
2. Subsidized Direct Stafford Loans.
3. Federal Perkins Loans (if applicable).
4. Direct PLUS Loans.
5. Federal Pell Grants for which a return of funds is required.
6. Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of funds is required.

Concorde will return the unearned aid within forty-five (45) days from the date the school determined the student withdrew.

When the total amount of unearned aid is greater than the amount returned by Concorde Career College from the student's account, the student is responsible for returning unearned aid to the appropriate Title IV program as follows:

1. Unsubsidized Direct Stafford Loans (other than PLUS loans).\*
2. Subsidized Direct Stafford Loans.\*
3. Federal Perkins Loans (if applicable).\*
4. Direct PLUS Loans.\*
5. Federal Pell Grants for which a return of funds is required.\*\*
6. Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of funds is required.\*\*

*\* Loan amounts are returned in accordance with the terms of the promissory note.*

*\*\* Unearned federal grant amounts to be returned by the student will be reduced by 50%.*

Within thirty (30) days of the date the school determined the student withdrew, the student will be notified in writing if he or she is required to return any federal grant aid (Federal Pell or FSEOG). The student is considered to be in an overpayment status. A student who owes a federal grant overpayment remains eligible for Title IV funds for a period of forty-five (45) days from the earlier of the date the school sends a notification to the student of the overpayment or the date the school was required to notify the student of the overpayment.

If during the forty-five (45)-day period the student repays the overpayment to the school or signs a repayment agreement with the U.S. Department of Education, the student will remain eligible for further Title IV funds. If during the forty-five (45)-day period the student fails to repay the overpayment or sign a repayment agreement with the U.S. Department of Education, the student is considered to be in an overpayment status and, thus, ineligible for any additional Title IV aid until that amount is repaid.

## Refund Procedures for Non-Title IV Financial Assistance

Refunds for state aid programs and applicable third-party funding agencies (e.g., Veterans Administration, WIA, etc.) will be calculated as stated in the

Cancellation & Refund provisions published in this catalog and in the student's Enrollment Agreement. Any state or third-party funding agency refund due will be calculated based on the agency contract or guidelines.

# Student Information & Affairs

---

## Annual Security Report

The school publishes the policies and procedures for reporting crimes, as well as the types of crimes that have been committed on or near the campus, in the Annual Security Report. This publication is distributed annually to all students and is available at any time from a school administrator or on the school's website.

## Canceled Class Policy

When a scheduled class is canceled for unforeseen reasons (e.g., inclement weather, power outage, etc.), the class will be made up before the end of the term in which the cancellation occurred. If students are unable to attend the rescheduled class, they will be marked absent, and the Student Attendance Policy will apply.

In the event of unfavorable weather conditions, classes may be canceled at the discretion of the Campus President/Director. Students will be notified through local television and radio stations and on social media.

## Graduate Employment

Placement services are available at any Concorde Career Institute/College, owned by Concorde Career Colleges, Inc. The Graduate Employment staff will assist students in their career search throughout and upon successful completion of studies by offering information on career opportunities, temporary assignments, résumé preparation, and guidance in interviewing techniques. Professional development seminars are conducted throughout each program to assist students in developing their interpersonal skills. The following services are included: career overview at orientation, pre- and post-interview techniques, personalized skills matching, one-on-one résumé review, career progression tips and completion certificates for professional portfolios.

Concorde does not guarantee employment for its graduates. Graduates are considered to be partners with Concorde in their career search. Graduates are expected to maintain consistent communication with their graduate employment team during their job search. This procedure keeps the school informed of a graduate's employment status and allows the school to keep the graduate current with career opportunities.

## Drug & Alcohol Abuse Policy

Concorde Career College ("Concorde") supports and endorses the Federal Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act amendments of 1989.

The unlawful manufacturing, distribution, dispensation, possession, or use of alcohol, marijuana, or a controlled substance by an employee or student on Concorde's property or as part of any Concorde activity is prohibited. Any student or employee of Concorde found to be using, possessing, manufacturing, or distributing alcohol, marijuana, or any controlled substances in violation of the law on Concorde property or at Concorde events shall be subject to disciplinary action. For employees, the school will take appropriate personnel action for such infractions, up to and including dismissal. Students who violate this policy will be dismissed and are not eligible for readmission.

For purposes of this policy, "conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence or both by any judicial body charged with the responsibility of the federal or state criminal drug statutes.

## Health Risks

Abuse of alcohol and use of drugs is harmful to one's physical, mental, and social well-being. With excessive drug use, life becomes centered on drugs to the exclusion of health, work, school, family, and general well-being. Accidents and injuries are more likely to occur if alcohol and drugs are used. Alcohol and drug users can lose resistance to disease and destroy one's health. Increasing tolerance developed by the user complicates the effects of drug use. This tolerance may be psychological, physiological, or both and may lead to greater danger of overdose.

Alcoholism takes a toll on personal finances, health, social relationships, and families. Abuse of alcohol or use of drugs may cause an individual driving a motor vehicle to injure himself or herself or others and may subject the person to criminal prosecution.

The following summarizes the effects and dangers of the major categories of drugs:

**Amphetamines:** Physical dependency, heart problems, infections, malnutrition, and death may result from continued high doses of amphetamines.

**Narcotics:** Chronic use of narcotics can cause lung damage, convulsions, respiratory paralysis, and death.

**Depressants:** These drugs, such as tranquilizers and alcohol, can produce slowed reactions, slowed heart rate, damage to liver and heart, respiratory arrest, convulsions, and accidental overdoses.

**Hallucinogens:** These drugs may cause psychosis, convulsions, coma, and psychological dependency.

## Counseling, Treatment, or Rehabilitation Programs

The administration of Concorde maintains a list of hospital and community agencies available to assist employees and students seeking alcohol and drug counseling and treatment.

Employees and students who have a substance-dependency problem are strongly encouraged to obtain counseling and treatment. Anyone seeking additional information about health problems and treatment related to alcohol and drug problems can contact the Campus President/Director or Human Resources. Requests for assistance will be held in complete confidentiality and will be provided on a need-to-know basis only.

## Penalties

A student suspected of the possession, sale, manufacture, use, or distribution of a controlled substance, may be suspended from the student's program of study during the investigation and may become ineligible for continued participation in the Higher Education Act (HEA), Title IV Student Assistance Programs. If convicted, the student's relationship with Concorde will be terminated, and the student may lose the ability to participate in the HEA, Title IV Student Assistance Programs.

A student who violates any provision of this policy shall be subject to appropriate disciplinary action to include dismissal from Concorde. A student who is dismissed is not eligible for readmission.

In addition, any student or employee who violates the standards of conduct as set forth in this policy may be subject to referral for prosecution.

## Health Requirements

### Health Services

The school does not provide health services on campus other than making available immunizations at scheduled times.

- Immunizations: Clinical/externship sites require various vaccinations prior to participation in a clinical/externship rotation. Concorde offers these immunizations during on-campus health

clinics at no cost. The immunization requirements are based on general requirements for working in a healthcare setting and may change without notice. If students are unavailable during scheduled immunization times, it is the students' responsibility to ensure compliance with immunization requirements at their own cost. If a student declines any of these immunizations, Concorde cannot guarantee placement at a clinical/externship site. In these cases, the student may be required to complete additional health facility-specific documentation, including waivers. Under no conditions can Concorde guarantee employment.

- Health Insurance Coverage: The externship/clinical sites do not provide health insurance coverage for students. All students are covered by accident and liability insurance policies while in school, on externship, or on a clinical rotation. This policy does not automatically pay for all medical expenses due to school-related accidents. It is designed to work together with the insurance the student may already have. A student is required to meet with the Program Director regarding the processing of a claim. None of the programs provide health insurance as part of the tuition fee. Health insurance is the sole responsibility of the student.
- Health Conditions: It is the responsibility of the student to inform the appropriate instructor(s) of any physical or mental condition that could interfere with the safety of the student and/or patient while at the externship/clinical site.

While ill, it is the responsibility of the student to notify the Program Director, the Director of Clinical Education (DCE)/Clinical Instructor/Extern Coordinator and the externship/clinical site. Students are not permitted to attend class, externship or clinical with a communicable disease.

## General Information

### Accessibility for Disabilities

The buildings are designed to be accessible to the disabled. Spaces are clearly marked and are reserved for disabled students, staff, and faculty. Cars parked in these designated areas without the proper identification will be towed.

### Cellular Phones

Students may not use cell phones for personal reasons in the classroom unless approved by the instructor.

## Commencement Ceremonies

To be considered a Concorde graduate, students are required to successfully complete all program requirements. This includes all phases of their didactic training as well as their externship and/or clinical education.

Participation in commencement ceremonies does not constitute official graduation. All requirements as stated in the school catalog must be fulfilled prior to conferment of graduate status. To be eligible to participate in the official commencement ceremonies, graduates must be current on all financial obligations at the time of commencement. (For details regarding graduation requirements, see "Graduation Requirements" in the "Academic Standards" section.)

## Community Activities

Concorde participates in community activities and encourages students to become active community members. Students are encouraged to notify the Campus President/Director, Academic Dean or Director of Student Affairs of any upcoming activities in which they would like the school to participate.

## Customized Training

Concorde Career College offers customized training and technical assistance to employers on a contractual basis. Specialized curriculum and consultant services can be provided for business-specific needs.

## Day Care Services

Children are not permitted in any class, nor are they allowed on school premises while a parent or guardian is attending class. For information regarding day care services available to students at a reasonable cost, students may contact the Student Affairs department. Many area day care centers understand the need for quality care at a reasonable cost while pursuing educational goals, and the school maintains a list of those centers.

## Eating & Smoking

Students are welcome to pause, relax, eat and drink in the student lounge. Smoking, in all forms (e.g., cigarettes, e-cigarettes), and chewing tobacco are not allowed in the building. If students wish to smoke or chew tobacco, they may do so outside of the building in designated areas. Absolutely no food or beverage are allowed in the labs. Absolutely no food or beverage are allowed in the classrooms unless approved by the campus administration.

## Emergency Telephone Numbers

Each student must provide the school with one or more telephone numbers where a family member may be reached in an emergency. Only in the case of an emergency will a student be called out of class to take a telephone call.

## Institutional Information Dissemination

Federal regulation 34 CFR 668.44 requires Concorde to designate an employee or group of employees who shall be available on a full-time basis to assist enrolled or prospective students in obtaining information on the following topics:

- Financial assistance information.
- Tuition and costs, withdrawal and refund policy, academic progress, facilities, faculty, and school approvals.
- Completion and retention rate calculations.
- Institutional Security Policies.

If a student has any questions, he or she should see one of the following personnel: Campus President/Director, Director of Admissions, Financial Aid Director or Academic Dean.

## Insurance

Concorde provides students with accident insurance that covers injuries due to an accident that occurs while attending or participating in a Concorde-supervised and sponsored activity. The policy is intended to supplement the students' own insurance, and it requires students to submit a claim to their own insurance carrier first (if they have insurance). The insurance has a \$5,000 limit on covered benefits. For clarification, students should check with the Campus President/Director.

## International Student Services

Concorde does not admit students based on student visas because Concorde does not participate in the SEVIS program.

## Language of Instruction

All classes at Concorde are conducted in English. No English language services are provided. All students must be able to demonstrate the English language proficiency of a U.S. high school graduate.

## Lost Books & Supplies

Textbooks and curriculum materials are provided for all students; however, lost books are the student's

responsibility to purchase at cost. Students will be expected to furnish such incidentals as paper, notebook, pencils and pens.

## Maximum Class Size

Classes are generally limited in size not to exceed 30 students per laboratory or lecture session. Specific programmatic requirements are addressed in the program section of this catalog.

## Parking

### Memphis, Tennessee

Free parking is provided around the school location. For garage parking, students may purchase an access card or decal from Business Services. The Clark Tower building has a reserved parking area that does not allow for student parking. These spots are clearly marked as reserved. Students parking in these areas will have their cars towed. If there is any question regarding the location of the reserved area, the front desk will be able to answer any concerns. Some clinical facilities may provide parking permits for your use during your rotation there. These permits are on loan and must be returned upon demand of the school or hospital.

### Southaven, Mississippi

Parking is provided for students. Students park in the parking lot at their own risk. Concorde is not responsible for any damage or loss.

## Personal Belongings

Purses, clothes, books, etc., should not be left unattended, as the school does not assume responsibility for loss or theft.

## Personal Data Changes

Any change of name, address, email or telephone number must be reported to the Registrar's/Student Records Manager's office as soon as the change occurs. Emergency information should be kept current at all times.

## Refresher Training

Concorde offers limited refresher training to its graduates. A graduate may apply for refresher training at any Concorde Career College/Institute offering similar classes.

Graduates may be accepted for refresher training (excluding externship) on a space-available basis. The graduate must be in good standing with the Business Office. No tuition will be charged; however, there will be a fee for each class/term or partial class/term.

The graduate must have or purchase current text(s), workbook(s), digital materials, and/or uniform(s) as required. The graduate is required to adhere to current school policies governing attendance and dress.

## Student Affairs

Concorde associates make every effort to maintain close communication with their students. Students have access to faculty and administrative staff for both vocational and academic advising. Students experiencing personal problems that require professional advising will be referred to the appropriate agencies.

## Student Housing

While the school does not offer on-campus housing for its students, living accommodations are available within a convenient distance of the school. Students must arrange for their own housing.

## Student Injuries

Students injured while attending school, participating in a school-supervised function, or in transit to or from supervised school activities are to report immediately to the instructor who will accompany the student to the Campus President/Director. If necessary, immediate emergency procedures will be implemented, and a member of the staff or faculty will accompany the student, in the absence of a parent, guardian or spouse, to the appropriate medical facility. Refer to the "Insurance" section in this catalog for more information.

## Student Complaint & Grievance Policy

Effective: 06/19/2020

Students are encouraged, at all times, to communicate their concerns to members of the faculty and administration. If a situation arises in which a student has a complaint or grievance the student is to adhere to the following procedure:

1. Within 72 hours: Discuss the matter with his or her instructor, if applicable. If not resolved,
2. Within the following 72 hours: Discuss the matter with the Program Director. If not resolved,
3. Within the following 72 hours: Discuss the matter with the Academic Dean. If not resolved,
4. Within the following 72 hours: Discuss the matter with the Campus President/Director.

If a student is still unable to resolve the issue, a written grievance statement along with supporting

documentation may be submitted to the Campus President/Director. The written statement should include the details of the student's issue, a summary of the conversations the student had with individuals while following the above procedure, and an explanation as to why the student believes the issue remains unresolved.

The Campus President/Director will schedule a grievance committee meeting within three business days of receipt of the written grievance. Students are required to appear before the grievance committee. The Campus President/Director will inform the student of the time and place to appear before the committee. The grievance committee has the responsibility of reaching a decision that is in balance with the best interest of both the student and the college. Students will be notified in writing within three business days of the committee's decision. Legal representation is not permitted since a grievance committee meeting is not considered a legal proceeding.

Further, students have the right to report any apparent inconsistencies with the application of the Student Complaint & Grievance Policy outlined in the school catalog. The request must be completed in writing and submitted to Concorde's Campus Support Center Student Affairs Department at: [studentaffairs@concorde.edu](mailto:studentaffairs@concorde.edu). The request must include a summary of the student's grievance and any details and supporting documentation of the student's conversation with campus staff regarding the grievance, and it must describe how the campus' management of the grievance procedure was inconsistent with the school catalog. The Student Affairs Department will research the student's report as deemed appropriate, including requesting additional information from the student as needed, and render a final decision that is binding. The student will be notified in writing of the decision.

## Additional Student Grievance Options

### Council on Occupational Education

Should the school not be able to resolve the problem, students should contact the Commission of the Council on Occupational Education (COE), 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, Telephone: 770-396-3898/FAX: 770-396-3790, [www.council.org](http://www.council.org).

### State of Tennessee

Should the school not be able to resolve the problem, the student should contact the Director of Licensure, State of Tennessee, Higher Education

Commission, 404 James Robertson Parkway, Nashville, TN 37243-0830; [https://www.tn.gov/content/dam/tn/thec/bureau/student\\_aid\\_and\\_compliance/dpsa/Complaint\\_Form\\_\(Rev.\\_12.16\)\\_1-26-17.pdf](https://www.tn.gov/content/dam/tn/thec/bureau/student_aid_and_compliance/dpsa/Complaint_Form_(Rev._12.16)_1-26-17.pdf); 615-741-5293.

### State of Mississippi

Should the school not be able to resolve the problem, the student should contact the Commission on Proprietary Schools and College Registration, 3825 Ridgewood Road, Jackson, MS 39211; 601-432-6185; <https://www.mccb.edu/offices/proprietary-schools>.

A copy of the commission's Complaint Form is available at the campus and may be obtained by contacting the Campus President/Director.

A student who started in the Dental Assisting diploma program at the Memphis campus prior to February 26, 2018, may direct an unresolved complaint to:

Commission on Dental Accreditation 211 East Chicago Avenue Chicago, IL 60611 312-440-4653 [www.ada.org/coda](http://www.ada.org/coda)

A student who started in the Dental Assisting diploma program at the Memphis campus after February 26, 2018, may direct an unresolved complaint to:

Dental Board

State of Tennessee Health Related Boards

665 Mainstream Drive, 2nd Floor

Nashville, TN 37243

615-532-5073

1-800-778-4123

If necessary, please see the Dental Assisting Program Director for the appropriate agency contact.

A student in the Dental Hygiene program may direct an unresolved complaint to:

Commission on Dental Accreditation

211 East Chicago Avenue

Chicago, IL 60611

312-440-4653 [www.ada.org/coda](http://www.ada.org/coda)

A student in the Massage Therapy program may direct an unresolved complaint to:

Massage Therapy Board

## Student Guidance & Advising

Concorde makes every effort to maintain close communication with its students. Students have access to faculty and administrative staff for both vocational and academic advising. Students experiencing personal problems that require professional counseling will be referred to the appropriate agencies.

Assistance is available for students who require individual tutoring in order to raise their grades to a

passing level. Students who simply wish to further enhance their own clinical or theoretical knowledge may also take advantage of this service. Students should contact their instructor, Program Director, or Academic Dean for further details.

## Changes

In keeping with the school philosophy of remaining responsive to the needs of students and employers, the school reserves the right to make modifications and schedule changes without additional charges to the student and within regulatory guidelines.

# Academic Information

## Clinical Experience/Externship

Effective: 09/13/2021

Certain programs require students to serve a clinical experience/externship in the office of a physician, dentist, hospital, clinic, or long-term-care facility during, near the end or upon completion of academic training. The Director of Clinical Education (DCE)/Clinical Instructor/Extern Coordinator will arrange all clinicals/externships. The clinical/extern site is under no obligation to employ the student following completion of the clinical/externship. During the clinical experience/externship, students are given the opportunity to put their classroom and laboratory training into practical application under actual employment conditions. While on clinical/externship, the student is under the supervision of a Clinical Instructor/Externship Site Supervisor and Externship Coordinator or school faculty. Any absence incurred during the clinical experience/externship must be reported to the Program Director, the Clinical Instructor/Extern Coordinator, DCE and the Clinical/Extern Site Supervisor/Preceptor. Clinical experience/externship must begin immediately upon assignment following classroom completion. All program and catalog requirements apply, including dress code, name tags, drug use, etc. Additionally, students must abide by the rules and regulations of the site to which they are assigned. This includes rules governing confidentiality of medical records and reports to conform to the Health Insurance Portability and Accountability Act (HIPAA). While on clinical experience/externship, students must comply with the following clinical/extern regulations:

1. The school will assign students to a clinical/externship site. Students may not turn down a clinical/externship. The school cannot guarantee a particular facility or geographical location; however, Concorde will consider the student's request when making assignments. Students are not permitted to complete their clinical/externship experiences at current employers or sites where family members may have direct influence over students' clinical or externship experiences.
2. Students must work the same hours as employees at their assigned site. Some programs require 12-hour shifts and may be completed days, nights, and weekends to obtain the desired clinical skills. Depending upon state laws, a certain amount of time is required for lunch. Lunch time is not included in the total clinical/externship hours.

3. Clinical/externship is a part of the student's education. Students will not be paid and may be withdrawn from the program if the facility reports that they were asking for or receiving pay.
4. Clinical/extern sites may require that students be vaccinated/immunized for various diseases, be tested for drug usage and/or be checked for any criminal background prior to accepting them.
5. Students must meet the objectives on the clinical/externship checkoff and their midpoint evaluations. An unsatisfactory evaluation from the healthcare facility may require the student to serve an extra clinical/externship period, return to school for further training, or result in his or her withdrawal from the school. Poor performance or removal from a clinical site may result in withdrawal from the program.
6. As part of the externship requirements, students are responsible for completing and submitting forms and documents as required. Students are responsible for accurate and prompt recording of work hours as well as submitting time to the campus as instructed. Midterm evaluations (for programs requiring them) must be completed and submitted to the school at the halfway point of the externship. It is the student's responsibility to ensure that the healthcare facility has completed and signed all evaluations and time verification sheets and that the Academic department has received them upon completion of his or her externship.
7. It is the student's responsibility to attend scheduled meetings, including site interviews, before and during his or her clinical/externship. Students may be required to return to the campus during their clinical/externship at the direction of their Clinical Instructor/Extern Coordinator or Program Director.
8. Students are expected to behave in a professional manner at all times. Any conduct that reflects discredit upon the student, the school, or the site will subject the student to withdrawal from the school.
9. If a student is going to be late or absent, he or she must notify the healthcare facility and the Clinical Instructor/Externship Coordinator. Violation of attendance policy will result in probation or withdrawal from school.
10. Students should immediately notify their Clinical Instructor/Extern Coordinator/DCE if any problems are encountered during clinical/externship: personality conflicts, illness, etc. (Students must never walk off the site, for any reason, without first notifying their Clinical Instructor/Extern Coordinator or Program Director.)
11. Tuition payments must be kept current.

12. If a student is dismissed from a clinical/externship site, the Program Director will evaluate the circumstances of his or her dismissal, and a decision will be made regarding his or her status as a student. The student may be withdrawn or dismissed from school at that time. If the student is allowed to continue his or her clinical/externship and is dismissed from another site, he or she will be withdrawn from school. Students who are dismissed from clinical/externships will be required to repeat the entire clinical/externship.

Students may be required to travel up to 200 miles away from campus to attend clinical assignments, depending on programmatic requirements. Specific information regarding travel distance to clinical assignments will be provided to students during the enrollment process. Students are responsible for their own travel to and from clinical assignments and must plan accordingly.

## Criteria for Assessing Student Performance While on Externship

**Students must demonstrate passing scores in all courses, including practical written exams and hands-on lab exams, prior to being assigned an externship.**

During the externship course, each student will be evaluated in the areas of professional performance and appearance, attendance, and practical skills. To complete the externship successfully, a student must satisfactorily perform each procedure outlined in the training plan and demonstrate satisfactory work habits.

If, when evaluated, the extern is unable to perform certain procedures properly, the student will be required to return to campus for additional training in the unsatisfactory areas. During the externship course, the student may be required to return to campus for weekly scheduled meetings to provide continued interaction with the Extern Coordinator. If the student's work habits are unsatisfactory on the first evaluation, the coordinator will confer with the student at that time. If work habits are still unsatisfactory at the end of the externship period, the student may be required to serve an additional externship. A student may repeat the externship only once. If failure of the externship occurs twice, the student will be withdrawn from the program.

The externship evaluation scale is as follows:

3	Student knows the underlying principles and carries out procedures skillfully and accurately.
2	Student performs procedures with a fair degree of accuracy.
1	Student performs most procedures but requires guidance and supervision.
0	Student is unable to perform procedures even with guidance and supervision.
X	Procedure was not observed or performed.

## Student Records

Effective: 08/24/2020

The Registrar's/Student Records Manager's office maintains academic records of all coursework completed at the school, and they are maintained on campus for five years. Academic transcripts are maintained indefinitely. Transcripts are released only after receipt of a signed, written request from the student. Transcripts issued to the student are marked "Issued to Student." Students are allowed one official transcript at no charge. A fee will be charged for each additional transcript. No official transcript(s) will be released if records are on hold for financial reasons or missing documentation. (See "Records on Hold" policy.) Students may request an unofficial transcript in this case. The word "Unofficial" will be stamped on the transcript. Third-party transcripts from other institutions cannot be released to any individual or institution.

## Records on Hold

Academic records may be placed on hold for any of the following reasons:

- A financial obligation to Concorde Career College;
- Failure to return Learning Resource Center materials or school equipment; or
- Default on a federal student loan.

Until the hold is removed, individuals will not be allowed to:

- Restart school from a withdrawal status; or
- Obtain an official transcript.

Appeals to this policy may be made to the Campus President/Director in writing. The Campus President/Director will notify the student in writing regarding the outcome of the appeal.

## Academic Units of Credit

The school uses the traditional system of clock hour to credit hour conversion. One semester credit hour is equivalent to 15 clock hours of lecture, 30 clock hours of lab or 45 clock hours of externship or clinical experience. One clock hour equals 50 minutes of instruction.

## Financial Aid Units of Credit

Effective: 07/01/2021

Concorde measures programs in either semester credit hours, clock hours or financial aid units of credit. For financial aid eligibility and disbursements, the school uses the system of clock hour to credit hour conversion established by the U.S. Department of Education. One credit is equal to 30 clock hours. For purposes of Title IV calculations, the Massage Therapy program is considered a clock hour program for students starting prior to May 17, 2021.

## Measure of Program Duration

The ending date or graduation date from a program is a "scheduled" graduation date. In-service days, holidays, and other unscheduled events that could cause interruptions in scheduled training may influence the actual calendar length of a program.

## Withdrawal Policy

### Student-Initiated Withdrawal

Students who wish to withdraw may do so by contacting the Academic Dean or Program Director via telephone, mail, or preferably in person. The withdrawal date will be the student's last date of attendance. A student who withdraws during the first seven calendar days of a grading period will not have that course(s) recorded on his or her transcript. A student who withdraws after the first seven calendar days of a grading period will receive a grade of "W" up to 14 calendar days before the end of the term. Within 14 calendar days of the end of the term, the student will receive either a "WF" or "WP" depending on quality of course work completed to date. This is not calculated in his or her cumulative grade point average (CGPA). The credits will count toward attempted credits.

The student will be provided with exit interview forms. There are financial and/or financial aid implications for withdrawing. Please consult with the Financial Aid and/or Business Office to determine how withdrawal will impact your student account.

## Withdrawal for Violation of School Policy

The school may withdraw a student from his or her program of study for violation of published school policy. If a student withdraws from school without notifying the school, the withdrawal will be effective from the last date of attendance. If the student is withdrawn for violation of published school policy, the withdrawal date will be the last date of attendance.

A student who has been withdrawn during the first seven calendar days of a grading period will not have that course(s) recorded on his or her transcript. A student who has been withdrawn after the first seven calendar days of a grading period will receive a grade of "W," which is not calculated in his or her cumulative grade point average (CGPA). The credits will count toward attempted credits.

## Course Drop/Add Policy

The Drop/Add period for each term is 7 calendar days. A student who does not attend a course or whose last date of attendance (LDA) in a course is within the Drop/Add period may be voluntarily or involuntarily withdrawn from the course without academic or financial penalty. A student who does not post any attendance in a course in the first 14 calendar days after the start of the term will be unregistered from the course and not receive a grade for the course.

## Course Withdrawal Policy

A student withdrawing or being withdrawn from a course who has posted attendance after the Drop/Add period but prior to the fourteenth calendar day before the end of the term, will receive a grade of "W". Course withdrawals for students whose LDA falls within fourteen calendar days of the end of the term will receive either a grade of Withdrawn-Fail (WF) or Withdrawn-Passing (WP) depending upon the student's grade for work completed up to the last date of attendance. A grade of WF will count as a failed attempt at the course (see Repetitions). Withdrawing from a course may impact a student's eligibility for Financial Aid. Please speak with a Financial Aid Representative to discuss your individual account.

## Program Changes

A student who wishes to change programs may do so at any time prior to starting classes. A student changing programs after starting classes will be evaluated according to the school's refund policy.

## Program Monitoring

Concorde makes critical comparisons between the content of its programs and the needs and demands of business and industry by monitoring feedback from local agencies, the program advisory committee, test results, graduates, and employers. The instructors communicate closely with industry personnel to keep program objectives and content current.

## Dress Code

Students are preparing for careers and should develop the habit of wearing appropriate attire. Students are required to wear the designated school uniform in class and on externship or clinical experience unless directed otherwise. Clinical/externship sites may require students to wear white shoes. Students are responsible for meeting dress code requirements for the site.

A student's personal appearance must be appropriate at all times when the student is in school uniform. The general requirements are as follows:

- Uniforms will vary by program.
- Uniforms or scrubs must be clean, wrinkle-free and well-fitted. Pants and dresses must be proper length.
- No outerwear is permitted in the classroom except for a lab coat or sweater as established by school/program standards.
- Shoes must be leather or vinyl and OSHA compliant, closed-toed, closed heel. Students must keep their shoes clean and polished.
- Underclothing is to be worn while in uniform. Undergarments must not be visible.
- The ID badge is part of the uniform and must be visible at all times.
- College-approved lab coats may be worn over the regulation uniform. T-shirts or turtlenecks may be worn under scrubs, but they must be tucked in. T-shirts or turtlenecks must be removed in the lab if they become a safety hazard.
- Jewelry may not be worn with the uniform, except for one pair of small stud earrings, one ring (e.g., wedding and/or engagement ring, class ring) and a watch. Dangling earrings, hoop earrings, or multiple earrings will not be permitted. A single necklace that does not dangle may also be worn. For safety reasons, no

jewelry may be worn under protective gloves. Jewelry used in body/tongue piercing other than the earlobe is not acceptable. Medical identification worn as a bracelet or necklace is acceptable.

- Hair must be of a natural hue, neatly combed, clean, and pulled away from the face, so that it does not hang in the face when bending over during lab/clinical activities. No head covers, including beads or jewels interwoven into the hair are to be worn. All religious head coverings must be approved by the Academic Dean.
- Fingernails must be kept short, clean, and neatly manicured. No polish, acrylic nails, overlays, or any synthetic enhancements to the natural nails.
- Proper daily hygiene, including the use of antiperspirant and mouthwash, is essential because students work very closely with others. Cologne and perfume should not be worn.
- Many healthcare facilities mandate coverage of tattoos, and students may be asked to leave a clinical or externship site if tattoos are visible. In order to ensure we are preparing you for the work environment of your chosen field, Concorde requires that students make a reasonable attempt to cover all tattoos.

Failure to comply with the above expectations may result in dismissal from the classroom, externship, and/or clinical site.

## Licensure Payment Policy

Concorde is committed to preparing students with the skills and knowledge necessary to become entry-level practitioners in their field of study. Some of the programs offered by Concorde have employment outcomes where passage of a professional certification, licensure or registry examination may be required for employment or that will enhance potential employment opportunities. Concorde will pay exam fees for graduates of these programs based on the eligibility requirements below. Please discuss with your Program Director which exams are relevant to employment in your field of study and the requirements for successfully demonstrating examination preparedness.

Eligibility is determined by the graduate's completion of the following:

- Receive approval from the Program Director, Academic Dean or Campus President/Director before testing.
- Take the exam within two months of graduation, or take the first available exam opportunity for those exams offered only on a periodic schedule.
- Meet all Concorde graduation requirements.

- Demonstrate that the student is prepared to sit for licensure by completing a "green light" process at the campus.

If a second attempt is necessary due to first-time failure, all of the following must be met:

- Evidence of a valid benefit to the student and college, such as meeting or exceeding programmatic licensure pass rate standards and/or graduate employment rate standards;
- Campus President/Director approval;
- Proof that the graduate sat for, and completed, the first-time exam(s);

- Submission of exam scores from the student's first exam attempt;
- Successful completion by the graduate of a remediation program approved by both the campus-level Program Director and Concorde's Vice President of Academic Affairs or designee.

Registration and certification requirements for taking and passing these examinations are not controlled by Concorde, but by outside agencies, and are subject to change by the agency without notice. Therefore, Concorde cannot guarantee that graduates will be eligible to take these exams, at all or at any specific time, regardless of their eligibility status upon enrollment.

# Distance Education/ Online

---

Concorde supports the educational needs of the busy adult learner, delivering some courses in an online format. Online classes are not intended as easy substitutes for learning on campus. Students will find that learning online can be as challenging and rewarding as attending on-campus but allows the flexibility of determining when learning is convenient. Although time is flexible, attendance and participation is expected and monitored.

The convenience of online courses allows students to work on assignments and participate in class discussions as their schedules permit within specified timeframes. Learning is achieved through both individual inquiry and collaboration. Each course encompasses a variety of different graded learning activities.

Students enrolled in online classes and programs are expected to be capable of using a computer to complete some or all of their coursework and be familiar with accessing Internet resources. In addition, they must have access to a reliable computer and high-speed Internet connection sufficient to complete their coursework. Students are also welcome to utilize the Concorde computer labs and/or the Learning Resource Center (LRC) to complete coursework. Online courses utilize the Canvas Learning Management System (LMS), a secure, web-based platform that employs multimedia technologies and is accessible 24 hours per day via Internet access. Prior to enrollment, prospective students will be required to complete an online assessment of their readiness to successfully complete their education in an online environment. The campus may require the student to participate in an orientation as well as online sessions at the campus.

To complete online courses using the Canvas Learning Management System (LMS), students should refer to the following links to be sure they are using appropriate computer systems. Students also must have an Internet provider with reliable service.

- Computer Specifications <https://community.canvaslms.com/docs/DOC-2059>
- Browser Requirements <https://community.canvaslms.com/docs/DOC-1284>

Some courses may only be offered in a distance education format. Please refer to the Admissions Representative or Academic Dean for course schedules.

## Online General Education Courses

Effective: 02/23/2021

Students will have the ability to complete general education courses for their program of study through online courses made available by the Host Institution. Online courses are supported through services provided by the Home Institution. These online courses are specifically designed for the student who will be accessing online courses from a standard home or personal computer. For more information, contact the academic department for additional policies and recommended technology specifications to ensure an optimal learning experience in online courses.

## Attendance Requirements

Online education affords students great flexibility in managing their time. However, academic success requires that students engage in learning activities regularly and participate in meaningful interactions with faculty and fellow students. Specific daily attendance is not required for online courses, as it would be on a campus. Students are required, however, to log into their class regularly and submit assignments in a timely manner, or they may risk being withdrawn for lack of attendance.

For each course, initial attendance is recorded when a student logs into his or her class and completes a learning activity. Students who only view the syllabus but make no other substantive participation for the rest of the course are not considered enrolled. Attendance in subsequent weeks is recorded by a student completing a learning activity. The act of logging in each week does not constitute attendance; the student must participate by either engaging in the discussion board or submitting a graded assignment to be considered present for that week.

Once a student has logged into his or her class and completed a learning activity or assignment, he or she is considered officially enrolled in the course and expected to complete the entire course. Failure to post attendance for two consecutive weeks may subject the student to immediate withdrawal.

Coursework is assigned weekly. Students are expected to complete assignments according to the course outline. (Refer to the "Make-Up Work" policy

for submitting missed coursework.) Students must show attendance within the first three days of the course, or they are subject to withdrawal from the course.

## Learning Activities

Online students use the Canvas Learning Management System (LMS) to view video content, receive and submit project work and assignments, take assessments, quizzes and tests, communicate with instructors and classmates, and review course progress and grades. In keeping with the modality of online learning much of the content will be delivered either with e-books or digital content. Successful online learning requires the student to be an active participant in all learning activities. Learning activities will vary by course but may include:

- discussion thread posts
- exams, quizzes and assessments
- case studies
- group interactive assignments
- other graded assignments

All learning activities associated with a course will be clearly outlined on the syllabus page within each Canvas course. Attendance is recorded when the student submits any learning activity. Students must contribute weekly to the discussion forums. Deadlines are established differently based upon the length of each term. Concorde offers online courses and programs in four-week and 10-week terms.

## Four-Week Modules

Due dates are established according to the day of the week the module starts. Weekly modules always begin at 12:00 a.m. CST and end at 11:59 p.m. CST. Courses generally last for four weeks. This is divided into four modules within the online course. Each module is five class days in length and does not include weekends. Initial discussion board posts are always due on the third class day of the weekly module. Assignments, assessments and discussion board responses are due on the fifth or last class day of each weekly module.

## Ten-Week Terms

Courses are 10 weeks in length, and the weekly module will always start on Monday (12:00 a.m. CST) to Sunday (11:59 p.m. CST). Initial discussion board posts are due not later than every Wednesday (11:59 p.m. CST), and assignments, assessments and discussion board responses are due by Sunday (11:59 p.m. CST).

Students who are considered officially enrolled in the course but do not fulfill all of the coursework required will receive a grade based on the assignments they have completed.

## Faculty/Student Interaction & Academic Advising

Faculty/student interaction is critical for student success in an online environment. Online methods of interaction include online lectures, email, document sharing, and threaded discussions. Faculty members review and respond to student requests within a 24-hour time period.

Ground students who have opted to take some of their General Education courses online receive the same benefits as fully online students in regard to faculty interaction. However, student advising during midterms and finals will be the responsibility of the campus at which the student is enrolled.

## Student Services

Students enrolled in online courses, whether they are fully online or ground students taking select General Education courses, will be given support and services. Ground students will be provided services directly through their home campus. Each campus has a designated "Online Success Coach" (OSC) who will be provided weekly reports for high-risk students and can provide basic troubleshooting within the Learning Management System (LMS). The OSC can also refer the student to the Director of Student Affairs located on campus.

Fully online students will have student support access through the Dean of Online Operations. The Dean will provide support to students who may be high-risk, typically via telephone or email, and may also assist students by involving other campus associates.

## Learning Resources

Concorde Career Colleges, Inc., subscribes to multiple databases from Gale Cengage Learning, which is available to all students through the Canvas Learning Management System (LMS). Included in these materials are over 20,000 titles with peer-reviewed full text articles exceeding 8,000 as well as ebooks, experiments, projects, and images. Many of the students' immediate research questions can be met by using these online reference sources. The user-friendly web interface has information from leading medical journals, encyclopedias, newspapers, newsletters, and pamphlets.

## Learning Outcomes

Learning outcomes for online coursework are the same as on- ground coursework.

## Graduation Requirements

Students taking online courses must meet the graduation requirements for their chosen program of study.

## Health Screens

Students enrolling in programs where health screens are required will be provided with a list of required

immunizations. Students will be required to provide proof of immunization prior to beginning clinical rotations.

## Uniforms

Students enrolling in programs where uniforms are required for clinical rotations are responsible for providing their own clothing in accordance with the established policies of the institution where they will be completing their clinicals.

# Academic Standards

## Attendance Policy

### General

Effective: 03/11/2021

Regular attendance in scheduled ground classes, clinical and externship experiences, and frequent and full participation in online activities is expected of all students. It is expected that students will complete all assigned work, both online and on ground, and complete all homework to receive the full benefit of the program. When a student enrolls, that student accepts the responsibility of participating fully in all coursework. Attendance is recorded for all appropriate online and on-ground activities and becomes part of the student's permanent record with the school.

Concorde recognizes, however, that unforeseen situations do occur in students' lives. For this reason, Concorde allows for specific Attendance Warning and Attendance Probation periods.

In all cases, a student will be withdrawn on the first business day following 14 consecutive calendar days of nonattendance online or on ground, excluding holidays published in the school catalog.

### Blended Programs (exclusive of externship & clinical)

Effective: 03/11/2021

Attendance for blended programs/courses may consist of the following:

- **Ground Attendance** (GA) is time awarded for classes scheduled at specific times on campus. Students are scheduled for these classes and any time absent will be recorded. This attendance includes on-campus lecture or lab activities. Students are expected to attend all GA activities within a term.
- **Online Attendance** (OA) are academic activities that a student completes online on his or her own schedule. These would include assignments, projects, simulation, and other academically related non-homework activities. Students will be awarded attendance based on the online completion and/or submission of activities.

**Homework** is incorporated into many classes and is to be completed on the students' own time. Attendance is never awarded for activities identified as homework.

Sample Online Assignments Identified as "Homework"

### Excessive Absences

Effective: 03/11/2021

Excessive absences will prevent a student from achieving course and program outcomes. For the purposes of this policy, excessive absences are defined as:

- Missing more than 20 percent of total scheduled Ground Attendance hours within a module for programs on four-week modules.
- Missing more than 10 percent of total scheduled Ground Attendance hours within a term for programs on 10-week or longer terms.

### Attendance Warning

Effective: 03/11/2021

A student will be advised of their attendance performance and placed on Attendance Warning at the end of the first module or term during which the student has excessive absences. The student will remain on Attendance Warning until the end of the next term or module.

### Attendance Probation

Effective: 03/11/2021

A student who is already in an Attendance Warning status will be advised of possible withdrawal and

placed on Attendance Probation at the end of an Attendance Warning term or module during which the student has excessive absences. A student already on Attendance Probation will be withdrawn immediately upon having excessive absences during the term or module. A student who does not have excessive absences will remain on Attendance Probation until the end of the following term or module.

## Return to Good Standing

Effective: 03/11/2021

A student in an Attendance Warning or Attendance Probation status who does not have excessive absences at the end of a term or module will be notified and returned to good standing.

## Externship Courses

Effective: 03/11/2021

A student must complete all hours designated as externship within the time allotted to pass the externship course. Externship experiences are scheduled in partnership with the externship site. Students must plan sufficiently in advance to attend every day of the scheduled externship experience. In the event a student will be absent from, or will arrive late to a site, the student must contact the site and the appropriate school official immediately upon becoming aware of the situation. Except in cases of documented emergency, notification of absence or tardiness must occur at least 60 minutes in advance of the scheduled start time. If the site supervisor or school official determines that a student is not reliable for any reason, including absences, the student may be removed from the site and may be withdrawn from the program.

## Clinical Classes

Effective: 03/11/2021

Clinical participation is vital to student success, and students are expected to be present, on time, and prepared for every scheduled clinical experience.

- Many programs require full clinical attendance. In these programs, a student must complete 100% of published clinical hours by the last day of the term to pass the class. A student who does not complete all clinical hours in these programs will fail and be required to repeat the clinical class.

- For programs that do not require full clinical attendance, a student may not miss more than 10% of published clinical hours. A student who is absent

more than 10% of the scheduled clinical hours on the last day of the term will fail and be required to repeat the clinical class.

- Some programs' clinical experiences are measured in cases or competencies. For these programs, a student may not miss more than 10% of published clinical hours. A student who is absent more than 10% of the scheduled clinical hours on the last day of the term will fail and be required to repeat the clinical class, *even if all clinical cases or competencies are met.*

If, for any reason, a student will be late or absent for a clinical shift, the student must notify the instructor or other designated Concorde individual immediately upon becoming aware of the situation. Except in the case of a documented emergency, failure to notify of an absence or tardiness at least 60 minutes before a scheduled start time or arriving more than 30 minutes late to a scheduled clinical shift may result in disciplinary actions up to and including withdrawal from the program. Some clinical facilities may have additional or stricter attendance requirements for students. In this case, students are required to follow the attendance policy in place at the clinical facility.

Students who have any absence or absences that result in not completing the required clinical hours, lab competencies, or required cases shall fail the course. Clinical make-up sessions may be provided; however, the program's ability to provide make-up hours is dependent upon scheduling and other factors that may prohibit the availability of clinical make-up hours.

## Online Courses and Programs

Students taking online courses should refer to the Distance Education/Online section of the catalog for specific attendance requirements.

## Success Passport Course

All students will be scheduled to take SPOL1001 Succuss Passport course during week one of their first term. The Success Passport is a non-credit course taught by the Campus Online Success Coach or other campus associate. This course will introduce the Canvas learning platform and other digital tools used in their academic career with Concorde. Under the guidance of the instructor, students will have access to Canvas (Learning Management System) and become familiar with how to use Canvas to setup notifications, navigate courses, submit assignments and much more. The benefit of this course is to provide students with tools that will assist them in their path to program completion, graduation and employment. Completion of this course is not a requirement for graduation.

## Make-Up Work

All graded work or performed competencies (letter grade or pass/fail) not completed by the due date, or missed due to absence, including being tardy or leaving early, will not be eligible for a grade. Students will receive a zero (0) for missed work or an "F" for missed competencies. Instructors may make case-by-case exceptions if a significant, documentable, and infrequent situation caused a student to miss a submission deadline. Instructors will ensure that all students receive equitable consideration when granting extensions.

## Marital, Parental and Military Leave Statuses

Concorde Career Colleges, Inc., complies with all requirements outlined in 34 C.F.R. 106.40 (a) and (b) with regard to the marital or parental status of students. Any student is eligible for leave in the care of pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom for so long a period as deemed medically necessary by the student's physician. The student will be administratively withdrawn from the Institution for this leave period. At the conclusion of the student's leave period, the student will be reinstated to the same academic and enrollment status that he or she held when the leave began. An academic skills assessment may be applicable upon return.

Additionally, Concorde complies with all requirements outlined in 34 C.F.R. 668.18 (a), (e), and (g). Students who have been deployed, or are required to attend military training, will be administratively withdrawn from school for this leave period. The school will promptly readmit a service member into the same or similar program, under the same academic status and tuition at the time of withdrawal; in accordance with regulation, eligibility for this reinstatement is valid for up to one year from return from military service. The cumulative length of absence and of all previous absences from the school for military service may not exceed five years. Only the time the student spends actually performing service is counted. An academic skills assessment may be applicable upon return.

For further information on these statuses and how to apply, please contact a member of the Student Affairs department. For information on how these statuses impact your Financial Aid, please contact a member of the Financial Aid department.

## Campus Safety Policy

Concorde is committed to providing a safe and productive environment for all Concorde associates

and students. To help prevent incidents of violence from occurring, Concorde has implemented this campus safety policy. Concorde expressly prohibits any acts or threats of violence by an associate, student, or former associate against any other associate or student in or about its facilities or clinical sites at any time. Concorde does not condone any acts or threats of violence against associates, students, clients, or visitors by an individual on the school's premises at any time or while such an individual is engaged in business with or on behalf of Concorde, on or off the school's premises. In keeping with the spirit and intent of this policy and to ensure that the objectives in this regard are attained, Concorde is committed to the following policies:

- Providing a safe and healthy work and educational environment.
- Taking prompt remedial action up to and including immediate dismissal of any associate or student who engages in any threatening behavior or acts of violence or uses obscene, abusive, or threatening language or gestures.
- Taking appropriate action when dealing with clients, former associates or students, or visitors to the school's facilities who engage in such behavior. Such action may include notifying the police or other law enforcement personnel and prosecuting violators of this policy.
- Prohibiting associates, former associates, students, clients, and visitors from bringing unauthorized firearms or other weapons onto the school's premises.

In furtherance of this policy, associates and students have a "duty to alert" their supervisors, the Campus President/Director, or Human Resources of any suspicious activity, situations, or incidents that they observe or know of that involve other associates, students, former associates, clients, or visitors and that appear problematic. This would include threats or acts of violence, aggressive behavior, offensive acts, and threatening or offensive comments or remarks. Associate and student reports made pursuant to this policy are held in confidence to the extent possible. Concorde will not condone any form of retaliation against any associate or student for making a report in good faith under this policy.

Threats against individual(s) and/or Concorde should be immediately reported to the Campus President/Director or Human Resources at the Campus Support Center. It is critical that any material relevant to the incident be maintained until Human Resources decides on the proper disposition. Confrontational threats while on campus may be dealt with by the Campus President/Director and Human Resources. Actions may include suspension (for gathering additional facts), written warning, or dismissal.

# Student Code of Conduct

Effective: 06/19/2020

Concorde believes strongly in promoting the development of personal, professional and social responsibility. Concorde also believes in a humanistic approach to discipline conducive to academic pursuits. However, Concorde recognizes that its responsibility for the protection of personal and institutional rights and property is a primary focus of the disciplinary process. Behavior that infringes upon rights, safety or privileges, or that impedes the educational process, is unacceptable and may lead to sanctions up to and including dismissal from the school. Courteous behavior and professional conduct, appropriate to a business environment, is to be displayed at all times.

All students are expected to respect the rights of others and are held responsible for conforming to the laws of the federal, local, and State governments. Students are expected to conduct themselves in a manner consistent with the best interests of Concorde and of the student body.

Concorde's administration reserves the right to develop any policy or take any action(s) deemed appropriate to maintain the safety and well-being of any or all students. Student conduct offenses may be related to persons, property, campus operations, and welfare, and the health or safety of students, faculty and staff.

Concorde reserves the right to discipline and/or dismiss a student, visitor, or employee for any of the following reasons: possession of firearms on campus property; failure to maintain satisfactory academic progress (SAP); failure to pay college fees and/or tuition by applicable deadlines; disruptive behavior (continued willful noncompliance, willful and persistent profanity or vulgarity, open and/or persistent defiance of authority, and/or persistent disrespect of personnel or students). ; posing a danger to the health or welfare of students or other members of the campus community; theft, on or off campus; any form of assault; State and Federal drug law violations; electronic or social media violations; or failure to comply with the policies and procedures of Concorde.

The list of examples is not intended to be all-inclusive, and Concorde reserves the right to act in the best interest of the students, faculty, and staff and may deem actions committed by a student to be a conduct violation, although the action does not appear on a list of examples.

Violation of the conduct policy is grounds for suspension of privileges, up to and including

dismissal from the Institution. The Campus President reserves the right to take any action(s) deemed appropriate to ensure the immediate safety and well-being of any or all students, faculty, and staff.

Students are encouraged to share personal experiences while participating in classes at Concorde. However, students must be aware that should they disclose to any Concorde faculty members or staff information that may cause harm to themselves or others, faculty members and staff are required to report such information to the Academic Dean, Director of Student Affairs, or Campus President.

Every student is subject to federal and state law and respective county and city ordinances. A student who is convicted of any criminal offense which interferes with the orderly operation of the school or which the administration feels would endanger members of the Concorde community shall be subject to disciplinary action.

Infringements of the Student Code of Conduct are handled by the Concorde Academic Dean, Director of Student Affairs, and Campus President. Students have the right to request further review in accordance with the school's "Student Complaint & Grievance Policy" as outlined in this catalog.

Students who are dismissed for a conduct related violation are not eligible for readmission into any Concorde College/Institute campus.

## Student Code of Conduct Offenses Offenses Related to Persons

An offense related to a person is committed when a student:

1. Intentionally or knowingly and without authority or consent limits or restricts the freedom of a person to move about in a lawful manner.
2. Threatens (by any means), intimidates or uses physical or sexual force in a manner that endangers the health or safety of another person or which reasonably causes another person to be fearful of physical or emotional harm.
3. Intentionally harasses another person. Harassment includes, but is not limited to, impeding another persistently or wronging or bothering another persistently.
4. Engages in any activity related to other persons which is prohibited by law or court order.

## Offenses Related to Property

An offense related to property is committed when a student:

1. Knowingly and without consent or authorization possesses, removes, uses, misappropriates, or sells the property or services of another person or of Concorde.
2. Intentionally or negligently damages or destroys property owned or in the possession of another person or of Concorde.
3. Obtains the property of another person by misrepresentation or deceptive means.
4. Enters or uses the facilities or property of another person or Concorde without consent or authorization.
5. Commits a computer-related offense, including, but not limited to, use of a Concorde computer to access graphically prurient or sexually explicit images of persons and/or children.

### Offenses Related to the Operation of Concorde

An offense related to the operation of Concorde is committed when a student:

1. Engages in illegal, obscene or indecent conduct on Concorde property or at Concorde-sponsored events.
2. Forges, alters, possesses, duplicates, or uses documents, records, keys or identification without consent or the authorization of appropriate Concorde officials.
3. Fails without just cause to comply with the lawful order of a Concorde official acting in the performance of his/her duties and authority.
4. Engages in solicitation in or on Concorde property or involving the use of campus property unless such solicitation is approved by appropriate Concorde officials.
5. Operation of any audio or video recording device without prior approval.
6. Intentionally acts to impair, interfere with, or obstruct the orderly conduct, processes, and functions of Concorde.

### Offenses Related to Welfare, Health or Safety

An offense related to welfare, health or safety is committed when a student:

1. Uses, possesses, or manufactures, without Concorde authorization, firearms, explosives, weapons, unregistered fireworks, illegal chemical or biological agents or other dangerous articles or substances injurious to persons or property.
2. Falsely reports a fire, activates emergency warning equipment, or communicates false

- information regarding the existence of explosives or hazardous materials on Concorde property.
3. Abuses, removes, or damages fire and safety equipment or fails to vacate a building or facility when a fire alarm is activated.
  4. Fails to leave a building, streets, walks, driveways or other facilities of Concorde when directed to do so by an official of the campus having just cause to so order.
  5. Uses, possesses, distributes, sells, purchases or is under the influence of alcohol, narcotics, hallucinogens, dangerous drugs, or controlled substances.

## Non-Discrimination Policy

Effective: 08/14/2020

Concorde is committed to maintaining a working and learning environment that is free from discrimination and harassment for all Concorde associates and students, including persons interested in applying to participate in a Concorde education program or activity as an employee or student. Accordingly, Concorde does not discriminate or harass, and will not tolerate any form of discrimination or harassment, on the basis of race, color, national origin, sex, including but not limited to sexual orientation and gender expression or identity, disability, or age in its education programs and activities. The following persons have been designated to handle inquiries regarding Concorde's Non-Discrimination Policy:

Koula Foura M.Ed

Student Affairs Director

Lead Title IX Coordinator

Lead ADA Coordinator

Concorde Career Colleges

5800 Foxridge Drive, Suite 500

Mission, KS 66202

Office: 913.745.2219

Fax: 913.831.6556

Email: [TITLEIX@concorde.edu](mailto:TITLEIX@concorde.edu)

For additional information regarding Concorde's policy against sex discrimination or harassment and

grievance procedures to address allegations of sex discrimination or harassment, please see the Title IX policy.

## Sexual Harassment

Effective: 08/14/2020

Sexual harassment includes conduct on the basis of sex that satisfies one or more of the following: (1) an employee conditioning the provision of an aid, service or benefit of Concorde on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to Concorde's education program or activity; and/or (3) Sexual Assault, Dating Violence, Domestic Violence, or Stalking as defined herein.

- **Dating Violence.** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the survivor/victim based on the reporting party's statements, with consideration given to the length of the relationship, type of the relationship, and the frequency of interaction between persons in the relationship. Dating Violence includes but is not limited to sexual or physical abuse or threat of such abuse but does not include acts covered as Domestic Violence (defined below).
- **Domestic Violence.** A felony or misdemeanor crime of violence committed by a: (1) current or former spouse or intimate partner of the victim; (2) person with whom the victim shares a child in common; (3) person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (4) person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or (5) any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
- **Sexual Assault.** An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting program.
- **Stalking.** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress.

## Racial, Religious, or National Origin Harassment

Racial, religious, or national origin harassment deserves special mention as well and is expressly prohibited by this policy. Racial, religious, or national origin harassment includes any verbal, written, or physical act in which race, religion, or national origin is used or implied in a manner that would make a reasonable student or associate uncomfortable in the work and learning environment. Examples of racial, religious, or national origin harassment include jokes that include reference to race, religion or national origin, the display or use of objects or pictures that adversely reflect on a person's race, religion, or national origin, or use of language that is offensive due to a person's race, religion, or national origin.

## How to Report Instances of Discrimination or Harassment

Concorde cannot resolve matters that are not brought to its attention. Any associate or student, regardless of position or program, who has a complaint of or who witnesses discrimination or harassment at work or school by anyone, including supervisors, managers, associates, nonassociates or students, has a responsibility to immediately bring the matter to Concorde's attention. To bring instances of discrimination or harassment to Concorde's attention, an associate or student must immediately complain to either of the following individuals who are responsible for enforcing this policy: the Campus President/Director or Human Resources, Concorde Career Colleges, Inc. Complaints of sexual misconduct or harassment should be reported to the Campus President/Director and/or campus Title IX Coordinator.

## Concorde's Commitment to No Discrimination or Harassment Policy

If a student feels that Concorde has not met its obligations under the policy, he or she should contact Human Resources at Concorde Career Colleges, Inc.

## Sex Discrimination and Harassment Prohibition—Title IX Policy

Effective: 08/14/2020

Concorde does not discriminate on the basis of sex in the education programs and activities it operates, including but not limited to admissions, recruiting, financial aid, academic programs, student services, counseling and guidance, discipline, class

assignments, grading, recreation, extracurricular activities and employment. Concorde is committed to offering an education and working environment that is free from discrimination and harassment on the basis of sex, sexual orientation, gender identity, and gender expression ("Sex Discrimination"), and free from Sexual Violence (including sexual assault) and Relationship Violence (including domestic violence, dating violence and stalking). Such discrimination is inconsistent with Concorde's values and is prohibited by law, including by Title IX to the Education Amendments of 1972 ("Title IX"). Thus, Concorde prohibits Sex Discrimination, Sexual Violence and Relationship Violence (together, the "Prohibited Conduct"), as set forth herein, and is committed to taking action, to the extent possible (i) to stop behavior that violates this policy; (ii) to take remedial action to overcome the effects of Prohibited Conduct and ensure equal access to its educational programs and activities; (iii) to prevent the recurrence of Prohibited Conduct; and (iv) to prevent and respond to retaliation against anyone who, in good faith, reports or is involved in the investigation into or resolution of allegations of Prohibited Conduct. In so doing, the College will administer prompt, fair and impartial investigations and disciplinary proceedings to respond to reports of Prohibited Conduct via its Title IX Grievance Procedures located within this policy and provide equal and timely access to information that will be used in any informal and formal proceedings and meetings related to said reports, and offer and implement interim measures to protect and support those directly involved and affected by the alleged behavior. In implementing this policy, Concorde acknowledges that every victim or survivor of Prohibited Conduct has the right to be taken seriously and every respondent to allegations of Prohibited Conduct has the right to know that guilt is not presumed.

The prevention and elimination of sexual harassment is of special concern to Concorde. Sexual harassment includes conduct on the basis of sex that satisfies one or more of the following: (1) an employee conditioning the provision of an aid, service or benefit of Concorde on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to Concorde's education program or activity; and/or (3) Sexual Assault, Dating Violence, Domestic Violence, or Stalking as defined herein.

· **Dating Violence.** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the survivor/victim based on the reporting party's statements, with consideration given to the length of the relationship,

type of the relationship, and the frequency of interaction between persons in the relationship. Dating Violence includes but is not limited to sexual or physical abuse or threat of such abuse but does not include acts covered as Domestic Violence (defined below).

· **Domestic Violence.** A felony or misdemeanor crime of violence committed by a: (1) current or former spouse or intimate partner of the victim; (2) person with whom the victim shares a child in common; (3) person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (4) person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or (5) any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

· **Sexual Assault.** An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting program.

· **Stalking.** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress.

Concorde regards all such conduct and retaliation for the reporting of such conduct as creating a hostile and offensive work and learning environment in violation of this policy.

The following person has been designated to handle inquiries regarding Concorde's Title IX Policy:

Koula Foura, M.Ed

Student Affairs Director

Lead Title IX Coordinator

Lead ADA Coordinator

Concorde Career Colleges

5800 Foxridge Drive, Suite 500

Mission, KS 66202

Office: 913.745.2219

Fax: 913.831.6556

Email: [TITLEIX@concorde.edu](mailto:TITLEIX@concorde.edu)

A person may also file a complaint with the Department of Education's Office for Civil Rights

regarding an alleged violation of Title IX by visiting [www2.ed.gov/about/offices/list/ocr/complaintintro.html](http://www2.ed.gov/about/offices/list/ocr/complaintintro.html) or calling 1-800- 421-3481. Employees may also file a charge with the Equal Employment Opportunity Commission regarding an alleged violation of Title VII by calling 1-800-669-4000 or visiting <https://www.eeoc.gov/employees/howtofile.cfm>.

## Sex Discrimination and Harassment Prohibition Procedures—Title IX Procedures, Including Grievance Procedures

Effective: 08/14/2020

### I. Introduction

**A. Purpose:** The purpose of these procedures is to implement Concorde's Sex Discrimination and Harassment Prohibition—Title IX Policy. Capitalized terms shall have the meaning ascribed to them in the Definitions Section set forth below.

**B. Jurisdiction:** These procedures apply to Prohibited Conduct as defined by Concorde's Sex Discrimination and Harassment Prohibition—Title IX Policy 04-018 where Concorde has Actual Knowledge of such conduct occurring either on or off campus property where one of the following conditions is met:

1. The conduct occurred in connection with an officially recognized education program or activity;
2. The conduct occurred at a location or event or under circumstances over which Concorde exercised substantial control over both the Respondent and the context in which the conduct occurred; or
3. The conduct occurred on property owned or controlled by a student organization that is officially recognized by Concorde.

**C. Scope:** These procedures apply to Prohibited Conduct between the following parties located in the United States at the time of the incident:

1. Student Complainant and student Respondent;
2. Student Complainant and employee Respondent;
3. Student Complainant and third-party Respondent;
4. Employee Complainant and student Respondent;

5. Employee Complainant and employee Respondent;
6. Employee Complainant and third-party Respondent;
7. Third party Complainant and student Respondent; and
8. Third party Complainant and employee Respondent.

**D. Administration:** Concorde's Lead Title IX Coordinator(s) shall be responsible for implementing these procedures consistent with applicable Concorde policy and relevant local, state and federal laws, and ensuring that all those involved in (1) the receipt of reports of Prohibited Conduct, (2) the referral or provision of services related to Prohibited Conduct, or (3) Concorde's investigation and conduct of Grievance Procedures for reports of Prohibited Conduct receive required training.

**Reporting Prohibited Conduct:** Anyone (student, employee, or third-party) may make a report of Prohibited Conduct, whether the Prohibited Conduct was directed at such person or not and may do so at any time. Concorde encourages everyone to report actual or suspected violations of Concorde's Sex Discrimination and Harassment Prohibition—Title IX Policy as soon as practicable to aid in Concorde's response to such conduct.

**A. Methods of Reporting:** In order to ensure a prompt response, including the provision of Supportive Measures, the College requires anyone reporting Prohibited Conduct to do so by contacting the College's "Officials With Authority" immediately. The Officials With authority will report the incident to the Lead Title IX Coordinator through one of the following methods but preferably through emailing the [TITLEIX@concorde.edu](mailto:TITLEIX@concorde.edu) inbox immediately. If there is an emergency on campus, contact the authorities, call one of the designated employees on the Red Alert list and email the [RedAlert@concorde.edu](mailto:RedAlert@concorde.edu) with a summary of events in addition to emailing the [TitleIX@concorde.edu](mailto:TitleIX@concorde.edu) inbox.

**B.** The following person has been designated to handle inquiries regarding Concorde's Title IX Policy at any time to include non-business hours via direct mail, email or phone:

Koula Foura, M.Ed

Student Affairs Director

Lead Title IX Coordinator

Lead ADA Coordinator

Concorde Career Colleges  
5800 Foxridge Drive, Suite 500  
Mission, KS 66202

Office: 913.745.2219

Fax: 913.831.6556

Email: [TITLEIX@concorde.edu](mailto:TITLEIX@concorde.edu)

**C.** An anonymous report may be filed with Lighthouse, a third-party service, by calling, emailing or filing an online report as provided below.

a. 1-855-400-6004

b. [reports@lighthouse-services.com](mailto:reports@lighthouse-services.com)

c. Website: [www.lighthouse-services.com/concorde](http://www.lighthouse-services.com/concorde)

**D. Initial Response to Report:** Following receipt of a report of potential Prohibited Conduct, the Lead Title IX Coordinator shall:

1. Acknowledge receipt of the report to the reporter if possible (i.e., if not anonymous);

2. Document the acknowledgement of report by using "**Title IX Complaint**" Activity code.

3. Any subsequent conversations should be documented using the "**Title IX Correspondence**" activity code with a general summary of conversation, not to include specifics.

4. Promptly contact the Complainant to:

i. Discuss availability of supportive measures (which must be made available with or without filing a Formal Complaint);

ii. Explain the process for filing a Formal Complaint; and

iii. Discuss the Complainant's wishes regarding how Concorde should respond to the allegations;

iv. Discuss options for notifying law enforcement including the right to decline to notify law enforcement and the right to be assisted in making a report to law enforcement if he/she chooses;

v. Provide written information about the importance of seeking medical treatment and preserving evidence as soon as practicable after an incident;

vi. Provide information on availability and contact information for resources (both on and off campus) available to an alleged victim of Prohibited Conduct; and

vii. Explain how Concorde will protect the privacy and confidentiality of the alleged Complainant, Respondent and witnesses to the extent practicable pursuant to Concorde's Privacy Policy outlined in section I.K. below.

5. Consider the facts reported and, assuming their truth for purposes of determining whether interim measures are appropriate, consider whether:

i. an emergency removal of a student, employee or visitor from campus is appropriate;

ii. an administrative leave of an employee is appropriate; and

iii. whether other interim measures may be appropriate, including but not limited to the adjustment of class schedules.

iv. To conduct further inquiry to discover additional facts including:

a. Identifying and interviewing witnesses;

b. Contacting and interviewing the Respondent; and

c. Contacting and cooperating with law enforcement.

**E. Supportive Measures:** Supportive Measures may be requested by any party (Complainant(s) or Respondent(s)), whether or not a Formal Complaint is filed; a report is filed with law enforcement; or the Complainant decides to pursue any other process offered by the College. Requests for Supportive Measures should be submitted to the Lead Title IX Coordinator. Concorde shall offer Supportive Measures on an equitable basis to Complainant(s) and Respondent(s) alike.

**F. Identifying and Locating Witnesses:** It is Concorde's responsibility to identify and locate witnesses to an alleged incident of Prohibited Conduct. The Complainant is encouraged to identify any known witnesses at the time they report Prohibited Conduct, including but not limited to when filing a Formal Complaint.

**G. Contacting and Interviewing Respondent:** Concorde will make every effort not to contact the Respondent until such time as a Formal Complaint is filed. The Complainant will be notified of the College's intent to contact and interview the Respondent prior to said contact.

## H. Contacting and Cooperating with Law Enforcement:

**Enforcement:** A Complainant has the right to notify law enforcement or to decline to notify law enforcement.

**I. Importance of Preserving Evidence:** Survivors/ Victims of sexual violence should take steps to preserve all physical evidence to assist in proving that a crime occurred or in obtaining an order of protection, restraining order or other such court order.

**J. Privacy:** The College will protect the identity of parties and witnesses involved in the resolution of a report of Prohibited Conduct to the extent doing so does not unreasonably interfere with legally protected rights of others, the investigation into and resolution of the reported conduct, or the implementation of Supportive Measures, sanctions or remedies.

## II. Formal Complaint Process

**A. General:** The filing of a Formal Complaint will trigger the formal investigation and hearing procedures (collectively referred to as "Grievance Procedures") set forth herein. Even in the absence of a Formal Complaint, a Respondent may be subject to discipline through other applicable College procedures and the College may still take other remedial action to address the alleged conduct if said conduct does not rise to the level of a Title IX violation or Prohibited Conduct. There is no deadline for the filing of a Formal Complaint, although Concorde encourages individuals to do so as early as possible following an incident.

**B. Filing a Formal Complaint:** A Formal Complaint may not be anonymous. It must be submitted in writing and signed by either:

1. The Complainant; or
2. The Lead Title IX Coordinator.

**C. Notice of Formal Complaint:** Within five (5) business days following the filing of a Formal Complaint, the Lead Title IX Coordinator shall send written notice simultaneously to all parties identified in the Formal Complaint containing the following information:

1. A copy of these Procedures;
2. Notice of the allegations and the type(s) of Prohibited Conduct implicated, including a reference to the Section of the Concorde policy such alleged conduct, if proven, would violate;

3. The identity of the parties involved in the alleged incident, including the Complainant and witnesses, if any are known;

4. The date, time and location of the alleged incident (if known);

5. The parties' right to an advisor of their choice, who may, but need not, be an attorney;

6. A statement that the Respondent is presumed "not responsible" for the alleged conduct and that a determination will be made only at the conclusion of the Grievance Procedures;

7. A statement regarding the parties' right to inspect and review evidence;

8. The provision of any College policy that prohibits knowingly making false statements or knowingly submitting false information to a College official during these or other College proceedings.

9. A statement prohibiting retaliation;

10. A statement regarding the availability of resources and Supportive Measures for the parties; and

11. A statement regarding Concorde's duty to update the Notice if there are any substantive changes to the information contained in the original Notice (e.g., the inclusion of additional allegations in the investigation or receipt of new evidence, including but not limited to the identity of additional witnesses).

**D. Consolidation of Formal Complaints:** Concorde may consolidate Formal Complaints containing allegations of Prohibited Conduct against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations arise out of the same facts or circumstances.

**E. Informal Resolution:** At any time following the filing of a Formal Complaint, Concorde may consider whether or not Informal Resolution, as described in Section VIII of these Procedures, may be appropriate.

## III. Grievance Procedures—General

**A. Timeframes and Extensions:** The parties have the right to expect that the Grievance Procedures set forth herein will begin promptly following the filing of a Formal Complaint and proceed in a timely manner. Concorde shall consider requests for extensions or delays, only for good cause. If the process is delayed or a deadline is extended, the College will so notify the parties, in writing. The College will make a good

faith effort to complete the grievance process within 60-90 days, though extensions may be allowed for good cause.

**B. Fair and Equitable Treatment of all Parties:** The College will provide fair and equitable treatment to all parties involved in the Grievance Process, including the following:

1. Every Complainant has the right to be taken seriously and every Respondent has the right to know that guilt is not presumed.
2. All parties will have an equal opportunity to inspect and review evidence, both inculpatory and exculpatory, obtained as part of investigation that is directly related to allegations raised in a Formal Complaint;
3. All parties will have an equal opportunity to present fact and expert witnesses, and other inculpatory or exculpatory evidence;
4. Concorde will conduct an objective evaluation of all relevant evidence;
5. All parties may be accompanied by an advisor of their choice during any aspect of the Grievance Process where the party's presence has been requested;
6. Concorde will not place a limit on the choice of advisor for either party, though said advisor will be expected to abide by any applicable rules of decorum established by Concorde;
7. Any written notice to a party whose participation is invited or expected will contain the date, time, location, identity of participants and purpose of the meeting/hearing and will be sent with sufficient time to allow the parties to prepare to participate;
8. The parties will not be restricted from discussing the allegations under investigation, or from gathering evidence or witnesses bearing in mind that conduct constituting Retaliation or witness tampering or intimidation is a violation of Concorde's retaliation statement within the college catalog.
9. Any written notice, report or determination made in accordance with the Grievance Process shall be sent simultaneously to all parties involved.

**C. Prohibited Evidence:** The following evidence will not be sought, relied upon or otherwise used in the investigation of a Formal Complaint or in making a determination about responsibility:

1. Information protected by a legally recognized privilege, UNLESS the person holding the privilege

has provided Concorde with voluntary written consent to use such information or has otherwise waived the privilege;

2. Information about the Complainant's past sexual behavior or predisposition EXCEPT in compliance with federal rape shield and other statutory protections.

**D. Sanctions & Remedies:** A final determination of responsibility for Prohibited Conduct against a Respondent may result in the sanctions up to and including termination of enrollment in and/or employment with Concorde.

**E. Qualifications of Investigators, Decision-Makers and Facilitators:** All those involved in the investigation or resolution of allegations of Prohibited Conduct shall:

1. Serve impartially and be free from actual or reasonably perceived conflicts of interest or bias; and
2. Be trained, as required by law, to include: definitions of and issues related to Prohibited Conduct; how to conduct an investigation and hearing; how to serve impartially and avoid prejudice; how to make determinations on relevancy of evidence; how to create an investigative report; how to evaluate credibility; how to synthesize evidence; and how to avoid sex stereotypes or generalizations based on sex.

#### **IV. Grievance Procedures—Investigation**

**A. Assignment of Investigator:** Within three (3) business days of the receipt of a Formal Complaint, the Lead Title IX Coordinator shall appoint an investigator. The identity of and contact information for the assigned investigator shall either be included in the Notice of Formal Complaint described in Section II. A. above or the Lead Title IX Coordinator shall send written notice to all parties containing that information along with an explanation of the process for challenging the assignment based on conflict of interest or bias. Any challenge must be resolved before the investigation process may begin.

**B. Evidence Gathering:** The investigator shall be responsible for gathering evidence, both inculpatory and exculpatory, relevant to the allegations contained in the Formal Complaint. At minimum, the investigator shall take reasonable steps to interview all parties. After available evidence has been gathered, the investigator will send the parties and their advisors (if any) the evidence directly related to the allegations raised in the Formal Complaint in either electronic or hard copy format (at the discretion of the investigator). The parties shall have 10 days to submit a written response to the

investigator, which response will be considered in completing the investigative report. All said evidence shall be available to the parties for inspection and review at any hearing.

**C. Investigative Report:** Within ten (10) business days of receiving the parties' responses to the evidence and/or expiration of the deadline for submission of the responses, the investigator shall send to the parties, a written investigative report that summarizes relevant evidence. The parties shall have 10 business days to submit to the investigator a written response.

**1. Consolidated Complaints:** Where a decision has been made to consolidate complaints, the investigator may create a single investigative report for all said complaints.

**2. Parties' Response:** In the written response, parties may propose corrections, provide appropriate context, raise defenses, identify missing relevant evidence or raise any other issues in relation to the evidence they feel it is important for the Grievance Officer to consider. Failure to submit a response will NOT preclude the parties from raising those issues later in the Grievance Process, such as during any future hearing.

## V. Grievance Procedures--Pre-Hearing

**A. Submission of Investigative Report & Response(s):** Within one (1) business day of receiving the parties' responses or expiration of the deadline to submit said responses, the investigator shall send a copy of the investigative report and the parties' responses, if any, to the Lead Title IX Coordinator.

**B. Title IX Determination:** The Lead Title IX Coordinator shall review the investigative report and responses thereto and decide whether or not the alleged conduct, if proven, would constitute Sex Discrimination or Sexual Harassment as defined by Title IX of the Education Amendments of 1972 (20 U.S.C. 1681, et. seq.) and its implementing regulations (34 CFR §106 et. seq.). A written decision and reasons therefore shall be sent to the parties within ten (10) business days of the Lead Title IX Coordinator's receipt of the investigative report and responses:

**1. Title IX Compliant Hearing Referral:** If the Lead Title IX Coordinator determines that the alleged conduct, if proven, does constitute Sex Discrimination or Sexual Harassment as defined by Title IX, the Lead Title IX Coordinator shall appoint a Grievance Officer to conduct a hearing in accordance with Section VII below.

**2. Dismissal of Formal Complaint:** If the Lead Title IX Coordinator determines that the alleged conduct, if proven, does not constitute Sex Discrimination or

Sexual Harassment as defined by Title IX, the Formal Complaint shall be dismissed. The Lead Title IX Coordinator also has discretion to dismiss the Formal Complaint or any allegations therein if:

i. The Complainant notifies the Lead Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or allegations therein;

ii. The Respondent is no longer enrolled or employed by the College; or

iii. Specific circumstances prevent the College from gathering evidence sufficient to reach a determination as to the Formal Complaint.

**3. Referral to Other College Processes:** If, in the course of investigating the Formal Complaint, conduct is alleged or discovered that may violate any other College Policy (e.g., the Code of Student Conduct), the Lead Title IX Coordinator may refer the matter for consideration through any other applicable College process.

**C. Appeal of Title IX Determination:** To the extent the Lead Title IX Coordinator determines that the alleged conduct does not constitute Sex Discrimination or Sexual Harassment as defined by Title IX, that decision may be appealed by any party, utilizing the process set forth in Section E below. Any other applicable process should not proceed until the appeal has been decided or the deadline for filing an appeal has expired.

## VI. Grievance Procedures—Hearing & Appeal

**A. Assignment of the Grievance Officer:** Within three (3) business days of the Title IX Determination set forth in Section VI. C above (which deadline may be extended if an appeal of the determination has been filed), the Lead Title IX Coordinator will appoint a Grievance Officer to conduct a hearing to determine responsibility. A copy of the investigative report and party response(s), if any, shall be provided to the Grievance Officer. Within three (3) business days of the assignment, written notice of the identity of and contact information for the Grievance Officer and an explanation of the process for challenging the assignment based on conflict of interest or bias shall be sent to all parties. Any challenge must be resolved before the hearing process may begin.

**B. Notice of Hearing:** Within three (3) business days following assignment of the Grievance Officer or any decision regarding a challenge to that assignment, the Grievance Officer shall notify the parties, in writing, of the date, time, and location of the hearing along with their Notice of Hearing Rights &

Responsibilities. The Notice of Hearing must be sent at least ten (10) business days prior to the assigned hearing date.

**1. Consolidated Complaints:** In situations where complaints have been consolidated as described herein, the Grievance Officer may choose to conduct a single hearing, or divide the hearings, as appropriate. Parties have the right to object to consolidation if they believe such consolidation would prejudice their rights. Any objection shall be heard by the Grievance Officer before the start of the hearing.

**2. Consolidated Hearings:** In situations that involve Prohibited Conduct and conduct that may violate other College Policies or standards of conduct, the College reserves the right to consolidate the hearings on all conduct violations utilizing these procedures. The Notice of Hearing will include any decision to consolidate hearings.

**C. Advisor Identification:** Within ten (10) business days prior to the assigned hearing date, the parties must notify the Grievance Officer, in writing, of the name and contact information of the advisor they have chosen to attend the hearing and conduct questioning on their behalf. The Grievance Officer will assign an advisor to attend the hearing for any party who fails to provide this notification. The College will ensure that any assigned advisor understands the purpose and scope of her/his role, including how to conduct questioning.

#### D. Hearing

**1. Live Hearing:** A live hearing will be conducted with all parties physically present in the same geographic location, or "virtually" present through the use of technology enabling the participants to simultaneously hear and see one another. An audio or audiovisual recording, or transcript of the hearing will be created and available for inspection and review by any party.

**2. Closed Hearing:** The hearing shall be closed, meaning that only the parties and decision-maker(s) shall be present for the entirety of the hearing. Witnesses will be present (virtually or in person) only while providing their testimony.

**3. Opening Remarks:** The Grievance Officer will open the hearing by summarizing the following:

- i. The allegations contained in the Formal Complaint;
- ii. The sections of the applicable Policy implicated by the allegations; and
- iii. The guidelines and rules governing the hearing.

**4. Presentation of Evidence:** All parties will have an equal opportunity to make statements and present relevant evidence of any sort (e.g., documents, recordings, witness testimony, etc.) regardless of whether or not that evidence was provided or considered in the investigation process.

**i. Questioning:** The Grievance Officer and the parties shall have an opportunity to pose relevant questions and follow-up questions of the parties and witnesses. All said questioning must be conducted directly, orally, and in real time. Only a party's advisor, NOT the party her/himself, may conduct said questioning on behalf of the party. The Grievance Officer may ask questions at any time. The Grievance Officer does not have authority to compel the testimony of any person (party or witness). If a party or witness fails to submit to questioning at the hearing, the Grievance Officer may not rely on any statement of that party or witness in reaching a determination regarding responsibility.

**ii. Relevancy Determinations:** Before a party or witness answers a question from another party, the Grievance Officer must determine if the question is relevant and explain any decision to exclude the question as not relevant. A challenge to that determination can be made at the hearing. Prohibited Evidence as described herein is considered to be, per se NOT relevant.

**5. Closing Remarks:** After all parties have finished their presentation of evidence, they will each be given an opportunity to give brief closing remarks, summarizing their position, including any request for action to be taken. The hearing will then be closed, and no further statement or evidence will be accepted or considered by the Grievance Officer prior to making a determination regarding responsibility.

**6. Determination Regarding Responsibility:** The Grievance Officer will make a determination regarding responsibility within ten (10) business days following the close of the hearing and provide written notice of that determination to the parties and Lead Title IX Coordinator. In making that determination, the Grievance officer will objectively evaluate the investigative report and all relevant evidence (both inculpatory and exculpatory), weigh the credibility of the evidence and testimony, and apply the requisite standard of proof.

**i. Standard of Proof:** The standard of proof that will be utilized by the Grievance Officer in making a determination regarding responsibility will be preponderance of the evidence. This means that the Grievance Officer will determine if it is more likely than not that the Respondent is responsible for the alleged Prohibited Conduct.

**ii. Determinations Regarding Affirmative Consent:** It shall not be a valid excuse to alleged lack of consent that the Respondent believed there was valid consent due to the following circumstances:

- a. Intoxication or recklessness of the Respondent;
- b. Failure of Respondent to take reasonable steps to ascertain whether or not there was affirmative consent.

**iii. Consideration of Results of Other Investigations or Processes:** The results of other investigations or procedures (e.g., criminal or administrative) may be considered but will not be deferred to or relied upon in making a determination regarding responsibility.

**iv. Consideration of Prior Findings of Prohibited Conduct:** The Grievance Officer may only consider a Respondent's prior findings of responsibility for Prohibited Conduct or other relevant misconduct in determining appropriate sanctions and not in any finding of responsibility for the current matter.

**v. Determination Notice:** The notice of the determination regarding responsibility shall include, at minimum, the following:

- a. Identification of the allegations constituting Prohibited Conduct;
- b. A description of the procedural steps taken from receipt of the Formal Complaint through determination;
- c. Findings of fact supporting the determination;
- d. Conclusions regarding the application of the College's policies and procedures to the facts;
- e. A statement of and rationale for the result as to each allegation including a determination regarding responsibility, any sanction that will be imposed on Respondent, and whether any remedies provided to Complainant were designed to restore or preserve equal access to the College's program or activity;
- f. The process and bases to appeal the determination; and
- g. A statement that the results will become final either on the date the College provides the parties with the written determination of the result of the appeal (if an appeal is filed), or the date on which the appeal would no longer be considered timely (the appeal deadline).

## **E. Appeal**

**1. Eligibility:** Any party is eligible to appeal a determination regarding responsibility or Title IX determination per section D above.

**2. Bases for Appeal:** The following are the only bases upon which an appeal will be considered:

**i. Procedural irregularity:** there was an irregularity in the processing of the Formal Complaint (e.g., investigation or hearing) that affected the outcome of the matter;

**ii. New Evidence:** there is evidence that was not reasonably available before or at the time the determination regarding responsibility was made that could reasonably affect the outcome of the matter; or

**iii. Conflict of Interest:** The Lead Title IX Coordinator, investigator and/or grievance officer had a conflict of interest or bias for or against survivors/victims or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter.

**3. Written Appeal:** In order to initiate the appeal process, a party must submit the appeal, in writing, to the Lead Title IX Coordinator no later than fifteen (15) business days following receipt of the Determination Notice. The appeal must be based upon at least one of the allowable bases for appeal. Upon receipt of the Appeal the Lead Title IX Coordinator will send a Notice of Appeal to all parties providing them with the copy of the written appeal and allowing for both parties to submit to the Lead Title IX Coordinator a written statement in support of or challenging the relevant determination and any statements contained in the Appeal.

**4. Assignment of Appellate Officer:** Within three (3) business days following receipt of the parties' statements or expiration of the deadline to submit statements, the Lead Title IX Coordinator will assign an Appellate Officer to consider the appeal and will provide written notice to the parties of the identity of and contact information for the Appellate Officer along with an explanation of the process for challenging the assignment based on conflict of interest or bias. Any challenge must be resolved before the Appeal review process may begin.

**5. Review Process:** For purposes of considering and coming to a conclusion about the appeal, the Lead Title IX Coordinator will provide the Appellate Officer with access to the Appeal, written responses thereto, written determination subject to appeal, Hearing record (if applicable), Investigative Report and any other relevant records received, created or maintained as part of these procedures. The Appellate Officer has authority to conduct additional

interviews or inquiries only as may be necessary to seek clarification on issues specifically raised in the Appeal.

**6. Appeal Decision:** Within ten (10) business days following receipt of the Appeal and relevant materials, the Appellate Officer will make a determination and provide written notice to all parties, with a copy to the Lead Title IX Coordinator, of the result of the appeal and the rationale for that result.

### **VII. Informal Resolution:**

**A. Applicable Process:** To the extent the College offers an informal resolution process through other policies or procedures applicable to the parties, the parties may request that the Lead Title IX Coordinator refer the matter to the Informal Resolution process. This may be done at any time prior to a determination of responsibility set forth above.

**B. Conditions:** The following conditions must be met for the Lead Title IX Coordinator to refer the matter for informal resolution:

1. The Lead Title IX Coordinator determines that the matter is appropriate for informal resolution;
2. The matter does not involve allegations that an employee sexually harassed a student;
3. The Lead Title IX Coordinator provides written notice to the parties of
  - i. The allegations;
  - ii. The requirements of the informal resolution process, including any circumstances that might preclude the parties from resuming the process described herein;
  - iii. The process to challenge the appointment of an informal resolution facilitator due to a conflict of interest or bias;
  - iv. the consequences of participation in informal resolution, including any records that could be created, maintained or shared;
  - v. the right to withdraw from the informal resolution process at any time prior to reaching agreement.
4. The Lead Title IX Coordinator has obtained voluntary written consent to informal resolution from all parties.

**C. Effect:** If the conditions have been met and the parties' consent to participation in the informal resolution process, any proceedings initiated herein

shall be suspended unless the Lead Title IX Coordinator determines that doing so would put others at risk. These Grievance Procedures may be resumed at the request of either party at any time during the informal process.

**VIII. Emergency Removal:** Any time after the receipt of a report of Prohibited Conduct, the College may consider an emergency removal of Respondent from Campus, some part of Campus or from and the College's education programs or activities so long as the following conditions are met.

**A. Required Assessment:** The College performs an individualized safety and risk assessment that determines whether or not there is an immediate threat to the physical health or safety of any individual (student, employee or third party) arising from the allegations that justifies removal.

**B. Notice:** If the College decides to implement an emergency removal, it will provide written notice to the Respondent of that decision explaining the implications of that removal, the length of time the removal will remain in effect, and the Respondent's right to challenge the decision.

**C. Effect of Removal:** Any investigation into or determination of responsibility regarding allegations of Prohibited Conduct will follow the procedures contained herein, regardless of the Respondent's removal, though additional precautions may be necessary to address any ongoing threat.

**IX. Recordkeeping:** The Lead Title IX Coordinator shall keep for a period of 7 years from the date they were created, records of each investigation, determination regarding responsibility, hearing transcript or recording, sanctions imposed on a Respondent, remedies provided to a Complainant, appeal and result therefrom, informal resolution, training materials described herein, actions and supportive/protective measure taken or refused in response to reports of Prohibited Conduct.

**Definitions.** For purposes of this policy and these procedures, the following terms shall have the meanings set forth below:

**1. Actual Knowledge:** Notice of Prohibited Conduct or allegations of Prohibited Conduct made to the Lead Title IX Coordinator or Officials With Authority.

**i. Officials With Authority:** The following campus leaders are considered "Officials With Authority" who are deemed to have Notice of Prohibited Conduct or allegations of Prohibited Conduct – Campus President, Academic Dean and Director of Student Affairs/Title IX Coordinator. Any other campus employee is not an Official With Authority and should

direct any Complainant to an Official With Authority or take the Complainant's statement and bring it to an Official With Authority.

**2. Affirmative Consent:** Affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in sexual activity to ensure that the other(s) involved affirmatively consent(s) to engage in sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them should never by itself be assumed to be an indicator of consent. Valid consent does not exist if Respondent knew or should have known that Complainant was unable to consent because Complainant was asleep or unconscious; was incapacitated due to drugs, alcohol or medication; or Complainant was unable to communicate due to a mental or physical condition.

**3. Amnesty:** Protection from disciplinary action against a reporting party, Complainant, or witness for participation in the reporting, investigation or adjudication of Prohibited Conduct for a violation of the College's conduct policies related to the incident unless the College determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk.

**4. Complainant:** An individual at whom conduct that meets the definition of Prohibited Conduct is directed or alleged to have been directed. A Complainant must be participating or attempting to participate in the College's education program or activity at the time of filing a formal complaint. A person may be a complainant, or a respondent, even where no formal complaint has been filed and no grievance process is pending

**5. Days:** Any reference to "days" contained in these procedures shall mean business days, excluding all recognized federal and state holidays and breaks during which classes are not in session.

**6. Education Program or Activity:** all academic, educational, extracurricular, athletic, and other programs of Concorde occurring in the U.S., including locations or events, or circumstances over which the College exercised substantial control over both the Respondent and the context in which the sexual discrimination or harassment occurs, and also includes buildings owned or controlled by a student organization that is officially recognized by Concorde.

**7. Grievance Procedures:** Procedures adopted and published by Concorde as set forth as in this policy.

**8. "In Writing":** Use of the phrase "in writing" shall refer to submission of materials either electronically (e.g., via email or via hard copy format, sent via facsimile, U.S. mail or courier service, interoffice mail, or personal delivery) to the Lead Title IX coordinator.

**9. Supportive Measures:** Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without a fee or charge after Concorde obtains Actual Knowledge that Prohibited Conduct may have occurred, including but not limited to before or after the filing of a Formal Complaint. Supportive Measures must be available to Complainants and Respondents on an equitable basis and must be designed to:

- i. restore or preserve equal access to Concorde's education programs or activities without unreasonably burdening the other party;
- ii. protect the safety of all parties and the College's educational environment; and
- iii. deter Prohibited Conduct.

**10. Prohibited Conduct:** Sex Discrimination and Sexual Harassment as defined in Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681, et. seq.) and its implementing regulations (34 CFR 106, et. seq.) and the Title IX policy 04-018.

**11. Remedies:** Actions taken to restore or preserve equal access to Concorde's education programs and activities.

**12. Respondent:** Person(s) reported to have engaged in Prohibited Conduct. A person may be a complainant, or a respondent, even where no formal complaint has been filed and no grievance process is pending.

## Student Computer Network and Internet Conduct

Concorde Career College provides students access to its computer network and Internet access for purposes directly related to education. Concorde reserves the right to monitor all usage of its computers and computer systems. This includes the monitoring of email and website access. The following practices are prohibited:

- Installing or executing unauthorized software. Using computers to copy copyrighted or licensed software.
- Using the network for commercial purposes. Users may not buy or sell products or services through the system without prior consent of the corporate network administrator.

- Using the network for advertising or political lobbying.
- Accessing websites, newsgroups, or chat areas that contain material that is sexually related, obscene, or that promotes illegal acts. If a user accidentally accesses this type of information, he or she should immediately notify an instructor, the Learning Resource Center Coordinator, and/or network administrator.
- Using the network for any activity or to transmit any material that violates federal, state, or local laws. This includes, but is not limited to, illegal activities, such as threatening the safety of another person or peer-to-peer file sharing of copyrighted materials.
- Using vulgar, derogatory, or obscene language. Users may not engage in personal attacks, harass another person, or post private information about another person.
- Logging on to another person's account or attempting to access another user's files, with or without that person's permission.
- "Hacking" or otherwise trying to gain access to another person's or organization's computer system.
- Engaging in "spamming" (sending an email to more than 10 people at the same time) or participation in chain letters.
- Intentionally damaging any computer hardware or software.

Computer and network resources are of significant value, and their abuse can have a negative effect on other users. Noncompliance with this policy may result in loss of computer and network privileges, suspension, and/or withdrawal from school.

## Social Media Use Policy

This policy addresses the use of social media sites by Concorde students, whether or not the use involves the College's WiFi network or other computer resources. Social media includes, but is not limited to: texting, blogs and social media platforms such as Snapchat, Twitter, Facebook, LinkedIn, Instagram, Google+, YouTube, Flickr, and Yammer.

Concorde is aware that members of the College community may wish to express their personal ideas, thoughts, and opinions through their private social media accounts (not administered by the College). Nevertheless, Concorde students are expected to conduct themselves in a professional manner at all times. Concorde reserves the right, under circumstances it deems appropriate and subject to applicable laws and regulations, to impose disciplinary measures. Such disciplinary measures include dismissal from the College for students who use social media in violation of the guidelines in this

policy, in ways that reflect poorly on the College, or interferes with the education of other students and/or the operation of the College. In appropriate cases, the conduct may also be reported to law enforcement authorities.

In connection with the use of social media, the conduct listed below is prohibited:

- Using social media to harass, threaten, insult, defame or bully another person or entity.
- Making threats of injury to any student, patient, member of faculty or staff, or officer or board member, including threats concerning their respective family members or personal property.
- Making comments that insult, disparage, disrespect or defame the College or members of the Concorde community.
- Making discriminatory or harassing comments that violate federal or state law and/or would be prohibited by Concorde's anti-discrimination / anti-harassment policy and/or Title IX policy.
- Violating any intellectual property law, such as copyright, trademark, fair use and/or financial disclosure law.
- Posting or sharing copyrighted content (such as text, video, graphics or sound files) without permission from the holder of the copyright.
- Posting or sharing trademarked content (such as logos, names, brands, symbols and designs) without permission from the trademark owner. The "@" symbol indicates that the mark is federally registered and the owner has the exclusive right to use it. The "TM and SM" symbols indicate that the owner may have common-law rights, but the mark is not federally registered.
- Posting or sharing, a photograph or video image of a student, faculty or staff member without obtaining their permission.
- Posting or sharing a photograph or video of a patient or volunteer that would violate the Health Insurance Portability and Accountability Act (HIPAA).
- Posting images or comments which are vulgar or obscene, or would otherwise violate any applicable law.

For any questions regarding this policy, contact your Campus President.

## Confidentiality Statement

The Health Insurance Portability and Accountability Act (HIPAA) is the law that applies to physicians regarding the completely confidential nature of patient information and applies to all Concorde students and employees. Except where necessary in

the regular course of business, the discussion, transmission, or narration in any form of any patient information of a personal nature, medical or otherwise, obtained in the regular course of the student's schooling or employment is strictly forbidden. Any violation of this professional rule shall constitute grounds for severe disciplinary action, including possible termination of the enrollment contract and dismissal from College.

## Graduation Requirements

A diploma, certificate, or degree will be issued to students upon successful completion of all academic requirements. Successful completion of all courses listed in the program breakdowns requires a minimum cumulative grade point average of 2.0 or above. All externships/clinicals must also be successfully completed with a passing grade. Any student subject to Records Hold must satisfy outstanding obligations before an official transcript will be issued. Duplicate diplomas or certificates take approximately 14-30 working days after payment to produce. A fee will be assessed for all duplicate requests.

(For details regarding commencement ceremonies, see "Commencement Ceremonies" in the "Student Information & Affairs" section under "General Information.")

## Family Educational Rights and Privacy Act

Concorde maintains a number of important records on the student's behalf throughout the application and registration processes, as well as records that are maintained throughout a student's enrollment. Examples of such records include but are not limited to:

- Academic Transcripts
- Attendance Records
- Financial Aid Records
- Employment Records
- Disciplinary Documentation

## Student Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. Once a student reaches 18 years of age or attends a postsecondary institution, he or she becomes an "eligible student," and all rights formerly given to parents under FERPA transfer to the student. These rights include:

- The right to inspect and review the student's education records within 45 days after the day Concorde receives a request for access.
- A student should submit to the Academic Dean or Campus President/Director a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. Students are not entitled to inspect and review financial records of their parents. If a request is submitted to a school official not responsible for maintaining records, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
- A student who wishes to ask the school to amend a record should write the Academic Dean, clearly identify the part of the record the student wants changed, and specify why it should be changed.
- If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to provide written consent before Concorde discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by Concorde to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

Washington, DC 20202-8520

## Concorde Rights Under FERPA

FERPA permits the disclosure of education records, without consent of the student, if the disclosure meets certain conditions found in the FERPA regulations. A postsecondary institution may disclose education records without obtaining prior written consent of the student in the following instances:

- Parental access to a student's record will be allowed by Concorde without prior consent if: 1) the student has violated a law or the Institution's rules or policies governing alcohol or substance abuse, and the student is under 21 years old; or 2) the information is needed to protect the health or safety of the student or other individuals in an emergency.
- The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the Institution in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Concorde who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of the education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the Institution.
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer.
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the Institution's State-supported education programs. Disclosures under this provision may be made: 1) in connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid; 2) in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures to outside entities that are designated by them as their authorized

representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.

- To organizations conducting studies for, or on behalf of, the school in order to: develop, validate, or administer predictive tests; administer student aid programs; or improve instruction.
- To accrediting organizations to carry out their accrediting functions.
- To comply with a judicial order or lawfully issued subpoena.
- To appropriate officials in connection with a health or safety emergency.
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
- To the general public, the final results of a disciplinary proceeding if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense, and the student has committed a violation of the school's rules or policies with respect to the allegation made against him or her.
- To parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of twenty-one.

Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, FERPA regulations require the Institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures.

Additionally, FERPA allows Concorde to disclose information it has designated as "Directory Information." Concorde defines directory information as: the student's name, address(es), telephone number(s), e-mail address, birth date and place, program of study, dates of attendance, honors and awards, photographs and credential awarded. If a student does not want his or her directory information to be released to third parties without the student's consent, the student must present such a request in writing to the Academic Dean within 45 days of the student's enrollment or by such later date as the Institution may specify as acceptable. Under no circumstance may the student use the right to opt out to prevent the Institution from disclosing that

student's name, electronic identifier, or institutional e-mail address in a class in which the student is enrolled.

## Release of Personally Identifiable Information (PII)

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expanded the circumstances under which a student's education records and personally identifiable information (PII) contained in such records, including his or her Social Security Number, grades, or other confidential information, may be accessed without his or her consent.

- The U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local education authorities ("Federal and State Authorities") may allow access to a student's records and PII without his or her consent to any third party designated by a Federal or State Authority to evaluate a Federal- or State-supported education program.
  - The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution.
- Federal and State Authorities may allow access to a student's education records and PII without the student's consent to researchers performing certain types of studies, in certain cases, even when Concorde objects to or does not request such research.
- Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive a student's PII, but the Federal and State Authorities need not maintain direct control over such entities.
- With respect to Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share, without the student's consent, PII from his or her education records, and they may track the student's participation in education and other programs by linking such PII to other personal information about him or her that they obtain from other federal or state data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

## Students With Disabilities Policy

It is the policy of Concorde Career Colleges, Inc. (Campus), to abide by both the letter and spirit of Section 504 of the Rehabilitation Act of 1973 and its implementing regulation at 34 Code of Federal Regulations C.F.R., Part 104. Section 504 prohibits discrimination on the basis of disability in programs and activities operated by recipients of federal financial assistance. Covered entities must accommodate students with reasonable academic adjustments and auxiliary aids and services that are necessary to afford an individual with a disability an equal opportunity to participate in its programs. Concorde is not required to make academic adjustments and/or provide auxiliary aids and services that would result in a fundamental alteration of its programs or impose an undue burden.

The Campus prohibits all discrimination against "qualified individuals with disabilities" as defined in Concorde's Disabilities Policy. In addition, a "qualified disabled person," with respect to postsecondary and vocational education services, is one who meets the academic and technical standards requisite to participation in the Campus's education program.

## Procedures for Requesting Academic Adjustment and/or Auxiliary Aid:

1. Current students with disabilities wishing to request academic adjustments and/or auxiliary aids must contact the Campus President/Director. The Campus President/Director is designated as the Campus Compliance Coordinator (CCC) with respect to Section 504. A disclosure of a disability or request for adjustments and/or aids made to a faculty or staff member, other than the CCC, will not be treated as a request for an academic adjustment and/or auxiliary aid. However, if a student discloses a disability to faculty or staff, he or she is required to direct the student to the CCC.
2. The CCC will provide the student with an academic adjustment and/or auxiliary aid Request Form for Students With Disabilities to complete. Academic adjustments and/or auxiliary aids are available to students who provide documentation of a disability, specifically that they have an impairment that substantially limits one or more major life activities.
3. In general, the documentation referenced should be current prior to taking entrance assessments to be accepted into a program. The documented assessments must be completed by qualified professionals in the area of disability. Documentation and sources used to

evaluate the need and determine appropriate adjustments or aids may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotional diagnostic tests, aptitude and achievement tests with results/reports, functional effects or limitations of the disability (physical limitations) and/or medications and recommendations, and social and cultural background and adaptive behavior. The campus reserves the right to request additional documentation as needed.

4. After the CCC or his or her designee receives the academic adjustment and/or auxiliary aid Request Form and the required documentation, the CCC will engage in an interactive process with the student to determine what academic adjustment(s) and/or auxiliary aid(s) are appropriate. This process will include primary consideration of the student's recommendations. It is the responsibility of the student to initiate this process by contacting the CCC and participating in the interactive process to identify appropriate academic adjustments and/or auxiliary aids. Within 10 business days, the CCC will meet with the student to discuss the appropriate reasonable academic adjustments and/or auxiliary aids needed. Primary consideration will be given to the student's requested academic adjustments and/or auxiliary aids. Any academic adjustment and/or auxiliary aid denied will include a written statement as to the basis. Whenever an academic adjustment and/or auxiliary aid is denied, the CCC will enter into an interactive communication with the requestor and discuss the need for additional documentation and/or alternate academic adjustments and/or auxiliary aids.
5. If the student is denied the requested adjustment or aid, he or she may file a grievance using the Grievance Procedure, or the student may file a complaint with the Office for Civil Rights.
6. The CCC is responsible for ensuring that approved academic adjustments and auxiliary aids are implemented in a timely manner and will be responsible for ensuring compliance of accommodations through the Academic Dean and Program Director. If students believe that the academic adjustment and/or auxiliary aid is not being implemented, they are urged to contact the CCC to discuss the matter. If not resolved, students may file a grievance using the Grievance Procedure, or the student may file a complaint with the Office for Civil Rights.

An adjustment or aid that fundamentally alters a program of instruction, conflicts with direct licensing requirements, or otherwise negates a requirement essential to the program will not be approved. A student may challenge such a determination by using the Grievance Procedure, or the student may file a complaint with the Office for Civil Rights.

## Grievance Procedure Regarding Students With Disabilities

Any complaints alleging discrimination based on one's disability, including disagreements regarding requested academic adjustments and/or auxiliary aids, may be grieved using the following procedures:

- He or she should contact the Campus Compliance Coordinator (CCC) (Campus President/Director) to file a formal grievance as soon as the student knew or reasonably should have known of the alleged discriminatory act or disagreement regarding academic adjustments and/or auxiliary aids.
- The CCC will assist the student in defining the grievance and will witness the student's signature on the Grievance Form.
- All grievances shall be reviewed and investigated by the Vice President of Academic Affairs. The Vice President of Academic Affairs' role shall be to investigate whether the student was discriminated based on disability by gathering all relevant information. Allegations can include, but are not limited to, harassment, failure to provide approved aids or adjustments, or a disagreement over what aids and adjustments are appropriate.
- The student shall have an opportunity to express his or her concerns with the Vice President of Academic Affairs.
- All reasonable efforts will be made to provide a written determination to the student within 30 days, which will close the charge of discrimination.
- If the student feels the alleged discriminatory act was conducted by the CCC, the student may contact the Vice President of Academic Affairs at 1-800-852-8434 to file a formal grievance at any time in the process.
- The determination made by the Vice President of Academic Affairs will be the final review.

## Council on Occupational Education

Should the school not be able to resolve the problem, students should contact the Commission of the Council on Occupational Education (COE), 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, Telephone: 770-396-3898/FAX: 770-396-3790, [www.council.org](http://www.council.org).

The campus is dedicated to protecting the rights provided to individuals with disabilities by Section 504. Federal regulations prohibit the campus from discriminating against students on the basis of disability. If a student believes that the campus has discriminated against him or her or another person on the basis of disability, the student may file a complaint with the U.S. Department of Education, Office for Civil Rights.

The campus prohibits retaliation against persons who file complaints of discrimination or assist with or participate in a campus or government agency investigation, proceeding, or hearing concerning complaints of discrimination. Retaliation complaints may be filed separately with the Office for Civil Rights. Current or prospective students with disabilities wishing to request academic adjustments and/or auxiliary aids must contact the Campus President/Director.

## Official Letter Grading Scale

**Effective for all Terms starting on or after October 11<sup>th</sup>, 2021**

Written examinations are given periodically, and many courses contain a final exam. Lab exams cover both subject matter and skills evaluation. Records of grades are maintained by the Registrar/Student Records Manager. Unless specified differently for an individual program, students receive letter grades at the end of each grading period (course) using the official letter grading scale. Grades are based on assignments, tests, and manipulative performance examinations given with each unit of learning. At the end of each evaluation period, the student's cumulative grade point average (CGPA) will be determined.

## Incomplete Grades

All missed exams and assignments must be complete by the last day of the current term. In rare circumstances, an "I" (incomplete) grade may be issued with the approval of the Academic Dean or the Campus President/Director. The student will then have seven calendar days (excluding published holidays) in which to make up the missing work. A student who has a final grade of "I" and who has not made up the work by the end of this period, will receive a course grade calculated based on a grade of zero for the missing work. Any action that may result from a grade calculated on this basis (such as probation, being required to repeat the course, or withdrawal/dismissal) will be executed immediately.

Incompletes will not be given for clinical/laboratory assignments not completed in the final term. Failure

to satisfactorily complete clinical/laboratory assignments in the final term will result in the student being required to repeat the term.

When the "I" is replaced with a letter grade, Satisfactory Academic Progress will be recalculated based on the letter grade and the credits earned.

Incompletes, although a temporary grade, will be included as attempted credits.

## General Education Courses

The following official letter grading scale is used to indicate the level at which students have achieved the educational objectives of a class for General Education courses:

Letter Grade	Numerical %	Description	GPA
A	90-100	Exceptionally Competent	4.00
B	80-89	Highly Competent	3.00
C	70-79	Fully Competent	2.00
F <sup>1</sup>	0-69	Not Competent	0.00
T	N/A	Transfer of Credit	N/E
I	N/A	Incomplete	N/E
W <sup>2</sup>	N/A	Withdrawal From Course	N/E
WP <sup>2</sup>	N/A	Withdrawal While Passing	N/E
WF <sup>2</sup>	N/A	Withdrawal While Failing	N/E

KEY: N/E No effect on grade point average (GPA).

1. This course must be repeated.
2. This course does not impact GPA but does count toward rate of progress.

## Pass/Fail Courses

The following grading scale will be used for only courses identified as pass/fail. These courses do not impact GPA, but they do count toward rate of progress.

Letter Grade	Numerical %	Description	GPA
P	N/A	Successful completion of a Pass/Fail course	N/E

F <sup>1</sup>	N/A	Failure of a Pass/Fail course	N/E
----------------	-----	-------------------------------	-----

KEY: N/E No effect on grade point average (GPA).

1. This course must be repeated.

## Nonclinical Program Content Courses

The official letter grading scale for all nonclinical programs (technical courses only), including Dental Assisting (Diploma and Associate of Applied Science), EKG Technician, Massage Therapy, Medical Assistant (Diploma), Medical Assisting (Associate of Applied Science), Medical Office Professional (Diploma and Associate of Applied Science), Pharmacy Technician (Diploma and Associate of Applied Science), Phlebotomy Technician, and Sterile Processing Technician is as follows:

Letter Grade	Numerical %	Description	GPA
A	90-100	Exceptionally Competent	4.00
B	80-89	Highly Competent	3.00
C	70-79	Fully Competent	2.00
F <sup>1</sup>	0-69	Not Competent	0.00
T	N/A	Transfer of Credit	N/E
I	N/A	Incomplete	N/E
W <sup>2</sup>	N/A	Withdrawal From Course	N/E
WP <sup>2</sup>	N/A	Withdrawal While Passing	N/E
WF <sup>2</sup>	N/A	Withdrawal While Failing	N/E

KEY: N/E No effect on grade point average (GPA).

1. This course must be repeated.
2. This course does not impact GPA but does count toward rate of progress.

## Clinical Program Content Courses

The official letter grading scale for the Cardiovascular Sonography, Dental Hygiene, Diagnostic Medical Sonography, Health Information Management, Medical Laboratory Technician, Neurodiagnostic Technology, Occupational Therapy Assistant, Physical Therapist Assistant, Polysomnographic Technology, Radiologic Technology, Respiratory Therapy, Surgical

Technology (Associate of Applied Science and Diploma) programs (technical courses only) is as follows:

Letter Grade	Numerical %	Description	GPA
A	90-100	Exceptionally Competent	4.00
B	80-89	Highly Competent	3.00
C	75-79	Fully Competent	2.00
F <sup>1</sup>	0-74	Not Competent	0.00
T	N/A	Transfer of Credit	N/E
I	N/A	Incomplete	N/E
W <sup>2</sup>	N/A	Withdrawal From Course	N/E
WP <sup>2</sup>	N/A	Withdrawal While Passing	N/E
WF <sup>2</sup>	N/A	Withdrawal While Failing	N/E

KEY: N/E No effect on grade point average (GPA).

1. This course must be repeated.
2. This course does not impact GPA but does count toward rate of progress.

## Nursing Practice Program Content Courses

The official letter grading scale for the Nursing Practice program is as follows:

Letter Grade	Numerical %	Description	GPA
A	93-100	Exceptionally Competent	4.00
B	85-92	Highly Competent	3.00
C	78-84	Fully Competent	2.00
F <sup>1</sup>	0-77	Not Competent	0.00
T	N/A	Transfer of Credit	N/E
I	N/A	Incomplete	N/E
W <sup>2</sup>	N/A	Withdrawal From Course	N/E
WP <sup>2</sup>	N/A	Withdrawal While Passing	N/E

WF <sup>2</sup>	N/A	Withdrawal While Failing	N/E
-----------------	-----	-----------------------------	-----

KEY: N/E No effect on grade point average (GPA).

1. This course must be repeated.
2. This course does not impact GPA but does count toward rate of progress.

### Dental Hygiene (Associate of Applied Science) Program

Dental Hygiene students must earn a "C" (75 percent) or better in each course in the program and maintain a minimum cumulative grade point average (CGPA) of 2.0 for all coursework attempted.

### Nursing Practice (Associate of Applied Science) Program

Unless otherwise specified in the course descriptions, a grade of "C" (78 percent) or better is considered passing for all technical courses in the Nursing Practice program – including all general education courses. Clinical/Lab Practice classes are graded on a Pass/Fail basis. Students who fail one portion (clinical or didactic) of a class will fail the entire class. Any withdrawn student who chooses to reapply must meet the current catalog readmission requirements for the program. All withdrawn students seeking reentry are subject to space availability.

### Occupational Therapy Assistant (Associate of Applied Science) Program

A passing grade in all courses in the Occupational Therapy Assistant (OTA) program is a minimum of 75 percent. Students are required to pass the final academic written and laboratory practical examinations each term with a minimum grade of 75 percent. Students must pass all courses within each term in order to advance to the next term or clinical experience. Any student who is unsuccessful on the final examinations will be allowed to remediate one time before the beginning of the next term. If the student fails to successfully remediate the failed course during the time frame, he or she will be withdrawn from the program. A student who successfully remediates a course will achieve a maximum grade of "C" (75 percent).

Based on class availability and space, the student may elect to apply for reentry and retake the course (at the time it is offered in the curriculum). The failed course may not be remediated if a "C" (75-79 percent) is not achieved the second time. OTA course remediation is offered for Terms 2 through 8.

Remediation and tutoring will be available for students to meet program expectations.

Failure to satisfactorily complete either Level I fieldwork, Level IIA fieldwork, or Level IIB will result in the student being withdrawn from the program.

Based on class availability and space, the student may elect to apply for reentry and retake the fieldwork course (at the time it is offered in the curriculum).

### Occupational Therapy Assistant Fieldwork

During fieldwork experience, the student must comply with the following:

- The school (Occupational Therapy Assistant [OTA] Program Director/Academic Fieldwork Coordinator) will assign the student to a fieldwork site.
- The student may not refuse a fieldwork site.
- The student will be withdrawn if he/she requests or receives remuneration for fieldwork activities.
- Any falsification of fieldwork documentation, including time sheet, will result in withdrawal.
- Even though all OTA students are required to have a criminal background check at admission, certain fieldwork sites may require a second background check immediately prior to fieldwork assignment.
- All OTA students are required to have a drug test immediately prior to fieldwork assignment. A positive drug test followed by a reconfirming drug test, within 24 hours of the request, will result in withdrawal.
- Students must complete all clinical courses within the timeframe scheduled: 10 weeks per clinical class. If a student, for any reason, is unable to complete a clinical course, s/he will be withdrawn from the program. The student may then petition for reentry in accordance with institutional policy, but no later than one year after their date of withdrawal. In all cases, a student must complete all graduation, fieldwork and experiential requirements within Maximum Timeframe as defined in the Institution's Satisfactory Academic Progress Policy.

If the student is dismissed from a fieldwork site, the student will be withdrawn from the program unless the school determines the dismissal was a justifiable misunderstanding, miscommunication, or personality conflict. In these cases, the student will be assigned to a second fieldwork site. If the student is dismissed from a second fieldwork site, he or she will be immediately withdrawn from the program.

## Physical Therapist Assistant (Associate of Applied Science) Program

All students must demonstrate minimum competency levels in order to progress through the program. Students must earn an overall score of 75 percent or greater in each course in order to achieve a passing grade. Students must pass all courses within each term in order to advance to the next term or clinical experience. If the student does not earn 75 percent as a final course grade, the student may not advance and will be withdrawn from the program. Withdrawn students may apply for readmission to repeat failed course(s) as they are offered again on a space-available basis.

## Radiologic Technology (Associate of Applied Science) Program

A passing grade in all courses in the Radiologic Technology program is a minimum of 75 percent. Students must meet or exceed the thresholds defined for all clinical criteria. Term failure results in withdrawal from the program. The student will not be allowed to progress in the program but can return to repeat the term on a space-available basis.

Students are required to pass final academic written and laboratory practical examinations each term. Any student who is unsuccessful on the final examinations may be permitted one retake of the exam after review and upon approval of the Program Director and Academic Dean.

## Respiratory Therapy (Associate of Applied Science) Program

To pass any course in the Respiratory Therapy program, a student must earn a minimum of 75 percent theory grade and a pass rating on all clinical and laboratory objectives for that course. A student earning less than a 75 percent on an examination must attend mandatory "practice and review" sessions. If the student earns an overall grade of less than 75 percent, the student will not be allowed to progress in the program and will be withdrawn or set back on a space-available basis. Students are required to pass the final written and practicum examinations to graduate the program.

## Surgical Technology (Associate of Applied Science) Program

A passing grade in all courses in the Surgical Technology program is a minimum of 75 percent. Additionally, students must pass all Laboratory Practical Final Examinations with a minimum of 75 percent. Students must meet or exceed the thresholds defined for all clinical criteria.

## Satisfactory Academic Progress Policy

To remain in good academic standing and maintain financial aid eligibility, students must meet the following minimum Satisfactory Academic Progress (SAP) standards as measured at the end of each grading and/or payment period:

1. Must maintain a minimum cumulative grade point average (CGPA) of 2.0.
2. Must maintain a rate of progress (ROP) of 66.67% or greater.
3. Must be able to complete the program within 150 percent of the program length (Maximum Time Frame [MTF]).

## Cumulative Grade Point Average (CGPA)

CGPA measures the quality of the student's work by assigning quality points to each letter grade and weighting the course by the credit hours. Only courses with earned grades required in the student's program of study are included in the CGPA calculation. In the case of repeated coursework, only the most recent attempt is counted toward the CGPA.

## Rate of Progress (ROP)

Students are required to maintain a satisfactory ROP toward successful completion of their program. ROP is defined as the credit hours completed divided by the credit hours attempted. All periods of the student's enrollment for the current program count when assessing progress, even periods in which the student did not receive Federal Student Aid (FSA) funds.

## Maximum Time Frame (MTF)

Students must be able to successfully complete all the required course credit hours of their program within the Maximum Time Frame. To maintain SAP, the credit hours attempted cannot exceed one and one-half times (1.5) or 150 percent of the credit hours required to complete a program.

## SAP Evaluation

Each program is broken down into grading periods and payment periods. At the end of each of these periods, the student's CGPA, ROP and MTF will be evaluated. The evaluation will ensure that all aspects of Satisfactory Academic Progress are met. A student failing to maintain the minimum standards of Satisfactory Academic Progress will be notified of such and will face administrative actions. These actions include being placed on Academic Warning,

Academic Probation or dismissal from the program at the end of a grading period. In addition, a student failing to maintain Satisfactory Academic Progress at the end of a payment period may be placed in a Financial Aid (FA) Warning status or Financial Aid Probation status, or the student may lose Federal Financial Aid eligibility altogether.

The outcome of SAP Evaluation is different depending on whether a student is enrolled in a Non-Term Program or a Term Based Program.

## Non-Term Programs

(Dental Assisting, Medical Assistant, Medical Office Professional, Massage Therapy, Pharmacy Technician, and Polysomnographic Technology)

## Academic Warning

A student not meeting all aspects of Satisfactory Academic Progress (CGPA, ROP and MTF) at the end of a grading period will be placed on Academic Warning. The school will advise the student of his or her status immediately upon completion of the SAP evaluation, and, in cooperation with campus academic leadership, the student will be required to complete an Academic Success Plan (ASP).

The student will remain in Academic Warning status until; a.) the student's SAP is evaluated at the end of the upcoming grading period, is met, and the student is returned to good academic standing and Active status; or b.) the student does not meet the requirements agreed to in the Academic Success Plan created at the beginning of the grading period whereupon the student will be notified of pending dismissal from the program. A student may appeal pending dismissal in writing to the Academic Dean within 72 hours of notification. (see Satisfactory Academic Progress Appeals) A student who does not file an appeal or for whom an appeal is not granted will be academically dismissed. A student submitting a successful appeal will be placed in Academic Probation status.

## Academic Probation

A student notified of pending dismissal who submits a successful SAP Appeal will be placed in Academic Probation status. A student on Academic Probation who fails to meet the requirements of the Academic Success Plan created at the beginning of the Academic Probation grading period will be dismissed.

## Term Based Programs

(All other programs not covered in the Non-Term Programs section above)

## Academic Warning

A student not meeting all aspects of Satisfactory Academic Progress (CGPA, ROP and MTF) at the end of a grading period will be placed on Academic Warning. The school will advise the student of his or her status immediately upon completion of the SAP evaluation, and, in cooperation with campus academic leadership, the student will be required to complete an Academic Success Plan (ASP). Only one Academic Warning grading period is permitted in Term-Based Programs. If a student fails to achieve Satisfactory Academic Progress for the next grading period or for any grading period in which the student is on Academic Warning, the student will be notified of pending dismissal. To remain enrolled, the student must submit a SAP Appeal within 72 hours of notification. A student in this situation who does not file an appeal or does not receive approval for an appeal will be dismissed.

## Academic Probation

A student on Academic Warning who does not meet Satisfactory Academic Progress standards at the end of the grading period must file an appeal. If the appeal is approved, the student will be placed on Academic Probation. A student on Academic Probation who fails to achieve Satisfactory Academic Progress or who fails to meet the requirements of the Academic Success Plan at the end of the grading period will be dismissed.

## All Programs

### Active Status

A student on Academic Warning or Academic Probation will be returned to good standing and Active status at the end of a grading period in which all Satisfactory Academic Progress standards are met.

### Financial Aid (FA) Warning

FA Warning will be assigned to a student not meeting Satisfactory Academic Progress standards at the end of a payment period. The school will advise the student of his or her status immediately upon completion of the SAP evaluation. A student on FA Warning may continue to receive Federal Student Aid (FSA) funds for one payment period. A student on FA Warning who achieves the minimum CGPA and rate of progress by the next payment period will be removed from FA Warning and placed back in good standing and retain his or her eligibility for FSA funds. A student who fails to meet Satisfactory Academic Progress standards after the FA Warning period will

lose his or her eligibility for FSA funds unless the student's appeal is approved. The student will then be placed on FA Probation.

## Financial Aid (FA) Probation

Students on FA Warning who do not meet Satisfactory Academic Progress at the end of the payment period must submit an appeal or be dismissed. If the appeal is approved, the student will be assigned the status of FA Probation. The school will advise the student of his or her status immediately upon completion of the SAP evaluation. A student on FA Probation who fails to achieve Satisfactory Academic Progress or who fails to meet the requirements of the Academic Success Plan at the end of the payment period will be dismissed. A student on FA Probation who achieves a minimum CGPA and ROP by the next payment period will be removed from FA Probation and placed back in good standing and retain eligibility for FSA funds. A student who fails to make Satisfactory Academic Progress or fails to meet the requirements of the Academic Success Plan after the FA Probation period will lose eligibility for FSA funds.

## Academic Success Plan

At the end of every grading and/or payment period in which a student does not meet Satisfactory Academic Progress standards, campus academic staff will assist the student in creating an Academic Success Plan. The Academic Success Plan will outline, in detail, minimum academic performance standards for the student for the upcoming term. The student must acknowledge and meet the requirements of the Academic Success Plan to remain enrolled in the program.

## Satisfactory Academic Progress Appeals

A student may appeal dismissal from the program due to failure to meet SAP and/or the loss of financial aid based on mitigating circumstances.

Written appeals must include:

- A clear statement about the mitigating circumstances that caused the student to be unsuccessful and include appropriate supporting documentation of such circumstances;
- An explanation of how such mitigating circumstances contributed to the student's academic situation;

- An explanation about what has changed in the student's situation that would allow the student to attain Satisfactory Academic Progress at the next payment period; and
- An acknowledged and signed Academic Success Plan created with the assistance of campus academic staff.

If the student does not submit an appeal within 72 hours of notification, or the appeal is denied, the student will be academically dismissed.

## Transfer of Credit to Other Institutions

The transferability of credits that a student earns at Concorde is at the complete discretion of the institution to which he or she may seek to transfer. Acceptance of the degree or diploma earned is also at the complete discretion of the institution to which the student may seek to transfer.

If the credits or credential earned at Concorde are not accepted at the institution to which the student seeks to transfer, the student may be required to repeat some or all of the coursework at that institution. For this reason, the student should make certain that his or her attendance at Concorde will meet his or her educational goals. This may include contacting an institution to which he or she may seek to transfer after attending Concorde to determine if his or her credits or credential will transfer.

Concorde does not imply, promise or guarantee that any credits earned at Concorde will transfer to or be accepted by any other institution. There is a meaningful possibility that some or all credits earned at Concorde will not transfer to or be recognized by other institutions, and it is the student's responsibility to find out in advance of enrollment whether a receiving institution will recognize a course of study or accept credits earned at Concorde.

## Transfer of Credit to Concorde

Effective: 12/03/2020

Students who formerly attended a postsecondary institution accredited by an agency as recognized by the U.S. Department of Education may be granted transfer credit for equivalent courses taken at the previous institution. Students must submit a Request for Transfer Credit as soon as possible after being enrolled at Concorde; in addition, students are responsible for having official transcript(s) from their previous institution forwarded to Concorde. To be eligible for transfer credit consideration, the following must be met:

- An official copy of the student's transcript is on file with Concorde;
- Non-General Education courses were completed within the previous 12 months, and a grade of "B" or better was earned;
- General Education courses were completed within the last five years, and a grade of "B" or better was received;
- A copy of the catalog containing the course description, which the student enrolled under, is provided; and
- CLEP courses may be accepted if completed within the five years and have a minimum score of 60.
- AP scores may be accepted if:
  - The official College Board Assessment is received
  - The Assessment scores are within five years of the request to transfer
  - The following scores are achieved:
    - CHEM1310 (3 credits) Score of 3 or higher: Chemistry
    - CHEM1411 (3 credits) Score of 3 or higher: Chemistry
    - CHEM1421 (3 credits) Score of 3 or higher: Chemistry
    - CSCI1310 (3 credits) Score of 3 or higher: Computer Science A
    - ENGL1310 (3 credits) Score of 3 or higher: English Literature and Composition or English Language and Composition
    - ENGL1320 (3 credits) Score of 3 or higher: English Literature and Composition or English Language and Composition
    - PSYC1310 (3 credits) Score of 3 or higher: Psychology
    - MATH1310 (3 credits) Score of 3 or higher: Statistics
    - MATH1320 (3 credits) Score of 3 or higher: Statistics

Students requesting to transfer credit(s) must submit all required documentation no less than one week prior to the start of their program of study. If the Academic Affairs department determines the credits are acceptable for transfer, credit will be given for those courses, and the student will be scheduled to take only those courses needed to fulfill the requirements for graduation.

Under no circumstances does Concorde Career College grant academic credit for life experience.

This section does not apply to students withdrawn from the same Concorde campus regardless of withdrawal date.

Students who receive transfer credit will have the program tuition charge prorated based upon the remaining number of credits the student must earn in order to graduate. The Business Office will make the appropriate tuition adjustment.

Concorde does not make any representation or guarantee that coursework completed at another institution will transfer to Concorde.

## Students From Other Concorde Career Institutes/Colleges

Students transferring from another Concorde Career Institute/College must meet the entrance requirements in place at this school at the time of transfer. These students may be eligible to receive credit for previous courses provided that the following requirements are met:

- An official copy of the student's transcript is on file with Concorde Career College;
- Courses within a major were completed within the previous 12 months, and a grade of "C" or better was earned;
- General Education (nonscience) communications, mathematics, social science or humanities courses were completed with a grade of "D" or better; and
- General Education science (BIOL, CHEM) courses were completed within the previous ten years with a grade of "C" or better.

Students transferring from another Concorde Career school may transfer up to 75 percent of the academic credits necessary to fulfill the requirements for graduation. Students requesting to transfer credit(s) must submit all required documents prior to starting school.

If the Academic Affairs department determines the credits are acceptable for transfer, credit will be given for those courses, and the student will be scheduled to take only those courses needed to fulfill the requirements for graduation.

For courses within a major taken more than 12 months prior, the student must take a proficiency examination for both academics and practicals. Academic credit will be granted if the student scores 75 percent or better and demonstrates competencies of practical skills. The student will not be charged for the examination(s). Students requesting to transfer credit(s) must submit all required documents and/or pass any proficiency examination prior to starting school.

Under no circumstances does Concorde Career College grant academic credit for life experience.

## Transfer of Credit Within the Same Concorde Campus

Students may apply all previous academic credits completed within the same Concorde school, if applicable, to the new program.

Under no circumstances does Concorde Career College grant academic credit for life experience.

## Residency Requirements

Students are required to earn a minimum of 75% of their credits/hours in residence at Concorde Career College/Institute. Therefore, the total of transfer credits and online classes cannot exceed 25% of a program's credits/hours. An exception may be made for students transferring to the same program of study at another Concorde school. For those students enrolling in the following degree programs, the total of transfer credits and online classes cannot exceed 50% of a program's credits/hours: Dental Assisting, Medical Assisting, Medical Office Professional, Pharmacy Technician or Surgical Technology. Please contact the Academic Dean at the receiving school to discuss the transfer of course credits and credit for prior learning.

## Repetitions

Effective: 03/23/2021

Students are required to repeat any failed course. With the exception of courses with the designation "CPSO," students will be allowed to repeat a failed course once (see the "Official Letter Grading Scale"). CPSO courses may be attempted a total of three times. Both the grade(s) for the failed course(s) and the repeated course(s) will appear on the transcript, but only the most recent grade will be used in calculating CGPA. However, the original course(s) and all repeated course credit hours are included in the maximum time frame and rate of progress calculations.

Students may incur a per credit hour fee for repeating a class(es). Students must remain active in order to be eligible for any retake fee. If a student withdraws from school, he/she will be charged the full per credit hour cost to retake a course. Please see a Financial Aid Representative to discuss your situation.

If a student fails a corequisite course, both corequisites must be retaken. The student will only be charged the per credit retake fee for failed courses. There will be no charge for retaking a corequisite that the student previously passed.

Students who fail the same CPSO course three times will be dismissed from the program. Students who fail the same non-CPSO academic course twice will be dismissed from the program. Dismissed students are not eligible for readmission.

## Veterans Administration Students

The school will notify the Veterans Administration (VA) when a student receiving VA education benefits is placed on Academic Warning or Academic Probation. Students will be advised of any counseling services available to them at the school in order to resolve academic or other problems and to establish a meaningful plan for successful completion of their education or training. The school will also remind students of the counseling services and tutorial assistance benefits available through the VA. When a student has failed to maintain prescribed standards of progress, the VA will be informed promptly so that benefit payments can be discontinued in accordance with the law. The termination date assigned by the school will be the last day of the term or other evaluation period in which the student's progress became unsatisfactory. Schools that provide a period of academic warning or probation may not continue to certify a veteran or eligible person (who remains in an unsatisfactory academic status) for an indefinite period of time. The school will withdraw any student who remains in an unsatisfactory academic status for more than two successive periods and report the withdrawal to the VA. The credit hours attempted cannot exceed 1.5 times the credit hours required to complete the credit-hour program.

## Copyright Infringement

The unauthorized reproduction or distribution of copyrighted materials is prohibited. This may include but is not limited to Internet file-to-file transfer, student-to-student transfer, photocopies, or undisclosed use of copyrighted material in essays or other works created by a student. Students using copyrighted materials are required to identify the source of the material and its copyright in all school materials. Copyrighted materials can include music, pictures, books, magazines, and newspapers in all forms, including the date obtained from the Internet. In addition to any civil or criminal liabilities, any unauthorized reproduction or use of copyrighted materials is grounds for disciplinary action, up to and including dismissal from school. Anyone found to have infringed a copyrighted work may be liable for Actual Damages and Profits. A copyright owner is entitled to recover the actual damages suffered by him or her as a result of the infringement and any profits of the infringer that are attributable to the infringement. Statutory damages for copyright

infringement range from \$750 up to \$30,000 for each work infringed, and, if willful infringement is proven by the copyright owner, that amount may be increased up to \$150,000 for each work infringed. In addition, an infringer of a work may also be liable for the attorney's fees incurred by the copyright owner to enforce his or her rights.

## Outside Classroom Work

Students will find the work in each program to be challenging, requiring them to maximize their time and problem-solving strategies. Students demonstrate their commitment to learning via work and time spent inside and outside the class. In addition to the time spent in class per week, students are required to spend time outside of class on reading assignments, writing assignments, practice and practical applications, and projects or other equivalent learning experiences to help them achieve the course objectives. Specific details on the outside classroom work are found in the individual course syllabi, which students receive at the beginning of each course.

## Scholastic Honesty

Effective: 01/19/2021

It is assumed that all students are enrolled in class to learn; therefore, cheating is not an acceptable practice. Dishonesty of any type in a course, including cheating on examinations or plagiarizing materials, can result in a grade of "F" and may be cause for suspension and/or withdrawal from school. Plagiarism includes passing off or attempting to pass off the ideas or writing of another person as one's own. Plagiarism also includes using personal papers submitted for a prior class, a repeated class, or even work submitted at a different institution.

Students are prohibited from operating any type of audio or video recording device in a classroom, laboratory, or clinical setting without prior expressed permission from the Campus President/Director or Academic Dean. Prohibited items include, but are not limited to: video cameras, telephones with audio or video recording capability, computers, electronic tablets, or watches with audio or video recording capability. This is not an all-inclusive list. Violations of this policy may lead to disciplinary actions up to and including dismissal from school.

# Program Course Descriptions

---

## Course Numbering System

Each course is identified by an alphabetic prefix. The rubric begins with a series of alphabetic characters representing the academic discipline. The first digit of the course number denotes the academic level of the course; the second digit denotes the credit value of the course in semester hours; and the remaining

digit(s) establishes course sequencing and/or distinguishes the course from others of the same level, credit value, and rubric.

# Additional Provisions — Memphis

## Calendar 2021 Student Holidays

January 1, 2021	New Year's Day
January 18, 2021	Martin Luther King, Jr. Day
May 31, 2021	Memorial Day
July 5, 2021	Independence Day
September 6, 2021	Labor Day
November 25, 2021	Thanksgiving Day
November 26, 2021	Friday after Thanksgiving
December 23, 2021	Christmas Eve
December 24, 2021	Christmas Day

## 2022 Student Holidays

December 31, 2021	New Year's Day
January 17, 2022	Martin Luther King, Jr. Day
May 30, 2022	Memorial Day
June 20, 2022	Juneteenth
July 4, 2022	Independence Day
September 5, 2022	Labor Day
November 24, 2022	Thanksgiving Day
November 25, 2022	Friday after Thanksgiving
December 23, 2022	Christmas Eve
December 26, 2022	Christmas Day

## Graduation Dates

Graduation dates are estimated and may vary due to individual students' clinical/externship schedules.

## Clinical Schedules

Clinical rotations may consist of up to 12-hour shifts. Shift times may vary and may include weekends.

General Education classes may be morning, afternoon, and/or evening sessions.

## Externship Schedules

Externship schedules may consist of 4-8 hour shifts during the daytime hours.

### Hours of Operation

Classroom - Open at least 15 minutes before and after each scheduled class.

Administration - 8 a.m. to 8 p.m. Monday through Thursday and 8 a.m. to 5 p.m. Friday

Learning Resource Center - 8 a.m. to 8 p.m. Monday through Friday unless posted.

1. While Concorde offers these resources at below general market prices, these prices are subject to change based on market conditions beyond the control of Concorde. There may be certain situations when you may be able to purchase some of these items elsewhere from outside sources at a reduced cost. Students have the right to opt out of purchasing certain items from Concorde as long as they are able to obtain these resources prior to course start. A student's account will not be charged for any item the student chooses to purchase on their own. A list of books and supplies associated with your program of study can be found on the Concorde website ([www.concorde.edu](http://www.concorde.edu)). A hard copy can be obtained from the campus upon request.

2. Application Fee of \$100.00 is required for this program.

3. This program is not eligible for any Federal Financial Aid or VA programs.

<b>INCIDENTAL FEES</b> All incidental fees are the responsibility of the student and must be paid prior to receiving any item.	
Additional Diploma	\$10.00
*Transcripts are ordered through Parchment	\$10.00
Administrative Withdrawal Fee	\$100.00
Copies	\$0.10/copy
Refresher Training	\$100.00
Repetition Fee (per credit hour)	\$165.00
Replacement Student ID Card	\$7.00
Retesting for Waitlist Students	\$50.00

1. While Concorde offers these resources at below general market prices, these prices are subject to change based on market conditions beyond the control of Concorde. There may be certain situations when you may be able to purchase some of these items elsewhere from outside sources at a reduced cost. Students have the right to opt out of purchasing certain items from Concorde as long as they are able to obtain these resources prior to course start. A student's account will not be charged for any item the student chooses to purchase on their own. A list of books and supplies associated with your program of study can be found on the Concorde website ([www.concorde.edu](http://www.concorde.edu)). A hard copy can be obtained from the campus upon request.

2. Application Fee of \$100.00 is required for this program.

3. This program is not eligible for any Federal Financial Aid or VA programs.

INCIDENTAL FEES All incidental fees are the responsibility of the student and must be paid prior to receiving any item.
